#### REPORT OF INDEPENDENT ACCOUNTANTS

Board of Trustees Ottawa County Visitors Bureau 770 S.E. Catawba Road Port Clinton, Ohio 43452

We have audited the accompanying financial statements of the Ottawa County Visitors' Bureau, Ottawa County, Ohio (the Bureau) as of and for the year ended December 31, 2005, as listed in the table of contents. These financial statements are the responsibility of the Bureau's management. Our responsibility is to express an opinion these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 2, the Bureau has presented these financial statements on the cash basis of accounting. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and accounting principles generally accepted in the United States of America, we presume they are material.

In our opinion, the financial statements referred to above present fairly, in all material respects, the fund cash balance of the Ottawa County Visitors' Bureau, Ottawa County, as of December 31, 2005, and its cash receipts and disbursements and changes in fund cash balance for the year then ended in conformity with the basis of accounting described in Note 2.

The accompanying financial statements have been prepared assuming the Bureau will continue as a going concern. As discussed in Note 9 to the financial statements, the Bureau has suffered recurring losses from operations that raises substantial doubt about its ability to continue as a going concern. Management's plans in regard to this matter are also described in Note 9. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

In accordance with *Government Auditing Standards*, we have also issued our report dated August 1, 2006, on our consideration of the Bureau's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

#### **NOTE 3 - REVENUE**

The Bureau receives tax revenue from the Ottawa County bed tax. The tax is assessed and collected by the County Auditor and is ultimately remitted to the Ottawa County Visitors' Bureau. The Bureau also sells advertising space in its annual visitors' guide, known in 2005 as the GREAT LAKES ADVENTURE (GLA).

The Bureau also records revenues from Welcome Center Partnership. These incomes come from fees paid by vendors who display their brochures at the Bureau and/or list their ads at the Bureau's website and phone board.

Other sources of income are ticket and video sales, room rental, grants and sponsorship fees.

#### NOTE 6 – DEBT – (CONTINUED)

The Bureau received a loan dated June 25, 2004 of \$100,000 from the Ottawa County Commissioners at 4% interest. The grant is to be paid back in four yearly installments of \$25,000 starting December 15, 2004 with final payment due December 15, 2007.

The Bureau opened a \$175,000 Line of Credit from First National Bank during 2005. It drew down \$173,877 and repaid the full amount on November 14, 2005. On November 16, 2005, it reopened another \$175,000 line of credit and drew down at total of \$147,000. This amount was outstanding as of December 31, 2005.

#### NOTE 7 – CONCENTRATIONS OF CREDIT RISK

The Bureau maintains four accounts for its cash balances of \$45,104 in one financial institution located in northern Ohio. The balances are insured by the Federal Deposit Insurance Corporation up to \$100,000. At December 31, 2005, the Bureau had no uninsured cash balances.

#### **NOTE 8 - CONTINGENT LIABILITIES**

The Visitors' Bureau may be a defendant in various lawsuits. Although the outcome of these lawsuits is not presently determinable, in the opinion of the Visitors' Bureau legal counsel, the resolution of these matters will not have a material adverse effect on the financial condition of the Bureau.

#### **NOTE 9 – GOING CONCERN**

The Bureau has been experiencing financial related difficulties the past several years, which had made it necessary to open a line of credit and draw down \$147,000 to continue operations. This has been caused mainly by cash flow challenges resulting from the seasonality of visitation in Ottawa County and its impact on bed tax revenues, the primary source of funding for the Visitor's Bureau. Additionally, over the past few years, bed tax revenues were not as high as the original projected business plan for operation of the Bureau. Management has reviewed this issue and although no formal plans are yet in place, the Bureau working with the Ottawa County Commissioners, other elected officials, and community financial leaders to develop a new business plan for additional financing for the Bureau. Financial activity is being carefully monitored to keep expenses to a minimum.

# REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Trustees Ottawa County Visitors' Bureau 770 S.E. Catawba Road Port Clinton, Ohio 43452

We have audited the financial statements of Ottawa County Visitors' Bureau, Ottawa County, Ohio (the Bureau) as of and for the year ended December 31, 2005, and have issued our report thereon dated August 1, 2006, wherein we noted the Bureau followed the cash basis of accounting rather than accounting principles generally accepted in the United States of America. We also noted that the Bureau prepared its financial statements assuming it will continue as a going concern. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

#### INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audit, we considered the Bureau's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide an opinion on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

However, we noted other matters involving the internal control over financial reporting that do not require inclusion in this report, that we have reported to management of the Bureau in a separate letter dated August 1, 2006.

#### **COMPLIANCE AND OTHER MATTERS**

As part of obtaining reasonable assurance about whether the Bureau's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and used of the finance committee, management, and the Bureau Board of Trustees and is not intended to be and should not be used by anyone other than these specified parties.
