To the Board of Trustees:

As you are aware, the Auditor of State's Office (AOS) must modify the *Independent Accountants' Report* we provide on your financial statements due to a February 2, 2005 interpretation from the American Institute of Certified Public Accountants (AICPA). While AOS does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. Our Report includes an opinion relating to GAAP presentation and measurement requirements, but does not imply the amounts the statements present are misstated under the non-GAAP basis you follow. The AOS report also includes an opinion on the financial statements you prepared using the cash basis and financial statement format the AOS permits.

#### INDEPENDENT ACCOUNTANTS' REPORT

Richwood-North Union Public Library Union County 4 East Ottawa Street Richwood. Ohio 43344

To the Board of Trustees:

We have audited the accompanying financial statements of Richwood-North Union Public Library, Union County, Ohio (the Library) as of and for the years ended December 31, 2005 and December 31, 2004. These financial statements are the responsibility of the Library's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

As described more fully in Note 1, the Library has prepared these financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and GAAP, we presume they are material.

Revisions to GAAP would require the Library to reformat its financial statement presentation and make other changes effective for the year ended December 31, 2005 and December 31, 2004. Instead of the funds the accompanying financial statements present for 2005 and 2004, the revisions require presenting entity wide statements and also to present its larger (i.e. major) funds separately for 2005 and 2004. While the Library does not follow GAAP, generally accepted auditing standards requires us to include the following paragraph if the statements do not substantially conform to the new GAAP presentation requirements. The Auditor of State permits, but does not require governments to reformat their statements. The Library has elected not to reformat its statements. Since this Library does not use GAAP to measure financial statement amounts, the following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

Richwood-North Union Public Library Union County Independent Accountants' Report Page 2

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statements referred to above for the year ended December 31, 2005 and December 31, 2004 do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Library as of December 31, 2005 and December 31, 2004, or its changes in financial position for the year then ended.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the fund cash balances and reserves for encumbrances of Richwood-North Union Public Library, Union County, Ohio, as of December 31, 2005 and December 31, 2004, and its cash receipts and disbursements for the years then ended on the accounting basis Note 1 describes.

The aforementioned revision to generally accepted accounting principles also requires the Library to include Management's Discussion and Analysis for the years ended December 31, 2005 and 2004. The Library has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statements.

In accordance with *Government Auditing Standards*, we have also issued our report dated July 17, 2006, on our consideration of the Library's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance, and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

#### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2005 AND 2004

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### A. Description of the Entity

The constitution and laws of the State of Ohio establish the rights and privileges of the Richwood-North Union Public Library, Union County, Ohio (the Library) as a body corporate and politic. The Board of Education of the North Union Local School District appoints a seven-member Board of Trustees to govern the Library. The Library provides the community with various educational and literary resources.

The Library's management believes these financial statements present all activities for which the Library is financially accountable.

#### **B.** Basis of Accounting

These financial statements follow the basis of accounting the Auditor of State prescribes or permits. This accounting basis is similar to the cash receipts and disbursements basis. The Library recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the Auditor of State prescribes or permits.

#### C. Cash and Investments

The Library's accounting basis includes investments as assets. Accordingly, the Library does not record investment purchases as disbursements or investment sales as receipts. The Library records gains or losses at the time of sale as receipts or disbursements, respectively.

The Library values certificates of deposit at cost. Money market mutual funds (including STAR Ohio) are recorded at share values the mutual fund reports.

#### D. Fund Accounting

The Library uses fund accounting to segregate cash and investments that are restricted as to use. The Library classifies its funds into the following types:

#### 1. General Fund

The General Fund accounts for all financial resources except those required to be accounted for in another fund.

#### 2. Capital Project Funds

This fund accounts for receipts restricted to acquiring or constructing major capital projects.

#### NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2005 AND 2004 (Continued)

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### E. Budgetary Process

The Board must annually approve appropriation measures and subsequent amendments. Unencumbered appropriations lapse at year end. Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the object level of control.

A summary of 2005 and 2004 budgetary activity appears in Note 3.

#### F. Property, Plant, and Equipment

The Library records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

#### G. Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

#### 2. EQUITY IN POOLED CASH AND INVESTMENTS

The Library maintains a cash and investments pool all funds use. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash and investments at December 31 follows:

The County Budget Commission allocates these funds to the Library based on its needs such as for the construction of new library buildings, improvements, operation, maintenance, or other expenses. The Budget Commission cannot reduce its allocation of these funds to the Library based on of any additional revenues the Library receives.

## INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Richwood-North Union Public Library Union County 4 East Ottawa Street Richwood, Ohio 43344

To the Board of Trustees:

We have audited the financial statements of the Richwood-North Union Public Library, Union County, Ohio (the Library) as of and for the year ended December 31, 2005 and December 31, 2004, and have issued our report thereon dated July 17, 2006, wherein we noted the Library follows the accounting practices the Auditor of State prescribes rather than accounting principles generally accepted in the United States of America. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Library's internal control over financial reporting to determine our auditing procedures to express our opinion on the financial statements and not to opine on the internal control over financial reporting. Our consideration of the internal control would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts material to the financial statements we audited may occur and not be timely detected by employees when performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider material weaknesses.

#### **Compliance and Other Matters**

As part of reasonably assuring whether the Library's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*. In a separate letter to the Library's management dated July 17, 2006, we reported other matters related to noncompliance we deemed immaterial.
