Mary Taylor

To the Board of Trustees:

As you are aware, the Auditor of State's Office (AOS) must modify the *Independent Accountants' Report* we provide on your financial statements due to an interpretation from the American Institute of Certified Public Accountants (AICPA). While AOS does not legally require your Cemetery to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. Our Report includes an adverse opinion relating to GAAP presentation and measurement requirements, but does not imply the amounts the statements present are misstated under the non-GAAP basis you follow. The AOS report also includes an opinion on the financial statements you prepared using the cash basis and financial statement format the AOS permits.

INDEPENDENT ACCOUNTANTS' REPORT

Antrim Eden Nevada Joint Cemetery Wyandot County 1336 County Highway 330 Nevada, Ohio 44849

To the Board of Trustees:

We have audited the accompanying financial statements of the Antrim Eden Nevada Joint Cemetery, Wyandot County, Ohio, (the Cemetery) as of and for the years ended December 31, 2006, and December 31, 2005. These financial statements are the responsibility of the Cemetery's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

As described more fully in Note 1, the Cemetery has prepared these financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and GAAP, we presume they are material.

Revisions to GAAP would require the Cemetery to reformat its financial statement presentation and make other changes effective for the years ended December 31, 2006, and December 31, 2005. While the Cemetery does not follow GAAP, generally accepted auditing standards requires us to include the following paragraph if the statements do not substantially conform to GAAP presentation requirements. The Auditor of State permits, but does not require cemeteries to reformat their statements. The Cemetery has elected not to follow GAAP statement formatting requirements. The following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statements referred to above for the years ended December 31, 2006, and December 31, 2005, do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Cemetery as of December 31, 2006, and December 31, 2005, or its changes in financial position for the years then ended.

88 E. Broad St. / Tenth Floor / Columbus, OH 43215-3506 Telephone: (614) 466-3402 (800) 443-9275 Fax: (614) 728-7199 www.auditor.state.oh.us Antrim Eden Nevada Joint Cemetery Wyandot County Independent Accountants' Report Page 2

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances of the Antrim Eden Nevada Joint Cemetery, Wyandot County, Ohio, as of December 31, 2006, and December 31, 2005, and its cash receipts and disbursements for the years then ended on the accounting basis Note 1 describes.

The Cemetery has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statements.

In accordance with *Government Auditing Standards*, we have also issued our report dated October 23, 2007, on our consideration of the Cemetery's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance, and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

The notes to the financial statements are an integral part of this statement.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2006 AND 2005

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

The constitution and laws of the State of Ohio establish the rights and privileges for the Antrim Eden Nevada Joint Cemetery, Wyandot County, Ohio, (the Cemetery) as a body corporate and politic. The Cemetery is directed by an appointed three-member Board of Trustees. The Board is appointed by Antrim and Eden Townships' Board of Trustees and the Village of Nevada's Council. These entities also provide funding to meet the Cemetery's operating costs under the agreement which established the Cemetery. The accompanying financial statements present this funding as Intergovernmental Receipts. The Cemetery provides grounds maintenance, opening and closing of graves, and the sale of grave lots.

The Cemetery's management believes these financial statements present all activities for which the Cemetery is financially accountable.

B. Basis of Accounting

These financial statements follow the basis of accounting the Auditor of State prescribes or permits. This basis is similar to the cash receipts and disbursements basis of accounting. This basis recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred.

These statements include adequate disclosure of material matters, as the Auditor of State prescribes or permits.

C. Cash and Investments

The Cemetery includes investments as assets. The Cemetery does not report purchases of investments as disbursements or investment sales as receipts. The Cemetery recognizes gains or losses at the time of sale as receipts or disbursements, respectively.

The Cemetery records certificates of deposit and common stock at cost.

D. Fund Accounting

The Cemetery uses fund accounting to segregate cash and investments that are restricted as to use. The Cemetery classifies its funds into the following types:

1. General Fund

The General Fund is the general operating fund. It presents all financial resources except those required to be accounted for in another fund.

2. Fiduciary Funds (Non-Expendable Trust Funds)

These funds account for resources restricted by legally binding trust agreements and funds for which the Cemetery is acting in an agency capacity. The Cemetery had the following significant Fiduciary Funds:

<u>Smith Land Trust Fund and Hughes Land Trust Fund</u> - These funds receive interest from fund investments. Proceeds are used to maintain grave sites.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2006 AND 2005 (Continued)

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. Property, Plant, and Equipment

The financial statements report acquisitions of property, plant, and equipment as capital outlay disbursements when paid. The financial statements do not report these items as assets.

2. EQUITY IN POOLED CASH AND INVESTMENTS

The Cemetery maintains a cash and investments pool used by all funds. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of cash and investments at December 31 follows:

	2006	2005
Deposits	\$7,603	\$12,447
Certificates of deposit	70,982	72,717
Total deposits	78,585	85,164
Common stock	400	400
Total deposits and investments	\$78,985	\$85,564

Deposits: Deposits are insured by the Federal Depository Insurance Corporation. The common stock was donated to the Cemetery.

3. RETIREMENT SYSTEM

The Cemetery's employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The plan provides retirement benefits, including postretirement healthcare, and survivor and disability benefits to participants as the Ohio Revised Code prescribes.

The Ohio Revised Code also prescribes contribution rates. For 2006 and 2005, OPERS employee members contributed 9.0 and 8.5 percent of their gross salaries. The Cemetery contributes an amount equal to 13.70 and 13.55 percent of participants' gross salaries. The Cemetery has paid all contributions required through December 31, 2006.

4. RISK MANAGEMENT

The Cemetery has obtained commercial insurance for comprehensive property and general liability.

INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Antrim Eden Nevada Joint Cemetery Wyandot County 1336 County Highway 330 Nevada, Ohio 44849

To the Board of Trustees:

We have audited the financial statements of Antrim Eden Nevada Joint Cemetery, Wyandot County, Ohio, (the Cemetery) as of and for the years ended December 31, 2006, and December 31, 2005, and have issued our report thereon dated October 23, 2007, wherein we noted the Cemetery followed accounting practices the Auditor of State prescribes rather than accounting principles generally accepted in the United States of America. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Cemetery's internal control over financial reporting as a basis for designing our audit procedures for expressing our opinion on the financial statements, but not to opine on the effectiveness of the Cemetery's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the Cemetery's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. However, as discussed below, we identified certain deficiencies in internal control over financial reporting that we consider significant deficiencies.

A control deficiency exists when the design or operation of a control does not allow management or employees, in performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Cemetery's ability to initiate, authorize, record, process, or report financial data reliably in accordance with its applicable accounting basis, such that there is more than a remote likelihood that the Cemetery's internal control will not prevent or detect a more-than-inconsequential financial statement misstatement.

We consider the following deficiencies described in the accompanying schedule of findings to be significant deficiencies in internal control over financial reporting: 2006-001 through 2006-003.

88 E. Broad St. / Tenth Floor / Columbus, OH 43215-3506 Telephone: (614) 466-3402 (800) 443-9275 Fax: (614) 728-7199 www.auditor.state.oh.us

9

Antrim Eden Nevada Joint Cemetery Wyandot County Independent Accountants' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Required by *Government Auditing Standards* Page 2

A material weakness is a significant deficiency, or combination of significant deficiencies resulting in more than a remote likelihood that the Cemetery's internal control will not prevent or detect a material financial statement misstatement.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in the internal control that might be significant deficiencies and accordingly, would not necessarily disclose all significant deficiencies that are also material weaknesses. However, of the significant deficiencies described above, we believe finding numbers 2006-001 and 2006-002 are also material weaknesses.

We also noted certain internal control matters that we reported to the Cemetery's management in a separate letter dated October 23, 2007.

Compliance and Other Matters

As part of reasonably assuring whether the Cemetery's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed an instance of noncompliance or other matter that we must report under *Government Auditing Standards* which is described in the accompanying schedule of findings as item 2006-003.

We also noted certain noncompliance or other matters not requiring inclusion in this report that we reported to the Cemetery's management in a separate letter dated October 23, 2007

We intend this report solely for the information and use of management and the Board of Trustees. We intend it for no one other than these specified parties.

Mary Taylor, CPA Auditor of State

Mary Saylor

October 23, 2007

SCHEDULE OF FINDINGS DECEMBER 31, 2006 AND 2005

FINDINGS RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS

Finding Number	2006-001

Accounting Records - Significant Deficiency/Material Weakness

To properly record the Cemetery's financial activity using fund accounting, the Cemetery should utilize a cash journal, receipts ledger, and expenditure ledger. The cash journal should reflect all of the receipts and expenditures of the Cemetery for all funds. The total of all fund balances must reconcile with the cash balance; the total of all fund receipts must reconcile with the total cash receipts; and the total of all fund expenditures must reconcile with the cash expenditures. The receipts ledger should be maintained by revenue source and reflect all of the Cemetery's receipts. The expenditures ledger should be maintained by expenditure type and reflect all of the Cemetery's expenditures. The monthly bank reconciliation should be performed in total for all funds and all bank accounts.

Currently, the Cemetery maintains a separate cash ledger for each bank account and records bank activity rather than fund activity. In addition, the ledgers are not completely and accurately maintained. As a result, \$1,147 and \$1,242 of interest earned was not recorded in the receipt ledger in 2005 and 2006, respectively. The financial statements have been adjusted to reflect this activity.

We recommend the Clerk of the Cemetery maintain the ledgers to reflect proper fund accounting. All transactions should be recorded timely and monthly reconciliations should be performed to include all bank accounts and certificates of deposit. If necessary, the Clerk should obtain training on fund accounting.

Finding Number	2006-002

Financial Reporting - Significant Deficiency/Material Weakness

Sound financial reporting is the responsibility of the Clerk and Board of Trustees and is essential to ensure the information provided to the readers of the financial statements is complete and accurate.

The following audit adjustments were made to the December 31, 2006 financial statements:

- 1. To record interest receipts totaling \$1,242 not posted to the receipt ledger.
- 2. To record a \$67 expenditure which was not included on annual report prepared by Clerk.
- 3. To record early withdrawal penalties totaling \$330 for certificates of deposit cashed in prior to maturity.

The following audit adjustments were made to the December 31, 2005 financial statements:

- 4. To record interest receipts totaling \$1,147 not posted to the receipt ledger.
- 5. To properly classify payments totaling \$1,855 made to caretakers as salaries.
- 6. To record early withdrawal penalties totaling \$37 for certificates of deposit cashed in prior to maturity.

The adjustments identified above should be reviewed by the Clerk and Board of Trustees to ensure that similar errors are not reported on financial statements in subsequent years. In addition, the Cemetery should develop procedures for the periodic review of the activity posted to the accounting records, as well as, for the review of the financial statement information to ensure it accurately reflects the Cemetery's activity.

SCHEDULE OF FINDINGS DECEMBER 31, 2006 AND 2005 (Continued)

FINDINGS RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS

Finding Number	2006-003

Federal Tax Reporting – Noncompliance Citation/Significant Deficiency

26 C.F.R. Section 1.6041-1 requires governments to report on Form 1099 all payments to independent contractors aggregating \$600 or more.

During 2006 and 2005, the Cemetery paid \$1,800 and \$2,200, respectively, to Daiber Excavating for digging graves. No Form 1099 was issued for these services.

We recommend the Cemetery issue Form 1099's for all payments to independent contractors aggregating \$600 or more. This matter will be referred to the Internal Revenue Service.

We did not receive a response from Officials to the findings reported above.

SCHEDULE OF PRIOR AUDIT FINDINGS DECEMBER 31, 2006 AND 2005

Finding Number	Finding Summary	Fully Corrected?	Not Corrected, Partially Corrected; Significantly Different Corrective Action Taken; or Finding No Longer Valid; <i>Explain</i>
2004-001	Accounting Records	No	Not Corrected. Comment is being repeated as finding number 2006-001.
2004-002	Authorization of Pay Rates and Timesheets	No	Partially Corrected. This comment is being repeated in the current audit management letter.
