INDEPENDENT ACCOUNTANTS' REPORT

Englewood Peace Academy Lucas County 1120 Horace Street Toledo, Ohio 43606-4737

To the Governing Board:

We have audited the accompanying basic financial statements of Englewood Peace Academy, Lucas County, Ohio (the Academy), as of and for the year ended June 30, 2006, as listed in the table of These financial statements are the responsibility of the Academy's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' Government Auditing Standards. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Academy, as of June 30, 2006, and the changes in its financial position and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated June 11, 2007, on our consideration of the Academy's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance and the results of that testing. That report is an integral part of an audit performed in accordance with Government Auditing Standards. You should read it in conjunction with this report in assessing the results of our audit.

Management's Discussion and Analysis is not a required part of the basic financial statements but is supplementary information the Governmental Accounting Standards Board requires. We have applied certain limited procedures, consisting principally of inquiries of management regarding the methods of measuring and presenting the required supplementary information. However, we did not audit the information and express no opinion on it.

MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE FISCAL YEAR ENDED JUNE 30, 2006 UNAUDITED

The discussion and analysis of Englewood Peace Academy's (the Academy) financial performance provides an overall view of the Academy's financial activities for the fiscal year ended June 30, 2006. The intent of this discussion and analysis is to look at the Academy's financial performance as a whole; readers should also review the notes to the basic financial statements and financial statements to enhance their understanding of the Academy's financial performance.

Financial Highlights

- Total Assets were \$865,566.
- ➤ Total Liabilities were \$172,632.
- ➤ The Change in Net Assets was \$110,766.

Using this Annual Financial Report

This report consists of three parts, the MD&A, the basic financial statements, and notes to those statements. The basic financial statements include a statement of net assets, a statement of revenues, expenses and changes in net assets, and a statement of cash flows.

Reporting the Academy as a Whole

One of the most important questions asked about the Academy is, "As a whole, what is the Academy's financial condition as a result of the year's activities?" The Statement of Net Assets and the Statement of Activities, which appear first in the Academy's financial statements, report information on the Academy as a whole and its activities in a way that helps you answer this question. We prepare these statements to include all assets and liabilities, using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. All of the current year's revenues and expenses are taken into account regardless of when the cash is received or paid.

These two statements report the Academy's net assets – the difference between assets and liabilities, as reported in the statement of net assets – as one way to measure the Academy's financial health or financial position. Over time, increases or decreases in the Academy's net assets – as reported in the Statement of Net Assets – are indicators of whether its financial health is improving or deteriorating. The relationship between revenues and expenses is the Academy's operating results. However, the Academy's goal is to provide services to our students, not to generate profits as commercial entities do. One must consider many other non-financial factors, such as the quality of the education provided and the safety of the Academy, to assess the overall health of the Academy.

The Statement of Net Assets and the Statement of Activities report the activities for the Academy, which encompass all the Academy's services, including instruction, support services, community services, and food services. Unrestricted state aid and state and federal grants finance most of these activities.

MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE FISCAL YEAR ENDED JUNE 30, 2006 UNAUDITED (Continued)

Table 1 provides a summary of the Academy's net assets for 2006 compared to 2005:

Table 1 Statement of Net Assets

Total assets increased by \$87,470, which represents an 11.2 percent increase from fiscal year 2005. Cash and cash equivalents increased by \$79,128 and total receivables increased by \$7,136. This increase in cash and cash equivalents is consistent with the prior year. Total liabilities decreased by \$23,296, which represents an 11.89 decrease from fiscal year 2005. This decrease was mainly due to the reduction in the SERS surcharge liability, which is reflected as an intergovernmental payable. The Academy's net assets increased by \$110,766, represents a 19.02 percent increase from fiscal year 2005.

MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE FISCAL YEAR ENDED JUNE 30, 2006 UNAUDITED (Continued)

Table 2 shows the changes in net assets for the year ended 2006. For comparison purposes, data from the June 30, 2005, year-end is reported to the right of the current year's figures.

State Foundation Basic Aid, Poverty-Based Aid, and Special Education, as a whole, are the primary support for the Academy, representing 96.96 percent of the operating revenue. Salaries and Fringe Benefits comprise 69.37 percent of operating expenses.

The Academy had total revenues of \$1,918,754, and total expenses of \$1,807,988. The change in net assets for the year was an increase of \$110,766. This increase indicates the Academy is meeting its obligations as a whole.

MANAGEMENT'S DISCUSSION AND ANALYSIS FOR THE FISCAL YEAR ENDED JUNE 30, 2006 UNAUDITED (Continued)

Capital Assets

At the end of fiscal year 2006, the Academy had \$68,981 (net of \$101,220 in accumulated depreciation) invested in furniture, fixtures and equipment and capital leases. Table 3 shows fiscal year 2006 balances compared to fiscal year 2005:

Capital Lease - Computers	2,900	 5,799
Totals	\$ 68,981	\$ 67,315

Depreciation was smaller than acquisitions this year by \$1,666. The increase in the furniture, fixtures and equipment is a result of Academy purchases in the amount of \$27,546.

For more information on capital assets, see note 5 to the basic financial statements.

Capital Lease

At June 30, 2006 the Academy had \$3,089 in capital leases payable, which is reported as a noncurrent liability due within one year. Table 4 shows fiscal year 2006 balances compared to fiscal year 2005:

For more information on the capital leases, see Note 10 to the basic financial statements.

Current Financial Issues

The Academy's financial relationship with the Lucas County Educational Service Center aids in the raising of the quality of financial records and strengthens internal controls. During the 2005-2006 school year, there were approximately 202 students enrolled in the Academy. The Academy receives its finances mostly from state aid. Per pupil aid for fiscal year 2006 amounted to \$5,283 per student.

Contacting the Academy's Financial Management

This financial report is designed to provide our citizen's with a general overview of the Academy's finances and to show the Academy's accountability for the money it receives. If you have questions about this report or need additional information contact Mr. Mark Sholl of Englewood Peace Academy, 1120 Horace Street, Toledo, Ohio 43606 or e-mail at epa_ms@nwoca.org.

NOTES TO THE BASIC FINANCIAL STATEMENTS JUNE 30, 2006

1. DESCRIPTION OF THE ACADEMY AND REPORTING ENTITY

Englewood Peace Academy (the Academy) is a nonprofit corporation established pursuant to Ohio Revised Code Chapters 3314 and 1702. The Academy is an approved tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code. Management is not aware of any course of action or series of events that have occurred that might adversely affect the Academy's tax-exempt status. The Academy's objective is to provide quality education marked by strong values, high academic standards, and consistent discipline. Respect for self and others, honesty, friendliness, cultural pride, and collaboration describe the spirit of Englewood Peace Academy. The Academy, which is part of the State's education program, is independent of any school district and is nonsectarian in its programs, admission policies, employment practices, and all other operations. The Academy may acquire facilities as needed and contract for any services necessary for the operation of the Academy.

The Academy was approved for operation under a contract with the Lucas County Educational Service Center (the Sponsor) for a period of five years, commencing July 2002. The Sponsor is responsible for evaluating the performance of the Academy and has the authority to deny renewal of the contract at its expiration or terminate the contract prior to its expiration. The sponsorship agreement states the Treasurer of Lucas County Educational Service Center shall serve as the Chief Financial Officer of the Academy (see Note 11).

The Academy operates under the direction of a ten-member Governing Board. The Governing Board is responsible for carrying out the provisions of the contract, which include but are not limited to, state-mandated provisions regarding student population, curriculum, academic goals, performance standards, admission standards, and qualifications of teachers. The Governing Board controls the Academy's one instructional/support facility staffed by 23 non-certified and 20 certificated full time teaching personnel who provide services to 202 students.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Academy have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to a governmental nonprofit organization. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The Academy also applies Financial Accounting Standards Board (FASB) statements and interpretations issued on or before November 30, 1989, to its proprietary activities, provided they do not conflict with or contradict GASB pronouncements. Following are the more significant of the Academy's accounting policies.

A. Basis of Presentation

The Academy's basic financial statements consist of a statement of net assets, a statement of revenues, expenses, and changes in net assets, and a statement of cash flows. The Academy's uses enterprise accounting to track and report on its financial activities. Enterprise fund reporting focuses on the determination of the change in net assets, financial position, and cash flows.

NOTES TO THE BASIC FINANCIAL STATEMENTS JUNE 30, 2006 (Continued)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued)

B. Measurement Focus

Enterprise accounting uses a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities are included on the statements of net assets. The statement of changes in net assets presents increases (i.e., revenues) and decreases (i.e., expenses) in net total assets. The statement of cash flow reflects how the Academy finances and meets its cash flow needs.

C. Basis of Accounting

Basis of accounting determines when transactions are recorded in the financial records and reported on the financial statements. The Academy's financial statements are prepared using the accrual basis of accounting.

Revenues resulting from exchange transactions, in which each party gives and receives essentially equal value, is recorded when the exchange takes place.

Revenues resulting from non-exchange transactions, in which the Academy receives value without directly giving equal value in return, such as grants and entitlements, are recognized in the fiscal year in which all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the year when the resources are required to be used or the fiscal year when use is first permitted; matching requirements, in which the Academy must provide local resources to be used for a specified purpose; and expenditure requirements, in which the resources are provided to Academy on reimbursement basis.

Expenses are recognized at the time they are incurred.

D. Budgetary Process

The contract between the Academy and its Sponsor prescribes an annual budget requirement in addition to preparing a 5-year forecast, which is to be updated on an annual basis. Chapter 5705.391(A) of the Ohio Revised Code also requires the Academy to prepare a 5-year forecast, update it annually, and submit it to the Superintendent of Public Instruction at the Ohio Department of Education.

E. Cash and Investments

All monies received by the Academy are accounted for by the Academy's fiscal agent, the Lucas County Educational Service Center. All cash received by the fiscal agent is maintained in separate accounts in the Academy's name. Monies for the Academy are maintained in these accounts or temporarily used to purchase short-term investments.

For the purposes of the statement of cash flows and for presentation on the statement of net assets, investments with original maturities of three months or less, at the time they are purchased by the Academy, are considered to be cash equivalents.

NOTES TO THE BASIC FINANCIAL STATEMENTS JUNE 30, 2006 (Continued)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued)

During fiscal year 2006, investments were limited to STAR Ohio. STAR Ohio is an investment pool, managed by the State Treasurer's Office, which allows governments within the State to pool their funds for investment purposes. STAR Ohio is not registered with the SEC as an investment company, but does operate in a manner consistent with Rule 2a7 of the Investment Company Act of 1940. Investments in STAR Ohio are valued at STAR Ohio's share price, which is the price the investment could be sold for on June 30, 2006.

F. Capital Assets

Capital assets are capitalized at cost and updated for additions and retirements during the year. Donated capital assets are recorded at their fair market values as of the date received. The Academy maintains a capitalization threshold of \$500. The Academy does not possess any infrastructure. Improvements are capitalized. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend an asset's life are not.

All reported capital assets are depreciated. Improvements are depreciated over the remaining useful lives of the related capital assets. Depreciation is computed using the straight-line method over the following useful lives:

<u>Description</u>	Estimated Lives
Furniture and Equipment	5
Capital Lease - Computers	3

G. Intergovernmental Revenue

The Academy currently participates in the Foundation Basic Aid Program, the State Poverty-Based Aid Program, and the Special Education Program. Revenues received from these programs are recognized as operating revenues (foundation payments) in the accounting period in which they are earned and become measurable.

Grants and entitlements are recognized as non-operating revenues in the accounting period in which all eligibility requirements have been met.

Eligibility requirements include timing requirements, which specify the year when the resources are required to be used or the fiscal year when use is first permitted, matching requirements, in which the Academy must provide local resources to be used for a specified purpose, and expenditure requirements, in which the resources are provided to the Academy on a reimbursement basis.

H. Prepaid Items

Prepayments represent cash disbursements, which have occurred and are therefore not current expendable resources. These items are reported as fund assets on the Statement of Net Assets, using the allocation method, which amortizes their cost over the periods benefiting from the advance payment.

NOTES TO THE BASIC FINANCIAL STATEMENTS JUNE 30, 2006 (Continued)

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – (Continued)

I. Inventory

Inventory is stated at the lower of cost or market, and cost is determined on a first-in/first-out (FIFO) basis. Inventory consists of donated and purchased food and is expensed when used.

J. Net Assets

Net assets represent the difference between assets and liabilities. Invested in Capital Assets consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any borrowings used for the acquisition, construction, or improvement of those assets.

Net assets are reported as restricted when there are limitations imposed on their use either through the enabling legislation adopted by the Academy or through external restrictions imposed by creditors, grantors or regulations of other governments. The Academy applies restricted resources when an expense is incurred for purposes for which both restricted and unrestricted net assets are available.

K. Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

L. Operating Revenues and Expenses

Operating revenues are those revenues that are generated directly from the primary activities. For the Academy, these revenues are primarily foundation and special education payments from the State. Operating expenses are necessary costs incurred to provide the good or service that are the primary activity of the Academy. Revenues and expenses not meeting this definition are reported as non-operating.

3. DEPOSITS AND INVESTMENTS

Deposits

Custodial credit risk is the risk that in the event of bank failure, the Academy will not be able to recover deposits or collateral securities that are in the possession of an outside party. At fiscal year ended June 30, 2006, \$225,738 of the Academy's bank balances of \$350,738 was exposed to custodial credit risk because those deposits were uninsured and collateralized with securities held by the pledging financial institution's trust department or agent, but not in the Academy's name.

NOTES TO THE BASIC FINANCIAL STATEMENTS JUNE 30, 2006 (Continued)

3. DEPOSITS AND INVESTMENTS – (Continued)

The Academy had no deposit policy for custodial risk beyond the requirements of State statute. Ohio law requires that deposits be either insured or be protected by eligible securities pledged to and deposited either with the Academy or a qualified trustee by the financial institution as security for repayment, or by a collateral pool of eligible securities deposited with a qualified trustee and pledged to secure the repayment of all public monies deposited in the financial institution whose market value at all times shall be at least one hundred five percent of the deposits being secure

Investments

The Academy's investments total \$376,305 (fair value), which is maintained in a STAR Ohio account. At June 30, 2006, STAR Ohio received the Standard & Poor's highest credit rating of AAAm.

4. RECEIVABLES

Receivables at June 30, 2006, consisted of accounts and intergovernmental receivables arising from grants and entitlements. All receivables are considered collectable in full due to the stable condition of State programs, and the current year guarantee of federal funds. A summary of the principal items of receivables follows:

Intergovernmental Receivables	Amount

6. RISK MANAGEMENT

A. Insurance Coverage

The Academy is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. For the fiscal year ended 2006, the Academy contracted with the Cincinnati Insurance Company and the Federal Insurance Company with the following insurance coverage:

General Liability:	
Each Occurrence	\$ 1,000,000
Aggregate Limit	2,000,000
Products-Completed Operations Aggregate Limit	2,000,000

Settled claims have not exceeded this commercial coverage in any of the past three years. The Academy owns no property, but leases a facility located at 1120 Horace Street, Toledo, Ohio. (See Note 9)

B. Workers' Compensation

The Academy pays the State Worker's Compensation System a premium for employee injury coverage. The premium is calculated by multiplying the monthly total gross payroll by a factor that is calculated by the State.

C. Employee Benefits

The Academy has contracted through the Lucas County Educational Service Center with an independent contractor to provide medical, dental, and vision insurance to its full-time employees.

7. DEFINED BENEFIT PENSION PLANS

A. School Employees Retirement System

The Academy contributes to the School Employees Retirement System of Ohio (SERS), a cost sharing multiple employer defined benefit pension plan administered by the School Employees Retirement Board. SERS provides retirement and disability benefits, annual cost-of-living adjustments, and death benefits to members and beneficiaries. Authority to establish and amend benefits is provided by Chapter 3309 of the Ohio Revised Code. SERS issues a publicly available financial report that includes financial statements and required supplementary information. The report may be obtained by contacting the School Employees Retirement System, 300 East Broad Street, Suite 100, Columbus, Ohio 43215-3746, by calling toll free 1-800-878-5853 or by visiting the SERS Ohio Web site at www.ohsers.org.

7. DEFINED BENEFIT PENSION PLANS – (Continued)

For the fiscal year ended June 30, 2006, plan members were required to contribute 10 percent of their annual covered salary and the Academy was required to contribute an actuarially determined rate. The employer rate for fiscal year 2006 was 14 percent of annual covered payroll; 10.58 percent was the portion used to fund pension obligations. The contribution requirements of plan members and employers are established and may be amended, up to statutory maximum amounts, by the SERS Retirement Board. The Academy's required contribution for pension obligations to SERS for the fiscal years ending June 30, 2006, 2005, and 2004 were \$37,158, \$40,218, and \$27,083 respectively; 91 percent has been contributed for 2006, and 100 percent has been contributed for fiscal years 2005 and 2004. \$3,231 represents the unpaid contribution for fiscal year 2006. The balance outstanding is reflected as an intergovernmental payable.

B. State Teachers Retirement Systems (STRS)

The Academy contributes to the State Teachers Retirement System of Ohio (STRS Ohio), a cost sharing multiple employer public employee retirement system. STRS Ohio is a statewide retirement plan for licensed teachers and other agency controlled, managed and supported, in whole or in part, by the state or any political subdivision thereof.

Plan Options – New members have a choice of three retirement plan options. In addition to the Defined Benefit (DB) Plan, new members are offered a Defined Contribution (DC) Plan and a Combined Plan. The DC Plan allows members to allocate all their member contributions and employer contributions equal to 10.5% of earned compensation. The Combined Plan offers features of the DC Plan and the DB. In the Combined Plan, the member contributions are allocated by the member, and employer contributions are used to fund a defined benefit payment at a reduced level from regular DB Plan. Contributions into the DC Plan and the Combined Plan are credited to member accounts as employers submit their payroll information to STRS Ohio, generally on a biweekly basis. DC and Combined Plan members will transfer the Defined Benefit Plan during their fifth year of membership unless they permanently select the DC or Combined Plan.

DB Plan Benefits – Plan benefits are established under Chapter 3307 of the Revised Code. Any member may retire who has (i) five years of service credit and attained age 60; (ii) 25 years of service credit and attained age 55; or (iii) 30 years of service credit regardless of age. The annual retirement allowance, payable for life, is the greater of the "formula benefit" or the "money-purchase benefit" calculation. Under the "formula benefit," the retirement allowance is based on years of credited service and final average salary, which is the average of the member's three highest salary years. The annual allowance is calculated by using a base percentage of 2.2% multiplied by the total number of years of service credit (including Ohio-valued purchased credit) times the final average salary. The 31st year of earned Ohio service credit is calculated at 2.5%. An additional one-tenth of a percent is added to the calculation for every year of earned Ohio service over 31 years (2.6% for 32 years, 2.7% for 33 years and so on) until 100% of final average salary is reached. For members with 35 or more years of Ohio contributing service, the first 30 years will be calculated at 2.5% instead of 2.2%. Under the "money-purchase benefit" calculation, a member's lifetime contributions plus interest at specified rates are matched by an equal amount from other STRS Ohio funds. This total is then divided by an actuarially determined annuity factor to determine the maximum annual retirement allowance.

7. DEFINED BENEFIT PENSION PLANS – (Continued)

DC Plan Benefits – Benefits are established under Sections 3307.80 to 3307.89 of the Revised Code. For members who select the DC Plan, all member contributions and employer contributions at a rate of 10.5% are placed in an investment account. The member determines how to allocate the member and employer money among various investment choices. A member is eligible to receive a retirement benefit at age 50 and termination of employment. The member may elect to receive a lifetime monthly annuity or a lump-sum withdrawal. Employer contributions into members' accounts are vested after the first anniversary of the first day of paid service. Members in the DC Plan who become disabled are entitled only to their account balance. If a member dies before retirement benefits begin, the member's designated beneficiary is entitled to receive the member's account balance.

Combined Plan Benefits – The member allocates Member contributions, and employer contributions are used to fund a defined benefit payment. A member's defined benefit is determined by multiplying 1% of the member's final average salary by the member's years of service credit. The defined benefit portion of the Combined Plan payment is payable to a member on or after age 60. The defined contribution portion of the account may be taken as a lump sum or converted to a lifetime monthly annuity at age 50.

Eligible faculty of Ohio' public colleges and universities may choose to enroll in either STRS Ohio or an alternative retirement plan (ARP) offer by their employer. Employees have 120 days from their employment date to select a retirement plan.

A retiree of STRS Ohio or another Ohio public retirement system is eligible for reemployment as a teacher following the elapse of two months from the date of retirement. Contributions are made by the reemployed member and employer during the reemployment. Upon termination of reemployment or age 65, whichever comes later, the retiree is eligible for a money-purchase benefit or a lump-sum payment in addition to the original retirement allowance.

Benefits are increased annually by 3% of the original base amount for Defined Benefit Plan participants.

The Defined Benefit and Combined Plans offer access to health care coverage to eligible retirees who participated in the plans and their eligible dependent. Coverage under the current program includes hospitalization, physicians' fees, prescription drugs and partial reimbursement of monthly Medicare Part B premiums. By Ohio Law health care benefits are not guaranteed.

A Defined Benefit or Combined Plan member with five or more years' credited service who becomes disabled may qualify for a disability benefit. Eligible spouses and dependents of these active members who die before retirement may qualify for survivor benefits. A death benefit of \$1,000 is payable to the beneficiary of each deceased retired member who participated in the Defined Benefit Plan. Death benefit coverage up to \$2,000 can be purchased by participants in the DB, DC, or Combined Plans. Various other benefits are available to members' beneficiaries.

7. DEFINED BENEFIT PENSION PLANS – (Continued)

Chapter 3307 of the Revised Code provides statutory authority for member and employer contributions. Contributions rate are established by the State Teachers Retirement Board, upon recommendations of its consulting actuary, not to exceed statutory maximum rates of 10% for members and 14% for employers.

For the fiscal year ended June 30, 2006, plan members were required to contribute 10 percent of their annual covered salaries. The Academy was required to contribute 14 percent; 13 percent was the portion used to fund pension obligations. The Academy's required contribution for pension obligations for the fiscal years ended June 30, 2006, 2005, and 2004 were \$80,465, \$66,970, and \$74,466, respectively; 77 percent has been contributed for fiscal year 2006 and 100 percent has been contributed for fiscal years 2005 and 2004. \$18,327 represents the unpaid contribution for fiscal year 2006. The balance outstanding is reflected as an intergovernmental payable.

STRS Ohio issues a stand-alone financial report. Copies of STRS Ohio 2007 Comprehensive Annual Financial Report will be available after January 1, 2007. Additional information or copies of STRS Ohio's 2006 Comprehensive Annual Financial Report can be requested by writing to STRS Ohio, 275 E. Board St., Columbus, Ohio 43215-3771, by calling toll free 1-888-227-7877, or by visiting the STRS Ohio Web site at www.strsoh.org.

8. POSTEMPLOYMENT BENEFITS

A. School Employees Retirement System

The Ohio Revised Code gives SERS the discretionary authority to provide postretirement health care to retirees and their dependents. Coverage is made is made available to service retirees with ten or more years of qualifying service credit, disability and survivor benefit recipients. Effective January 1, 2005, all retirees and beneficiaries are required to pay a portion of their health care premium. The portion is based on years of service, Medicare eligibility and retirement status. A safety net is in place for retirees whose household income falls below federal poverty levels. Premiums are reduced by 50% for those who apply.

After the allocation for basic benefits, the remainder of the employer's 14% contribution is allocated to providing health care benefits. At June 30, 2006, the healthcare allocation is 3.42 percent. In addition, SERS levies a surcharge to fund health care benefits equal to 14 percent of the difference between a minimum pay and the member's pay, pro-rated for partial service credit. For fiscal year 2006, the minimum pay was established at \$35,800. The surcharge, added to the unallocated portion of the 14 percent employer contribution rate, provides for maintenance of the asset target level for the health care fund.

NOTES TO THE BASIC FINANCIAL STATEMENTS JUNE 30, 2006 (Continued)

8. POSTEMPLOYMENT BENEFITS – (Continued)

Health care benefits are financed on a pay-as-you-go basis. Net health care costs for the year ending June 30, 2006, were \$158,751,207. The target level for the health care fund is 150% of the projected claims less premium contributions for the next fiscal year. As of June 30, 2006, the value of the health care fund was \$295.6 million, which is about 221% of next year's projected net health care costs. On the basis of actuarial projections, the allocated contributions will be insufficient, in the long term, to provide for a health care reserve equal to at least 150% of estimated annual net claim costs. The number of recipients currently receiving health care benefits is approximately 59,492.

The Retirement Board allocates employer contributions to the Health Care Stabilization Fund from which health care benefits are paid. For fiscal year June 30, 2006, the Board allocated employer contributions equal to 3.42 percent of covered payroll and adding the surcharge due to the Health Care Reserve Fund. For the Academy, the amount to fund health care benefits, including surcharge, equaled \$18,955 for the fiscal year ended June 30, 2006.

B. State Teachers Retirement System

STRS Ohio provides access to health care coverage to retirees who participated in the Defined Benefit or Combined Plans and their dependents. Coverage under the current plan includes hospitalization, physicians' fees prescription drugs and partial reimbursement of monthly Medicare Part B premiums. Pursuant to the Revised Code (R.C.) the State Teachers Retirement Board (the Board) has discretionary authority over how much, if any, of the associated health care costs will be absorbed by STRS Ohio. All benefit recipients pay a portion of the health care cost in the form of a monthly premium.

The R.C. grants authority to STRS Ohio to provide health care coverage to eligible benefit recipients, spouses and dependents. By Ohio Law, health care benefits are not guaranteed and the cost of the coverage paid from STRS Ohio funds shall be included in the employer contribution rate, currently 14% of covered payroll.

The Retirement Board allocates employer contributions to the Health Care Stabilization Fund from which health care benefits are paid. For fiscal year June 30, 2006, the Board allocated employer contributions equal to 1 percent of covered payroll to the Health Care Reserve Fund. The balance in the Health Care Stabilization Fund was \$3.5 billion as of June 30, 2006. For the Academy, this amount equaled \$6,190 for the fiscal year ended June 30, 2006.

For the fiscal year ended June 30, 2006 net health care costs paid by STRS Ohio were \$282,743,000. There were 119,184 eligible benefit recipients.

9. OPERATING LEASES

The Academy entered into an operating lease agreement on July 1, 2005 with St. Martin DePorres Parish, which terminates June 30, 2006, for the Academy's facility. This agreement is, in substance, a facility rental agreement, and the facility lease payments for the year totaled \$133,200. The lease has been renewed for fiscal year 2007 with monthly rent payments of \$11,100.

NOTES TO THE BASIC FINANCIAL STATEMENTS JUNE 30, 2006 (Continued)

10. CAPITALIZED LEASE - LESSEE DISCLOSURE

The Academy entered into a capital lease in September 2004 for computer equipment and accessories. The lease meets the criteria of a capital lease as defined by Statement of Financial Accounting Standards No. 13, "Accounting for Leases," which defines a capital lease generally as one which transfers benefits and risks of ownership to the lessee. The capital lease was recorded at the present value of the future minimum lease payments as of the inception date. Payments made during the fiscal year 2006 totaled \$8,070.

The following is a schedule of the future minimum lease payments required under the capital lease and the present value of the minimum lease payments as of June 30, 2006.

Fiscal Year Ending June 30,	Principal		Int	Interest		
2007	\$	3,089	\$	127		
	\$	3,089	\$	127		

11. FISCAL AGENT

The Academy entered into a service agreement as part of its Sponsorship contract with the Treasurer of the Lucas County Educational Service Center to serve as the Chief Fiscal Officer of the Academy. As part of this agreement, the Academy shall compensate the Lucas County Educational Service Center two percent (2%) of the per pupil allotment paid to the Academy from the State of Ohio. A total contract payment of \$31,200 was paid during the fiscal year, and a liability in the amount of \$3,654 was accrued as a liability for the fiscal year ended June 30, 2006.

The Treasurer shall perform all of the following functions while serving as the Chief Fiscal Officer of the Academy:

- Maintain custody of all funds received by the Academy in segregated accounts separate from the Sponsor or any other Community School's funds;
- Maintain all books and accounts of the Academy;
- Maintain all financial records of the Academy and follow procedures for receiving and expending state funds, which procedures shall include that the Treasurer shall disburse money only upon receipt of a voucher signed by the Chief Administrative Officer of the Academy or that Officer's designee;
- Assist the Academy in meeting all financial reporting requirements established by the Auditor of Ohio;
- Invest funds of the Academy in the same manner as the funds of the Sponsor are invested, but the Treasurer shall not commingle the funds with any of the Sponsor or any other community school; and
- Pay obligations incurred by the Academy within a reasonable amount of time, not more than 14 calendar days after receipt of a properly executed voucher signed by the Chief Administrative Officer of the Academy so long as the proposed expenditure is within the approved budget and funds are available.

NOTES TO THE BASIC FINANCIAL STATEMENTS JUNE 30, 2006 (Continued)

12. PURCHASED SERVICES

For the year ended June 30, 2006, purchased service expenses were payments for services rendered by various vendors, as follows:

Professional and Technical Services	\$ 130,870
Property Services	136,259
Travel Mileage/Meeting Expense	23,214
Communications	4,980
Utilities	70,120
Contracted Craft or Trade Service	1,645
Total Purchased Services	\$ 367,088

13. CONTINGENCIES

A. Grants

The Academy received financial assistance from Federal and State agencies in the form of grants. The disbursements of funds received under these programs generally require compliance with terms and conditions specified in the grant agreements and are subject to audit by the grantor agencies. Any disallowed claims resulting from such audits could become a liability of the Academy. However, in the opinion of management, any such disallowed claims will not have a material adverse effect on the overall financial position of the Academy at June 30, 2006.

B. School Funding

The Ohio Department of Education reviews enrollment data and full-time equivalency (FTE) calculations made by the schools. These reviews ensure the schools are reporting accurate student enrollment data to the State, upon which state foundation funding is calculated. For fiscal year 2006, this review resulted in an overpayment of \$9,400. This amount has been accrued on the financial statements as an intergovernmental payable. This amount will be deducted from the Academy's 2007 monthly foundation payments.

C. Litigation

A suit was filed in the US District Court, Southern District of Ohio, Western Division on October 6, 2004, which challenges the funding of charter schools under the Equal Protection, Due Process and claims violation of a right to vote on the bodies administering public schools. The case is still pending. The effect of this suit, if any, on the Academy is not presently determinable.

INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Englewood Peace Academy Lucas County 1120 Horace Street Toledo, Ohio 43606-4737

To the Governing Board:

We have audited the financial statements of Englewood Peace Academy, Lucas County, Ohio (the Academy) as of and for the year ended June 30, 2006, and have issued our report thereon dated June 11, 2007. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Academy's internal control over financial reporting to determine our auditing procedures to express our opinion on the financial statements and not to opine on the internal control over financial reporting. Our consideration of the internal control would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts material to the financial statements we audited may occur and not be timely detected by employees when performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider material weaknesses. In a separate letter to the Academy's management dated June 11, 2007, we reported a matter involving internal control over financial reporting we did not deem a reportable condition.

Compliance and Other Matters

As part of reasonably assuring whether the Academy's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.
