Independent Auditors' Report

We have audited the accompanying statement of cash receipts and disbursements of the Lawrence County Convention and Visitors' Bureau, Lawrence County, Ohio (the Bureau), as of and for the year ended December 31, 2006. These financial statements are the responsibility of the Bureau's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described more fully in Note 1, the Bureau has prepared these financial statements on the cash receipts and disbursements basis of accounting which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the cash balance of the Bureau as of December 31, 2006, and the cash receipts and disbursements for the year then ended, on the basis of accounting described in Note 1.

In accordance with *Government Auditing Standards*, we have also issued our report dated July 16, 2007 on our consideration of the Bureau's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in conjunction with this report in considering the results of our audit.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2006

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. DESCRIPTION OF THE ENTITY

The Lawrence County Convention and Visitors' Bureau (the Bureau) is operated under the jurisdiction of the Lawrence Economic Development Corporation and is funded primarily by Lawrence County from lodging taxes assessed and collected by the County and distributed to the Bureau. These taxes are collected from hotels and motels within Lawrence County and are required to be used to promote tourism and travel in Lawrence County.

The Bureau's management believes these financial statements present all activities for which the Bureau is financially accountable.

B. BASIS OF ACCOUNTING

The Organization's Statement of Cash Receipts and Disbursements and Cash Balances were prepared on the cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The cash basis of accounting records cash receipts and cash disbursements. Cash receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Accordingly, the accompanying Statements of Cash Receipts and Disbursements and Cash Balances is not intended to present the financial position and results of operations in conformity with accounting principles generally accepted in the United States of America.

C. PROPERTY, PLANT & EQUIPMENT

Acquisitions of property, plant and equipment are recorded as disbursements when paid. New items are not reflected as assets on the accompanying financial statements.

D. FEDERAL INCOME TAXES

The Bureau is under the jurisdiction of the Lawrence Economic Development Corporation (the Corporation) in which the Corporation was awarded the federal nonprofit tax exemption under Section 501(C)(3) of the Internal Revenue Code. Accordingly, no provision for federal income tax is required.

E. BUDGETARY PROCESS

The Bureau is not subject to the provisions of Section 5705 of the Revised Code as property tax revenues are not utilized to finance its operations. However, under the Bureau's policy, the Director provides the Board with an annual budget that is used as a guideline to control the disbursements of the Bureau.

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With *Government Auditing Standards*

Board of Directors
Lawrence County Convention and Visitors' Bureau
216 Collins Avenue
South Point, Ohio 45680

We have audited the financial statements of the cash receipts and disbursements of the Lawrence County Convention and Visitors Bureau (the Bureau), as of and for the year ended December 31, 2006, and have issued our report thereon dated July 16, 2007. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Bureau's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Bureau's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Bureau's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Bureau's ability to initiate, authorize, record, process, or report financial data reliably in accordance with the accounting basis described in Note 1 such that there is more than a remote likelihood that a misstatement of the Bureau's financial statements that is more than inconsequential will not be prevented or detected by the Bureau's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will be presented or detected by the Bureau's internal control.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Bureau's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statements amounts. However, providing an opinion on compliance with those provisions was not an objective of our audits, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Audit Standards*.

This report is intended solely for the information and use of management and the Board of Directors, and is not intended to be and should not be used by anyone other than these specified parties.
