RICHLAND COUNTY, OHIO

AUDIT REPORT

For the Year Ended December 31, 2007

Charles E. Harris and Associates, Inc.
Certified Public Accountants and Government Consultants

Mary Taylor, CPA

Auditor of State

Board of Health
Mansfield-Ontario-Richland County Board of Health
555 Lexington Avenue
Mansfield, Ohio 44907

We have reviewed the *Report of Independent Accountants* of the Mansfield-Ontario-Richland County Board of Health, prepared by Charles E. Harris & Associates, Inc., for the audit period January 1, 2007 through December 31, 2007. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

The financial statements in the attached report are presented in accordance with a regulatory basis of accounting prescribed or permitted by the Auditor of State. Due to a February 2, 2005 interpretation from the American Institute of Certified Public Accountants (AICPA), modifications were required to the *Report of Independent Accountants* on your financial statements. While the Auditor of State does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. The attached report includes an opinion relating to GAAP presentation and measurement requirements, but does not imply the statements are misstated under the non-GAAP regulatory basis. The *Report of Independent Accountants* also includes an opinion on the financial statements using the regulatory format the Auditor of State permits.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Mansfield-Ontario-Richland County Board of Health is responsible for compliance with these laws and regulations.

REPORT OF INDEPENDENT ACCOUNTANTS

Mansfield-Ontario-Richland County Board of Health
Richland County
555 Lexington Avenue
Mansfield, Ohio 44907

To the Board of Health:

We have audited the accompanying financial statements of the Mansfield-Ontario-Richland County Board of Health, Richland County (the Board of Health), as of and for the year ended December 31, 2007. These financial statements are the responsibility of the Board of Health's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the Board of Health has prepared these financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America. Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and accounting principles generally accepted in the United States of America, we presume they are material.

Revisions to GAAP would require the Board of Health to reformat its financial statement presentation and make other changes effective for the year ended December 31, 2007. Instead of the combined funds the accompanying financial statements present for 2007, the revision requires presenting entity wide statements and also to present larger (i.e. major) funds separately for 2007. While the Board of Health does not follow GAAP, generally accepted auditing standards require us to include the following paragraph if the statements do not substantially conform to the new GAAP presentation requirements. The Auditor of State permits, but does not require governments to reformat their statements. The Board of Health has elected not to reformat its statements. Since the Board of Health does not use GAAP to measure its financial statement amounts, the following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statements referred to above do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Board of Health as of December 31, 2007, or its changes in financial position for the year then ended.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances and reserves for encumbrances of the Mansfield-Ontario-Richland County Board of Health, Richland County, Ohio, as of December 31, 2007 and its combined cash receipts and disbursements for the year then ended on the basis of accounting described in Note 1.

The aforementioned revision to generally accepted accounting principles also requires the Board of Health to include Management's Discussion and Analysis for the year ended December 31, 2007. The Board of Health has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of the financial statements.

In accordance with *Government Auditing Standards*, we have also issued our report dated May 1, 2008, on our consideration of the Board of Health's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our testing of internal controls over financial reporting and compliance and the results of testing. It does not opine on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Governmental Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Mansfield-Ontario-Richland County Board of Health's financial statements. The accompanying schedule of federal awards expenditures is presented for the purposes of additional analysis as required by *U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the financial statements. Such information as been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly stated in all material respects, in relation to the financial statements taken as a whole.

**MANSFIELD-ONTARIO-RICHLAND COUNTY BOARD OF HEALTH
RICHLAND COUNTY, OHIO**

**Notes To The Financial Statements
For the Year Ended December 31, 2007**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. DESCRIPTION OF THE ENTITY

The Mansfield-Ontario-Richland County Board of Health, Mansfield-Ontario-Richland County, Ohio, (the Board of Health) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Board of Health is directed by a 13 member Board and a 29 member Board of Health advisory board. The County Auditor and County Treasurer are responsible for the fiscal control of the resources of the Board of Health, which are maintained in the fund described below. The Board provides medical assistance and public health safety. Also, Women, Infants and Children's Program (WIC) (with its own director and advisory board) are under the auspices of the Board of Health.

The Board of Health's management believes these financial statements present all activities for which the Health Board of Health is financially accountable.

B. BASIS OF ACCOUNTING

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e. when an encumbrance is approved.)

These statements include adequate disclosure of material matters, as prescribed by the Auditor of State.

C. CASH

As required by Ohio Revised Code, the County Treasurer is the custodian for the Board of Health's cash. The Board of Health's assets are held in the County's cash and investment pool, and are valued at the County Treasurer's carrying amount.

D. FUND ACCOUNTING

The Board of Health uses fund accounting to segregate cash and investments that are restricted as to use. The Health Board of Health classifies its funds into the following types:

1. General Fund

The General Fund is the general operating fund of the Board of Health. It is used to account for all financial resources except those required to be accounted for in another fund.

MANSFIELD-ONTARIO-RICHLAND COUNTY BOARD OF HEALTH
RICHLAND COUNTY, OHIO

Notes To The Financial Statements
For the Year Ended December 31, 2007

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** - (continued)

D. **FUND ACCOUNTING** - (continued)

2. **Special Revenue Funds**

To account for the proceeds of specific revenue sources that are restricted to expenditures for specific purposes. The Board of Health had the following significant Special Revenue Fund:

Women, Infants and Children (WIC) Fund – This is a Federal grant fund used to account for the Special Supplemental Nutrition Program.

E. **BUDGETARY PROCESS**

The Ohio Revised Code requires that each fund be budgeted annually.

1. **Appropriations**

An appropriation measure is adopted by the Board of Health on or before the first Monday of April in each year for the period January 1 to December 31 of the following year. The appropriation measure is submitted to the County Auditor, who in turn, submits it to the County Budget Commission. The appropriation measure controls expenditures of the Board of Health. The Board of Health may, by resolution, transfer funds from one line item to another in the appropriation measure, reduce or increase any item, create new items, and make additional appropriations, subject to availability of funds and to the approval of the County Budget Commission. Richland County combines all the Board of Health's appropriations into one fund.

The Board of Health's legal level of control has been established at the object level.

2. **Estimated Resources**

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered balances as of January 1.

3. **Encumbrances**

The Ohio Revised Code requires the Board of Health to reserve (encumber) appropriations when commitments are made. Encumbrances outstanding at year-end are carried over into the subsequent year.

A summary of 2007 budgetary activity appears in Note 2.

F. **PROPERTY, PLANT AND EQUIPMENT**

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

**MANSFIELD-ONTARIO-RICHLAND COUNTY BOARD OF HEALTH
RICHLAND COUNTY, OHIO**

**Notes To The Financial Statements
For the Year Ended December 31, 2007**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (continued)

G. ACCUMULATED LEAVE

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. Unpaid leave is not reflected as a liability under the Board of Health's basis of accounting.

2. BUDGETARY ACTIVITY

Budgetary activity for the year ending December 31, 2007 is as follows:

2007 Budgeted vs. Actual Receipts			
<u>Fund Type</u>	<u>Budgeted Receipts</u>	<u>Actual Receipts</u>	<u>Variance</u>
General	\$ 2,997,156	\$ 3,545,086	\$ (547,930)
Special Revenue	4,238,208	3,096,530	1,141,678
Total	\$ 7,235,364	\$ 6,641,616	\$ 593,748

2007 Budgeted vs. Actual Budgetary Basis Expenditures			
<u>Fund Type</u>	<u>Appropriation Authority</u>	<u>Budgetary Expenditures</u>	<u>Variance</u>
General	\$ 2,658,662	\$ 2,294,049	\$ 364,613
Special Revenue	4,178,067	3,871,234	306,833
Total	\$ 6,836,729	\$ 6,165,283	\$ 671,446

Richland County recognizes all fund types of the Board of Health as one fund, therefore, transfers were excluded from budgetary receipts and expenditures.

3. PROPERTY TAXES

Real property taxes become a lien on January 1 preceding the October 1 date for which rates are adopted by the Board. The State Board of Tax Equalization adjust these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and reflected in accompanying financial statements as intergovernmental receipts. Payments are due to the County by December 31. If the property owner elects to make semiannual payments, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Board of Health. Tangible personal property is assessed by the property owners, who must file a list of such property to Richland County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Board of Health.

**MANSFIELD-ONTARIO-RICHLAND COUNTY BOARD OF HEALTH
RICHLAND COUNTY, OHIO**

**Notes To The Financial Statements
For the Year Ended December 31, 2007**

4. RETIREMENT SYSTEM

Full-time employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost sharing, multiple-employer plans. This plan provides retirement benefits, including postretirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For 2007, OPERS members contributed 9.5% of their wages. The Board of Health contributed an amount equal to 13.85% of participants' gross salaries in the year. The Board of Health has paid all contributions required through December 31, 2007.

5. RISK POOL MEMBERSHIP

The Board of Health belongs to the Public Entities Pool of Ohio ("PEP"), a risk-sharing pool available to Ohio local governments. PEP provides property and casualty insurance for its members. PEP is a member of the American Public Entity Excess Pool (APEEP). Member governments pay annual contributions to fund PEP. PEP pays judgments, settlements and other expenses resulting from covered claims that exceed the members' deductibles.

Casualty Insurance

PEP retains casualty risks up to \$250,000 per occurrence, including loss adjustment expenses. PEP pays a percentage of its contributions to APEEP. APEEP reinsures claims exceeding \$250,000, up to \$1,750,000 per claim and \$10,000,000 in aggregate per year. Governments can elect additional coverage, from \$2,000,000 to \$12,000,000, from General Reinsurance Corporation.

If losses exhaust PEP's retained earnings, APEEP covers PEP losses up to \$5,000,000 per year, subject to a per-claim limit of \$2,000,000.

Property Insurance

On January 1, 2005, APEEP began administering a risk-sharing property program. Under the new program, St. Paul Travelers will reinsure specific losses in excess of \$250,000 up to \$600,000,000 per occurrence. APEEP will reinsure members for specific losses in excess of \$100,000 up to \$250,000 per occurrence, subject to annual aggregate loss payment. St. Paul Travelers provides aggregate stop-loss coverage based upon the combined Members' Total Insurable Value (TIV). If the stop-loss is reached by payment of losses between \$100,000 and \$250,000, St. Paul Travelers will then reinsure specific losses in excess of \$100,000 up to their \$600,000,000 per occurrence limit.

The aforementioned casualty and property reinsurance agreements do not discharge PEP's primary liability for claims payments on covered losses. Claims exceeding coverage limits are the obligation of the respective government.

**MANSFIELD-ONTARIO-RICHLAND COUNTY BOARD OF HEALTH
RICHLAND COUNTY, OHIO**

**Notes To The Financial Statements
For the Year Ended December 31, 2007**

5. RISK MANAGEMENT - (continued)

Members may withdraw in each anniversary of the date they joined PEP. They must provide written notice to PEP 60 days in advance of their anniversary date. Upon withdrawal, members are eligible for a full or partial refund of their capital contribution, minus subsequent year's premium. Also, upon withdrawal, payments of all property and casualty claims and claims expenses become the sole responsibility of the withdrawing member, regardless of whether a claim was incurred or reported prior to the withdrawal.

Financial Position

PEP's financial statement (audited by other accountants) conform with generally accepted accounting principles, and reported the following assets, liabilities and retained earnings at December 31, 2006 and 2005 (the latest information available):

<u>Casualty Insurance</u>	<u>2006</u>	<u>2005</u>
Assets	\$30,997,868	\$29,719,675
Liabilities	(15,875,741)	(15,994,168)
Retained Earnings	<u>\$15,122,127</u>	<u>\$13,725,507</u>
<u>Property Insurance</u>	<u>2006</u>	<u>2005</u>
Assets	\$5,125,326	\$4,443,332
Liabilities	(863,163)	(1,068,245)
Retained Earnings	<u>\$4,262,163</u>	<u>\$3,375,087</u>

The casualty coverage assets and retained earnings above include approximately \$14.4 million and \$14.3 million of unpaid claims to be billed to approximately 447 member governments in the future, as of December 31, 2006 and 2005, respectively. PEP will collect these amounts in the future annual premium billings when PEP's related liabilities are due for payment.

Settled Claims have not exceeded this commercial coverage in any of the last three years. There have been significant reductions in insurance coverage from last year.

The Board of Health also provides health insurance, dental, and vision coverage to full-time employees through a private carrier.

6. DEBT OBLIGATION

Debt outstanding at December 31, 2007, consisted of the following:

General Obligation Bonds:

Principal Outstanding	\$300,000
Interest Rates	2.5% - 3.5%

Outstanding general obligation bonds consist of bonds related to the Board of Health's new facility. General obligation bonds are direct obligations of both the Mansfield-Ontario-Richland County Board of Health and Richland County for which their full faith, credit and resources are pledged and are payable from taxes levied on all taxable property in County.

**MANSFIELD-ONTARIO-RICHLAND COUNTY BOARD OF HEALTH
RICHLAND COUNTY, OHIO**

**Notes To The Financial Statements
For the Year Ended December 31, 2007**

6. DEBT OBLIGATION - (continued)

During 2007, the Board of Health paid principal and interest of \$41,700 on this debt, while the County paid an additional \$40,000 on behalf of the Board of Health. Richland County is required to pay principal and interest of \$40,000 each year for the life of the bond issue for a total of \$280,000.

The annual requirement to amortize all bonded debt outstanding as of December 31, 2007, including interest payments are as follows:

<u>Year Ending December 31</u>	<u>Total General Obligation Bonds</u>	<u>Board of Health Portion</u>	<u>County Portion</u>
2008	\$79,775	\$39,775	\$40,000
2009	82,675	42,675	40,000
2010	80,425	40,425	40,000
2011	<u>82,800</u>	<u>42,800</u>	<u>40,000</u>
Total	<u>\$325,675</u>	<u>\$165,675</u>	<u>\$160,000</u>

7. EQUITY IN POOLED CASH AND INVESTMENTS

The Richland County Auditor acts as the fiscal agent for the Board of Health. The Richland County Treasurer maintains a cash and investment pool used by all funds held by the County, including those of the Board of Health. The Ohio Revised Code prescribes allowable deposits and investments.

The carrying amount of cash on deposit with the fiscal agent at December 31, 2007 was \$3,125,796.

8. CONTINGENT LIABILITIES

The Board of Health may be a defendant in various lawsuits. Although, the outcome of the lawsuits is not presently determinable, in the opinion of legal counsel, the resolution of these matters will not have a material adverse effect on the financial condition of the Board of Health.

The Board of Health received financial assistance from federal and state agencies in the form of grants. The expenditure of funds received under these programs generally requires compliance with terms and conditions specified in the grant agreements and are subject to audit by the grantor agencies. Any disallowed claims resulting from such audits could become a liability of the general fund or other applicable funds. However, in the opinion of management, any such disallowed claims will not have a material adverse effect on the overall financial position of the Board of Health at December 31, 2007.

**MANSFIELD-ONTARIO-RICHLAND COUNTY BOARD OF HEALTH
RICHLAND COUNTY, OHIO**

**Notes To The Financial Statements
For the Year Ended December 31, 2007**

9. VITAL STATISTICS

On February 1, 2005, Virginia E. Jeffries, former registrar, pleaded guilty to one count of theft in office and seven counts of tampering with records. She was ordered to pay restitution of \$334,000.

As of May 1, 2008, the Board of Health has recovered \$15,000 from Ohio Farmers Insurance Company, \$60,381 from Virginia E. Jeffries' pension plan and \$17,750 from Virginia E. Jeffries. Virginia E. Jeffries is paying \$800 per month in restitution.

Also, the Board of Health has settled a lawsuit against Virginia E. Jeffries' credit union, Empire Affiliates Credit Union, for \$150,000 for accepting Board of Health deposits.

This revenue has been receipted into the Vital Statistics Fund-Special Revenue Fund under the refund line.

10. TRANSFERS

The Board of Health transferred funds received from their levy to various special revenue funds to supplement normal operations.

**MANSFIELD-ONTARIO-RICHLAND COUNTY BOARD OF HEALTH
RICHLAND COUNTY**

**Notes to the Schedule of Federal Award Expenditures
For the Year Ended December 31, 2007**

Note A- Significant Accounting Policies

The accompanying Schedule of Federal Award Expenditures is a summary of the activity of the Board of Health's federal awards programs. The schedule has been prepared on the cash basis of accounting.

Note B- CFDA Number

The Catalog of Federal Domestic Assistance (CFDA) number for Center for Disease and Prevention grant changed from 93.283 to 93.069 for the grant year commencing August 30, 2007.

Note C – Matching Requirement

Certain Federal programs require that the Board of Health contribute non-Federal funds (matching funds) to support the Federally-funded programs. The Board of Health has complied with the matching requirements. The expenditures of non-federal matching funds are not included on the Schedule.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Mansfield-Ontario-Richland County Board of Health
Richland County
555 Lexington Avenue
Mansfield, Ohio 44907

To the Board of Health:

We have audited the financial statements of the Mansfield-Ontario-Richland County Board of Health, Richland County, Ohio (Board of Health), as and for the year ended December 31, 2007, and have issued our report thereon dated May 1, 2008, wherein we noted that the Board of Health followed accounting practices the Auditor of State prescribes rather than accounting principles generally accepted in the United States of America. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Controls Over Financial Reporting

In planning and performing our audit, we considered the Board of Health's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Board of Health's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Board of Health's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Board of Health's ability to initiate, authorize, record, process, or report financial data reliably in accordance with accounting practices prescribed or permitted by the Auditor of State of Ohio such that there is more than a remote likelihood that a misstatement of the Board of Health's financial statements that is more than inconsequential will not be prevented or detected by the Board of Health's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Board of Health's internal control.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Board of Health's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we have reported to management of the Board of Health in a separate letter dated May 1, 2008.

This report is intended for the information and use of management, the Board of Health, the audit committee, federal awarding agencies and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties.

REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO
EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE
IN ACCORDANCE WITH OMB CIRCULAR A-133

Mansfield-Ontario-Richland County Board of Health
Richland County
555 Lexington Avenue
Mansfield, Ohio 44907

To the Board of Health:

Compliance

We have audited the compliance of the Mansfield-Ontario-Richland County Board of Health with the types of compliance requirements described in U.S. Office of Management and Budget (*OMB Circular A-133 Compliance Supplement*) that are applicable to its major federal programs for the year ended December 31, 2007. The Board of Health's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to its major federal programs is the responsibility of the Board of Health's management. Our responsibility is to express an opinion on the Board of Health's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and *OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and *OMB Circular A-133* require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major program occurred. An audit includes examining, on a test basis, evidence about the Board of Health's compliance with those requirements and performing such other procedures, as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Board of Health's compliance with those requirements.

In our opinion, the Board of Health complied, in all material respects, with the requirements referred to above that are applicable to its major federal programs for the year ended December 31, 2007.

Internal Control Over Compliance

The management of the Board of Health is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the Board of Health's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of the Board of Health's internal control over compliance.

A control deficiency in internal control over compliance exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent or detect noncompliance with a federal program compliance requirement on a timely basis. A significant deficiency is a control deficiency, or a combination of control deficiencies, that adversely affects the Board of Health's ability to administer a federal program such that there is more than a remote likelihood that the Board of Health's internal control will not prevent or detect more-than-inconsequential noncompliance with a federal program compliance requirement.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that the Board of Health's internal control will not prevent or detect material noncompliance with a federal program's compliance requirements.

Our consideration of the internal control over compliance was for limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended for the information and use of management, the audit committee, the Board of Health, federal awarding agencies and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties.
