REPORT OF INDEPENDENT ACCOUNTANTS

Community Improvement Corporation of Tuscarawas County Tuscarawas County 330 University Drive N.E. New Philadelphia, Ohio 44663

To the Board of Trustees:

We have audited the financial statements of the Community Improvement Corporation of Tuscarawas County (a nonprofit organization), Tuscarawas County, Ohio as of and for the years ended October 31, 2009 and 2008, as listed in the table of contents. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Community Improvement Corporation of Tuscarawas County, Ohio, as of December 31, 2009 and 2008, and the results of its operations and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued a report dated April 12, 2010, on our consideration of the Community Improvement Corporation of Tuscarawas County's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

Community Improvement Corporation of Tuscarawas County

Notes to the Basic Financial Statements For the Years Ended October 31, 2009 and 2008

Note 1 - Summary of significant accounting policies

Description of the entity

The Community Improvement Corporation of Tuscarawas County (the Organization) was formed to advance, encourage, and promote the industrial, economic, commercial and civic development of Tuscarawas County and grants credit to these companies for products and services.

Basis of accounting

The financial statements of the Organization are prepared using the accrual basis of accounting.

Financial Statement Presentation

The Organization previously adopted Statement of Financial Accounting Standards (SFAS) No.117 "Financial Statements of Not-for Profit Organizations." Under SFAS No.117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Organization is required to present a statement of cash flows. The Organization only had unrestricted net assets at October 31, 2009 and 2008.

Accounts Receivable

The Organization uses the reserve method of accounting for doubtful accounts. The allowance for doubtful accounts is calculated based on prior experience and the age of accounts as of the balance sheet day. The allowance for doubtful accounts was \$0 for years ending October 31, 2009 and 2008.

Property and Equipment

Property and equipment are carried at cost. Depreciation is provided over the estimated useful lives of the related assets. Maintenance and repairs are charged to operations when incurred. Renewals and betterments of a nature considered to materially extend the useful lives of the assets are capitalized. When assets are retired or otherwise disposed of, the assets and related allowance for depreciation are eliminated from the accounts, and any resulting gain or loss is reflected in income. Depreciation for financial reporting purposes is based on the following policies:

DESCRIPTION	USEFUL LIVES	METHOD
Buildings & improvements	10 - 30 years	Straight line
Office equipment	5 years	Straight line

Community Improvement Corporation of Tuscarawas County

Notes to the Basic Financial Statements For the Years Ended October 31, 2009 and 2008

Donations

All donations received are considered to be available for unrestricted use unless specifically restricted by donor.

Tax Status

As a non-profit Organization under Section 501 (c)(6) of the Internal Revenue Code, the Organization is exempt from federal and Ohio income taxes. Therefore, no provision has been made for federal or Ohio income taxes in the accompanying financial statements.

Cash Equivalents

For the purposes of the statements of cash flows, the Organization considers all highly liquid debt instruments purchased with a maturity date of three months or less to be cash equivalents.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Advertising costs

The Organization expenses the production costs of advertizing the first time the advertizing takes place.

Note 2 – Compensated Absences

Employees of the Organization are entitled to paid vacation and paid sick days, depending on job classification, length of service, and other factors. It is impractical to estimate the amount of compensation for future absences, and, accordingly, no liability has been recorded in the accompanying financial statements. The Organization's policy is to recognize the cost of compensated absences when actually paid to employees. Management estimates that this method does not materially impact the financial statements.

Community Improvement Corporation of Tuscarawas County

Notes to the Basic Financial Statements For the Years Ended October 31, 2009 and 2008

Note 3 – Rental Agreements

Income

Rental income for fiscal year 2008 was \$1,496. The Organization divested itself of a rental property at 354 Florence Avenue, Dover, Ohio in November, 2008, with no rental proceeds during fiscal year 2009.

Expense

The Organization leases office space, secretarial services, and equipment from the Tuscarawas County University Branch District, dba Kent State University at Tuscarawas.

Note 4 – Concentration of Credit Risk and Off Balance Sheet Risk

The Organization maintains its programs within Tuscarawas County, Ohio geographical area. The performance of its operational activities are dependent on the performance of participating companies. The results of these companies and the operations of the Organization's projects are dependent on the economic conditions of the local trade area.

Financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of temporary cash investments. The Organization places its temporary cash instruments with local financial institutions. The account at the institutions is insured by the Federal Deposit Insurance Corporation (FDIC). During the year of October 31, 2009 and 2008, the Organization did not have uninsured cash balances.

INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Community Improvement Corporation of Tuscarawas County Tuscarawas County 330 University Drive N.E. New Philadelphia, Ohio 44663

To the Board of Trustees:

We have audited the financial statements of the Community Improvement Corporation of Tuscarawas County, Tuscarawas County Ohio (the Organization) as of and for the years ended October 31, 2009 and 2008, and have issued our report thereon dated April 12, 2010. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Controls Over Financial Reporting

In planning and performing our audit, we considered the Organization's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of opining on the effectiveness of the Organization's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the Organization's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in more than a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented or detected and timely corrected.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider material weaknesses, as defined above.

Compliance and Other Matters

As part of reasonably assuring whether the Organization's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grants agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

We noted matters that we have reported to management of the Organization in a separate letter dated April 12, 2010.

We intend this report solely for the information and use of management, the Board of Trustees and others within the Organization. We intend it for no one other than these specified parties.
