Mary Taylor, CPA
Auditor of State

Green Township
Brown County
17242 Minnick Road
Mt. Orab, Ohio 45154

To the Board of Trustees:

As you are aware, the Auditor of State's Office (AOS) must modify the *Independent Accountants' Report* we provide on your financial statements due to an interpretation from the American Institute of Certified Public Accountants (AICPA). While AOS does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. Our Report includes an adverse opinion relating to GAAP presentation and measurement requirements, but does not imply the amounts the statements present are misstated under the non-GAAP basis you follow. The AOS report also includes an opinion on the financial statements you prepared using the cash basis and financial statement format the AOS permits.

Auditor of State

INDEPENDENT ACCOUNTANTS' REPORT

Green Township
Brown County
17242 Minnick Road
Mt. Orab, Ohio 45154

To the Board of Trustees:

We have audited the accompanying financial statements of Green Township, Brown County, Ohio (the Township), as of and for the years ended December 31, 2008 and 2007. These financial statements are the responsibility of the Township's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. The Township processes its financial transactions with the Auditor of State's Uniform Accounting Network (UAN). *Government Auditing Standards* considers this service to impair the independence of the Auditor of State to audit the Township because the Auditor of State designed, developed, implemented, and as requested, operates UAN. However, *Government Auditing Standards* permits the Auditor of State to audit and opine on this entity, because Ohio Revised Code § 117.101 requires the Auditor of State to provide UAN services, and Ohio Revised Code §§ 117.11(B) and 115.56 mandate the Auditor of State to audit Ohio governments. We believe our audit provides a reasonable basis for our opinion.

As described more fully in Note 1, the Township has prepared these financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and GAAP, we presume they are material.

Instead of the combined funds the accompanying financial statements present, GAAP require presenting entity wide statements and also presenting the Township's larger (i.e. major) funds separately. While the Township does not follow GAAP, generally accepted auditing standards requires us to include the following paragraph if the statements do not substantially conform to GAAP presentation requirements. The Auditor of State permits, but does not require townships to reformat their statements. The Township has elected not to follow GAAP statement formatting requirements. The following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statements referred to above for the years ended December 31, 2008 and 2007 do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Township as of December 31, 2008 and 2007, or its changes in financial position for the years then ended.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances of Green Township, Brown County, Ohio as of December 31, 2008 and 2007, and its combined cash receipts and disbursements for the years then ended on the accounting basis Note 1 describes.

The Township has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statements.

In accordance with *Government Auditing Standards*, we have also issued our report dated December 17, 2009, on our consideration of the Township's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance, and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

A handwritten signature in cursive script that reads "Mary Taylor".

**GREEN TOWNSHIP
BROWN COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2008 AND 2007**

1. Summary of Significant Accounting Policies

A. Description of the Entity

The constitution and laws of the State of Ohio establish the rights and privileges of Green Township, Brown County, Ohio (the Township), as a body corporate and politic. A publicly-elected three-member Board of Trustees directs the Township. The Township provides road and bridge maintenance, cemetery maintenance, fire protection and emergency medical services. The Township contracts with the Mt. Orab Fire and Emergency Medical Services, Inc. to provide fire and ambulance services.

The Township's management believes these financial statements present all activities for which the Township is financially accountable

B. Accounting Basis

These financial statements follow the accounting basis the Auditor of State prescribes or permits. This basis is similar to the cash receipts and disbursements accounting basis. The Township recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the Auditor of State prescribes or permits.

C. Deposits and Investments

The Township's accounting basis includes investments as assets. This basis does not record disbursements for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

The Township values certificates of deposit at cost.

D. Fund Accounting

The Township uses fund accounting to segregate cash and investments that are restricted as to use. The Township classifies its funds into the following types:

1. General Fund

The General Fund reports all financial resources except those required to be accounted for in another fund.

2. Special Revenue Funds

These funds account for proceeds from specific sources (other than from private-purpose trusts or for capital projects) that are restricted to expenditure for specific purposes. The Township had the following significant Special Revenue Funds:

Gasoline Tax Fund - This fund receives gasoline tax money to pay for constructing, maintaining, and repairing Township roads.

**GREEN TOWNSHIP
BROWN COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2008 AND 2007
(Continued)**

1. Summary of Significant Accounting Policies (Continued)

Cemetery Fund – This fund receives proceeds from the sale of cemetery lots for maintaining Township cemeteries.

Special Levy – This fund receives property tax money for the purpose of paying for contract services to provide fire and ambulance protection of Township residents.

3. Permanent Funds

These funds account for assets held under a trust agreement that are legally restricted to the extent that only earnings, not principal, are available to support the Township's programs. The Township had the following significant permanent fund:

Cemetery Bequest Fund – This fund receives interest earned on the nonexpendable corpus from a trust agreement. These earnings are used for the general maintenance and upkeep of the Township's cemetery.

E. Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Appropriations lapse at year end.

2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus cash as of January 1. The County Budget Commission must also approve estimated resources.

3. Encumbrances

The Ohio Revised Code requires the Township to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated. Encumbrances outstanding at year end are canceled, and reappropriated in the subsequent year.

A summary of 2008 and 2007 budgetary activity appears in Note 3.

F. Property, Plant, and Equipment

The Township records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

**GREEN TOWNSHIP
BROWN COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2008 AND 2007
(Continued)**

2. Equity in Pooled Deposits

The Township maintains a deposit pool all funds use. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of deposits at December 31 was as follows:

	2008	2007
Demand deposits	\$296,529	\$171,072
Certificates of deposit	2,500	2,500
Insured Money Market Account	381,219	375,095
Total deposits	\$680,248	\$548,667

Deposits: Deposits are insured by the Federal Depository Insurance Corporation or collateralized by the financial institution's public entity deposit pool.

3. Budgetary Activity

Budgetary activity for the years ending December 31, 2008 and 2007 follows:

2008 Budgeted vs. Actual Receipts

Fund Type	Budgeted Receipts	Actual Receipts	Variance
General	\$73,919	\$87,895	\$13,976
Special Revenue	184,580	263,083	78,503
Permanent	97	122	25
Total	\$258,596	\$351,100	\$92,504

2008 Budgeted vs. Actual Budgetary Basis Expenditures

Fund Type	Appropriation Authority	Budgetary Expenditures	Variance
General	\$225,176	\$85,269	\$139,907
Special Revenue	579,239	134,250	444,989
Permanent	0	0	0
Total	\$804,415	\$219,519	\$584,896

2007 Budgeted vs. Actual Receipts

Fund Type	Budgeted Receipts	Actual Receipts	Variance
General	\$73,919	\$93,849	\$19,930
Special Revenue	167,793	258,578	90,785
Permanent	52	97	45
Total	\$241,764	\$352,524	\$110,760

**GREEN TOWNSHIP
BROWN COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2008 AND 2007
(Continued)**

3. Budgetary Activity (Continued)

2007 Budgeted vs. Actual Budgetary Basis Expenditures			
Fund Type	Appropriation Authority	Budgetary Expenditures	Variance
General	\$205,752	\$74,425	\$131,327
Special Revenue	474,152	169,485	304,667
Permanent	206	0	206
Total	\$680,110	\$243,910	\$436,200

4. Property Tax

Real property taxes become a lien on January 1 preceding the October 1 date for which the Trustees adopted tax rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. The financial statements include homestead and rollback amounts the State pays as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Township.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

5. Retirement Systems

The Township's elected officials and employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plans' benefits, which include postretirement healthcare and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. For 2008 and 2007, OPERS members contributed 10 and 9.5% respectively, of their gross salaries and the Township contributed an amount equaling 14 and 13.85%, respectively, of participants' gross salaries. The Township has paid all contributions required through December 31, 2008.

6. Risk Management

The Township is exposed to various risks of property and casualty losses, and injuries to employees.

The Township insures against injuries to employees through the Ohio Bureau of Worker's Compensation.

**GREEN TOWNSHIP
BROWN COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2008 AND 2007
(Continued)**

6. Risk Management (Continued)

The Township belongs to the Ohio Township Association Risk Management Authority (OTARMA), a risk-sharing pool available to Ohio townships. OTARMA provides property and casualty coverage for its members. American Risk Pooling Consultants, Inc. (ARPCO), a division of York Insurance Services Group, Inc. (York), functions as the administrator of OTARMA and provides underwriting, claims, loss control, risk management, and reinsurance services for OTARMA. OTARMA is a member of the American Public Entity Excess Pool (APEEP), which is also administered by ARPCO. Member governments pay annual contributions to fund OTARMA. OTARMA pays judgments, settlements and other expenses resulting from covered claims that exceed the members' deductibles.

Casualty and Property Coverage

APEEP provides OTARMA with an excess risk-sharing program. Under this arrangement, OTARMA retains insured risks up to an amount specified in the contracts. At December 31, 2008, OTARMA retained \$350,000 for casualty claims and \$100,000 for property claims.

The aforementioned casualty and property reinsurance agreement does not discharge OTARMA's primary liability for claims payments on covered losses. Claims exceeding coverage limits are the obligation of the respective government.

Property and casualty settlements did not exceed insurance coverage for the past three fiscal years.

Financial Position

OTARMA's financial statements (audited by other accountants) conform with generally accepted accounting principles, and reported the following assets, liabilities and retained earnings at December 31, 2008 and 2007:

	<u>2008</u>	<u>2007</u>
Assets	\$40,737,740	\$43,210,703
Liabilities	<u>(12,981,818)</u>	<u>(13,357,837)</u>
Net Assets	<u>\$27,755,922</u>	<u>\$29,852,866</u>

At December 31, 2008 and 2007, respectively, liabilities above include approximately \$12.1 and \$12.5 million of estimated incurred claims payable. The assets and retained earnings above also include approximately \$10.9 and \$11.6 million of unpaid claims to be billed to approximately 950 member governments in the future, as of December 31, 2008 and 2007, respectively. These amounts will be included in future contributions from members when the related claims are due for payment. The Township's share of these unpaid claims collectible in future years is approximately \$4,277.

Based on discussions with OTARMA, the expected rates OTARMA charges to compute member contributions, which are used to pay claims as they become due, are not expected to change significantly from those used to determine the historical contributions detailed below. By contract, the annual liability of each member is limited to the amount of financial contributions required to be made to OTARMA for each year of membership.

**GREEN TOWNSHIP
BROWN COUNTY**

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2008 AND 2007
(Continued)**

6. Risk Management (Continued)

<u>Contributions to OTARMA</u>	
2007	\$5,471
2008	\$4,973

After completing one year of membership, members may withdraw on each anniversary of the date they joined OTARMA provided they provide written notice to OTARMA 60 days in advance of the anniversary date. Upon withdrawal, members are eligible for a full or partial refund of their capital contributions, minus the subsequent year's budgetary contribution. Withdrawing members have no other future obligation to the pool. Also upon withdrawal, payments for all casualty claims and claim expenses become the sole responsibility of the withdrawing member, regardless of whether a claim occurred or was reported prior to the withdrawal.

Mary Taylor, CPA

Auditor of State

INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS*

Green Township
Brown County
17242 Minnick Road
Mt. Orab, Ohio 45154

To the Township Board of Trustees:

We have audited the financial statements of Green Township, Brown County, Ohio (the Township), as of and for the years ended December 31, 2008 and 2007, and have issued our report thereon dated December 17, 2009, wherein we noted the Township followed accounting practices the Auditor of State prescribes rather than accounting principles generally accepted in the United States of America. We also noted the Township uses the Auditor of State's Uniform Accounting Network (UAN) to process its financial transactions. *Government Auditing Standards* considers this service to impair the Auditor of State's independence to audit the Township because the Auditor of State designed, developed, implemented, and, as requested, operates UAN. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

Internal Control over Financial Reporting

In planning and performing our audit, we considered the Township's internal control over financial reporting as a basis for designing our audit procedures for expressing our opinion on the financial statements, but not to opine on the effectiveness of the Township's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the Township's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Township's ability to initiate, authorize, record, process, or report financial data reliably in accordance with its applicable accounting basis, such that there is more than a remote likelihood that the Township's internal control will not prevent or detect a more-than-inconsequential financial statement misstatement.

A material weakness is a significant deficiency, or combination of significant deficiencies resulting in more than a remote likelihood that the Township's internal control will not prevent or detect a material financial statement misstatement.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all internal control deficiencies that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider material weaknesses, as defined above.

We noted certain matter that we reported to the Township's management in a separate letter dated December 17, 2009.

Compliance and Other Matters

As part of reasonably assuring whether the Township's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

We did note certain noncompliance or other matters that we reported to the Township's management in a separate letter dated December 17, 2009.

We intend this report solely for the information and use of the management and Township Board of Trustees. We intend it for no one other than these specified parties.

A handwritten signature in black ink that reads "Mary Taylor". The signature is written in a cursive, flowing style.
