#### INDEPENDENT ACCOUNTANTS' REPORT

To the Board of Directors Ashtabula County Convention and Visitors Bureau Austinburg, Ohio 44010

We have audited the accompanying statement of financial position of the Ashtabula County Convention and Visitors Bureau (Bureau) (a nonprofit organization) as of December 31, 2010, and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the Bureau's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Ashtabula County Convention and Visitors Bureau as of December 31, 2010, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United State of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated June 20, 2011 on our consideration of the Bureau's internal control over financial reporting and on out test of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The schedule of expenses on Page 8 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

#### Note 1 - Background

Ashtabula County Convention and Visitors Bureau (ACCVB) is a nonprofit corporation established pursuant to the laws of the State of Ohio to develop, promote and otherwise encourage tourism and recreation. This is done through advertising in various publications, Internet website participation, and publishing a County Visitors Guide.

#### **Note 2 – Summary of Significant Accounting Policies**

This summary of significant accounting policies is presented to assist the reader in understanding and evaluating the financial statements of Ashtabula County Convention and Visitors Bureau.

The financial statements of ACCVB have been prepared on the accrual basis of accounting, and accordingly, include all significant receivables, payables, and other liabilities.

Assets, liabilities, and net assets are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of ACCVB and changes therein are classified and reported as follows:

<u>Unrestricted net assets</u> – Net assets that are not subject to donor-imposed stipulations.

<u>Temporarily restricted net assets</u> – Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Corporation and/or the passage of time.

Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. The cost of property and equipment is depreciated over the estimated useful lives of the related assets. Depreciation is computed on the straight-line method.

Management uses estimates and assumptions in preparing financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were used.

ACCVB uses advertising to promote the Ashtabula County tourism industry. Advertising includes ads in publications and other media, and other activities such as the publication of visitors' guides and attendance at trade shows. The production costs of advertising are expensed as incurred. Advertising expense was \$58,398 in 2010.

For purposes of the statement of cash flows, ACCVB considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

# REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Ashtabula County Convention and Visitors Bureau Austinburg, Ohio 44010

We have audited the financial statements of the Ashtabula County Convention and Visitors Bureau (Bureau) (a nonprofit organization) as of and for the year ended December 31, 2010, and have issued our report thereon dated June 20, 2011. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit, we considered the Bureau's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Bureau's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Bureau's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in more than a reasonable possibility that a material misstatement of the Government's financial statements will not be prevented, or detected and timely corrected.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider material weaknesses, as defined above.

#### **Compliance and Other Matters**

Contra & Associ

As part of obtaining reasonable assurance about whether the Bureau's financial statements are free of material misstatement, we performed test of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of management, board members, and Ashtabula County, and is not intended to be and should not be used by anyone other than these specified parties.
