To the Board of Trustees:

As you are aware, the Auditor of State's Office (AOS) must modify the *Independent Accountants' Report* we provide on your financial statements due to an interpretation from the American Institute of Certified Public Accountants (AICPA). While AOS does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. Our Report includes an adverse opinion relating to GAAP presentation and measurement requirements, but does not imply the amounts the statements present are misstated under the non-GAAP basis you follow. The AOS report also includes an opinion on the financial statements you prepared using the cash basis and financial statement format the AOS permits.

INDEPENDENT ACCOUNTANTS' REPORT

Chesterhill-Marion Union Cemetery
Morgan County
P.O. Box 62
Chesterhill, Ohio 43728

To the Board of Trustees:

We have audited the accompanying financial statements of the Chesterhill-Marion Union Cemetery, Morgan County, Ohio (the Cemetery), as of and for the years ended December 31, 2010 and 2009. These financial statements are the responsibility of the Cemetery's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require that we plan and perform the audit to reasonably assure whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

As described more fully in Note 1, the Cemetery has prepared these financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and GAAP, we presume they are material.

Instead of the combined funds the accompanying financial statements present, GAAP require presenting entity-wide statements and also presenting the Cemetery's larger (i.e., major) funds separately. While the Cemetery does not follow GAAP, generally accepted auditing standards requires us to include the following paragraph if the statements do not substantially conform to GAAP presentation requirements. The Auditor of State permits, but does not require cemeteries to reformat their statements. The Cemetery has elected not to follow GAAP statement formatting requirements. The following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statements referred to above for the years ended December 31, 2010 and 2009 do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Cemetery as of December 31, 2010 and 2009 or its changes in financial position for the years then ended.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances of the Chesterhill-Marion Union Cemetery, Morgan County, Ohio, as of December 31, 2010 and 2009, and its combined cash receipts and disbursements for the years then ended on the accounting basis Note 1 describes.

The Cemetery has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statements.

In accordance with *Government Auditing Standards*, we have also issued our report dated April 21, 2011, on our consideration of the Cemetery's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. While we did not opine on the internal control over financial reporting or on compliance, that report describes the scope of our testing of internal control over financial reporting and compliance, and the results of that testing. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2010 AND 2009**

1. Summary of Significant Accounting Policies

A. Description of the Entity

The constitution and laws of the State of Ohio establish the rights and privileges for the Chesterhill-Marion Union Cemetery, Morgan County (the Cemetery), as the body corporate and politic. The Cemetery is directed by a three-member Board of Trustees, two appointed by the Village of Chesterhill and one from Marion Township. The residents of the Village of Chesterhill and Marion Township have approved a special property tax levy for the purpose of maintaining the Cemetery and distributes to the Cemetery levy monies collected. The Cemetery provides grounds maintenance, opening and closing of graves and the sale of grave lots.

The Cemetery's management believes these financial statements present all activities for which the Cemetery is financially accountable.

B. Basis of Accounting

These financial statements follow the basis of accounting the Auditor of State prescribes or permits. This basis is similar to the cash receipts and disbursements accounting basis. The Cemetery recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred.

These statements include adequate disclosure of material matters, as the Auditor of State prescribes or permits.

C. Cash

The Cemetery records certificates of deposit at cost.

D. Fund Accounting

The Cemetery uses fund accounting to segregate cash and investments that are restricted as to use. The Cemetery classifies its funds into the following types:

1. General Fund

The General Fund reports all financial resources except those required to be accounted for in another fund.

2. Permanent Funds

These funds account for proceeds from specific sources (other than from private-purpose trusts or for capital projects) that are restricted to expenditure for specific purposes. The Cemetery had the following significant Permanent Fund:

Cemetery Bequest Fund - This fund receives interest on the nonexpendable corpus from a trust agreement. These earnings are used for the general maintenance and upkeep of the cemetery.

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2010 AND 2009
(Continued)**

1. Summary of Significant Accounting Policies (Continued)

E. Property, Plant, and Equipment

The Cemetery records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

2. Equity in Pooled Deposits

The Cemetery maintains a deposit pool all funds use. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of deposits and investments at December 31 was as follows:

	2010	2009
Demand deposits	<u>\$43,288</u>	<u>\$40,590</u>
Certificates of deposit	<u>6,364</u>	<u>6,364</u>
Total deposits	<u><u>\$49,652</u></u>	<u><u>\$46,954</u></u>

Deposits: Deposits are insured by the Federal Deposit Insurance Corporation.

3. Retirement Systems

The Cemetery's employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement healthcare and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. For 2010 and 2009, OPERS members contributed 10% of their gross salaries and the Cemetery contributed an amount equaling 14% of participants' gross salaries. The Cemetery has paid all contributions required through December 31, 2010.

4. Risk Management

Commercial Insurance

The Cemetery has obtained commercial insurance for the following risks:

- Comprehensive property and general liability;
- Equipment; and
- Errors and omissions.

INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS*

Chesterhill-Marion Union Cemetery
Morgan County
P.O. Box 62
Chesterhill, Ohio 43728

To the Board of Trustees

We have audited the financial statements of the Chesterhill-Marion Union Cemetery, Morgan County, Ohio (the Cemetery), as of and for the year ended December 31, 2010 and 2009, and have issued our report thereon dated April 21, 2011, wherein we noted the Cemetery followed accounting practices the Auditor of State prescribes rather than accounting principles generally accepted in the United States of America. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in the Comptroller General of the United States' *Government Auditing Standards*.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Cemetery's internal control over financial reporting as a basis for designing our audit procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of opining on the effectiveness of the Cemetery's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the Cemetery's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. Therefore, we cannot assume that we have identified all deficiencies, significant deficiencies or material weaknesses. However, as described in the accompanying Schedule of Findings, we identified a certain deficiency in internal control over financial reporting, that we consider a material weakness.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A material weakness is a deficiency, or combination of internal control deficiencies resulting in more than a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and timely corrected. We consider finding 2010-001 in the accompanying Schedule of Findings to be a material weakness.

Compliance and Other Matters

As part of reasonably assuring whether the Cemetery's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

We also noted certain matters not requiring inclusion in this report that we reported to the Cemetery's management in a separate letter dated April 21, 2011.

We intend this report solely for the information and use of the management, the Board of Trustees and others within the Cemetery. We intend it for no one other than these specified parties.

**SCHEDULE OF FINDINGS
DECEMBER 31, 2010 AND 2009**

FINDINGS RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS
--

FINDING NUMBER 2010-001

Material Weakness

When designing the public office's system of internal control and the specific control activities, management should plan for adequate segregation of duties or compensating controls. The Board of Trustees should perform procedures to monitor the financial activity of the Association.

The small size of the Cemetery's staff did not allow for an adequate segregation of duties; the Cemetery Clerk-Treasurer performed all accounting functions. It is therefore important that the Board of Trustees monitor financial activity closely. There was no documentation of the extent to which the Board of Trustees reviewed vouchers for payment, financial reports and records to monitor financial activity of the Cemetery.

This could result in unauthorized expenditures, the ledgers of the Cemetery not being posted up-to-date, errors in the reconciliation, and errors and omissions occurring in the Cemetery's annual report without the timely knowledge of the Board of Trustees.

We recommend financial information be presented to the Board of Trustees on a regular basis. This information should include vouchers for payment, reconciliations, as well as revenue and expenditure activity and balance reports. A periodic review should also be performed on the Cemetery's cash book and deed records to gain assurances that the records are posted up to date, in agreement with the presented reports and reflect authorized transactions. These reviews should be documented in the minutes of the Board of Trustees meetings.

Officials' response: We did not receive a response from Officials to the finding reported above.
