Dave Yost • Auditor of State

Board of Trustees
Linton Township
P.O. Box 384
Plainfield, Ohio 43836

We have reviewed the *Independent Auditors' Report* of Linton Township, Coshocton County, prepared by Wolfe, Wilson & Phillips, Inc., for the audit period January 1, 2009 through December 31, 2010. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

The financial statements in the attached report are presented in accordance with a regulatory basis of accounting prescribed or permitted by the Auditor of State. Due to a February 2, 2005 interpretation from the American Institute of Certified Public Accountants (AICPA), modifications were required to the *Independent Auditors' Report* on your financial statements. While the Auditor of State does not legally require your government to prepare financial statements pursuant to Generally Accepted Accounting Principles (GAAP), the AICPA interpretation requires auditors to formally acknowledge that you did not prepare your financial statements in accordance with GAAP. The attached report includes an opinion relating to GAAP presentation and measurement requirements, but does not imply the statements are misstated under the non-GAAP regulatory basis. The *Independent Auditors' Report* also includes an opinion on the financial statements using the regulatory format the Auditor of State permits.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. Linton Township is responsible for compliance with these laws and regulations.

A handwritten signature in black ink that reads "Dave Yost".

INDEPENDENT AUDITORS' REPORT

Linton Township
Coshocton County
P.O. Box 384
Plainfield, Ohio 43836

We have audited the accompanying financial statements of Linton Township, Coshocton County as of and for the years ended December 31, 2010 and 2009. These financial statements are the responsibility of the Township's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described more fully in Note 1, the Township has prepared these financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America. Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and accounting principles generally accepted in the United States of America, we presume they are material.

Instead of the combined funds the accompanying financial statements present for 2010 and 2009, the revisions require presenting entity wide statements and also to present its larger (i.e. major) funds separately for 2010 and 2009. While the Township does not follow GAAP, generally accepted auditing standards requires us to include the following paragraph if the statements do not substantially conform to the new GAAP presentation requirements. The Auditor of State permits, but does not require governments to reformat their statements. The Township has elected not to reformat its statements. Since this Township does not use GAAP to measure financial statement amounts, the following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

In our opinion, because of the effects of the matter discussed in the preceding paragraph, the financial statements referred to above for the years ending December 31, 2010 and 2009 do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of Linton Township as of December 31, 2010 and 2009, or its changes in financial position for the years then ended..

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the combined fund cash balances and reserve for encumbrances of Linton Township, Coshocton County, as of December 31, 2010 and 2009, and its combined cash receipts and disbursements for the years then ended on the basis of accounting described in Note 1.

The Township has not presented Management's Discussion and Analysis, which accounting principles generally accepted in the United States of America has determined is necessary to supplement, although not required to be part of, the financial statements.

In accordance with *Government Auditing Standards*, we have also issued a report dated February 18, 2011, on our consideration of Linton Township's internal control structure over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be read in conjunction with this report in considering the results of our audit.

NOTES TO THE FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

The Township of Linton, Coshocton County, is a body politic and corporate established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Township is directed by a publicly-elected three member Board of Trustees and a publicly elected Fiscal Officer. The Township provides general governmental services including road and bridge maintenance, cemetery maintenance, and fire protection. The Township contracts with the Village of West Lafayette to provide fire services.

The Township participates in the Ohio Township Association Risk Management Authority public entity risk pool. Note 8 to the financial statements provides additional information for this entity. This organization is:

Public Entity Risk Pool:

The Township belongs to the Ohio Township Association Risk Management Authority (OTARMA), a risk-sharing pool available to Ohio local governments. OTARMA provides property and casualty coverage for its members. OTARMA is a member of the American Public Entity Excess Pool (APEEP). Member governments pay annual contributions to fund OTARMA. OTARMA pays judgments, settlements and other expenses resulting from covered claims exceeding the member's deductible

The Township's management believes these financial statements present all activities for which the Township is financially accountable.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and cash disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report expenditures when a commitment is made (i.e., when an encumbrance is approved.)

These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. Cash and Investments

The certificates of deposit are valued at cost. All other funds are maintained in an interest-bearing checking account.

D. Fund Accounting

The Township uses fund accounting to segregate cash that is restricted as to use. The Township classifies its funds into the following types:

NOTES TO THE FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

D. Fund Accounting (Continued)

General Fund

The General Fund is the general operating fund. It is used to account for all financial resources except those required by law or contract to be restricted.

Special Revenue Funds

These funds are used to account for proceeds from specific sources (other than from trusts or for capital projects) that are restricted to expenditure for specific purposes. The Township had the following significant Special Revenue Funds:

Gasoline Tax Fund – This fund receives gasoline tax receipts for constructing, maintaining and repairing Township roads and bridges.

Fire District Fund – This fund receives property tax money for the fire protection of the Township.

Permanent Fund

These funds are used to account for resources restricted by legally binding trust agreements. The Township had the following significant Permanent Funds:

Fowler Estate Bequest Fund – This fund receives interest to be used for the upkeep of cemeteries.

Cemetery Bequest Fund – This fund receives interest to be used for the upkeep of cemeteries.

E. Budgetary Process

The Ohio Revised Code requires that each fund (except certain agency funds) be budgeted annually.

Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Unencumbered appropriations lapse at year-end.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

E. Budgetary Process (Continued)

Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget commission must also approve estimated resources.

Encumbrances

The Ohio Revised Code requires the Township to reserve (encumber) appropriations when commitments are made. Encumbrances outstanding at year-end are carried over, and need not be re-appropriated in the subsequent year.

A Summary of 2010 and 2009 budgetary activity appears in Note 3.

F. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets in the accompanying financial statements.

G. Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. Unpaid leave is not reflected as a liability under the Township's basis of accounting

2. EQUITY IN POOLED CASH

The Township maintains a cash pool used by all funds. The Ohio Revised Code prescribes allowable deposits. The carrying amount of cash at December 31 was as follows:

	<u>2010</u>	<u>2009</u>
Demand Deposits	\$ 116,890	\$ 118,360
Certificate of Deposits	23,514	23,514
	<u>\$ 140,404</u>	<u>\$ 141,874</u>

Deposits:

Deposits are either 1) insured by the Federal Depository Insurance Corporation or 2) collateralized by the financial institution's public entity deposit pool.

**LINTON TOWNSHIP
COSHOCTON COUNTY, OHIO**

NOTES TO THE FINANCIAL STATEMENTS

3. BUDGETARY ACTIVITY (CONTINUED)

Contrary to ORC Section 5705.36, in 2010 and 2009, the Township had funds in which appropriations were greater than unencumbered balance plus actual receipts which should have resulted in getting a new certificate of estimated resources.

Contrary to Ohio Revised Code Section 5705.41(D), in 2010 and 2009 the Township had fiscal certificates that were dated after invoices.

4. PROPERTY TAX

Real property taxes become a lien on January 1 proceeding the October 1 date for which rates are adopted by Board of Trustees. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. Homestead and rollback amounts are then paid by the State, and are reflected in the accompanying financial statements as Intergovernmental Receipts. Payments are due to the county by December 31. If the property owner elects to make semiannual payments, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the Township.

Tangible personal property tax is assessed by the property owners who must file a list of such property to the County by each June 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Township.

5. RETIREMENT SYSTEMS

The Township's Trustees, Clerk and other employees of the Township belong to the Public Employees Retirement System (PERS) of Ohio. PERS is a cost-sharing, multiple-employer plan. This plan provides retirement benefits, including post-retirement health care, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code. Contribution rates are also prescribed by the Ohio Revised Code. For 2010 and 2009, members of PERS contributed 10.0% of their gross salaries. The Township contributed an amount equal to 14.00% of participants' gross salaries. The Township has paid all contributions required through December 31, 2010.

6. RISK MANAGEMENT

The Township is exposed to various risks of property and casualty losses, and injuries to employees.

The Township insures against injuries to employees through the Ohio Bureau of Worker's Compensation.

The Township belongs to the Ohio Township Association Risk Management Authority (OTARMA), a risk-sharing pool available to Ohio Townships. OTARMA provides property and casualty coverage for its members. American Risk Pool Consultants, Inc. (ARPCO), a division of York Insurance Services Group, Inc. (York), functions as the administrator of OTARMA and provides underwriting, claims, loss control, risk management, and reinsurance services for OTARMA. OTARMA is a member of the American Public Entity Excess Pool (APEEP), which is also administered by ARPCO. Member governments pay annual contributions to fund OTARMA. OTARMA pays judgments, settlements and other expenses resulting from covered claims that exceed the members' deductibles.

**LINTON TOWNSHIP
COSHOCTON COUNTY, OHIO**

NOTES TO THE FINANCIAL STATEMENTS

6. RISK MANAGEMENT (Continued)

Casualty and Property Coverage

APEEP provides OTARMA with an excess risk-sharing program. Under this arrangement, OTARMA retains insured risks up to an amount specified in the contracts. At December 31, 2009, OTARMA retained \$350,000 for casualty claims and \$150,000 for property claims.

The aforementioned casualty and property reinsurance agreement does not discharge OTARMA's primary liability for claims payments and covered losses. Claims exceeding coverage limits are the obligation of the respective government.

Financial Position

OTARMA's financial statements (audited by other accountants) conform with generally accepted accounting principles, and reported the following assets, liabilities and retained earnings at December 31, 2009 and 2008:

	2009	2008
Assets	\$ 38,982,088	\$ 40,737,740
Liabilities	(12,880,766)	(12,981,818)
Retained Earnings	\$ 26,101,322	\$ 27,755,922

At December 31, 2009 and 2008, respectively, the liabilities above include approximately \$12.0 and \$12.1 million of estimated incurred claims payable. The assets above also include approximately \$11.5 and \$10.9 million of unpaid claims to be billed to approximately 950 member governments in the future, as of December 31, 2009 and 2008, respectively. These amounts will be included in future contributions from members when the related claims are due for payment. As of December 31, 2009, the Township's share of these unpaid claims collectible in future years is approximately \$7,182.

Based on discussion with OTARMA, the expected rates OTARMA charges to compute member contributions, which are used to pay claims as they become due, are not expected to change significantly from those used to determine the historical contributions detailed below. By contract, the annual liability of each member is limited to the amount of financial contributions required to be made to OTARMA for each year of membership.

Contributions to OTARMA

2008	\$3,783
2009	3,309
2010	3,591

After one year of membership, a member may withdraw on the anniversary of the date of joining OTARMA, if the member notifies OTARMA in writing 60 days prior to the anniversary date. Upon withdrawal, members are eligible for a full or partial refund of their capital contributions, minus the subsequent year's contribution. Withdrawing members have no other future obligation to the pool. Also upon withdrawal, payments for all casualty claims and claim expenses become the sole responsibility of the withdrawing member, regardless of whether a claim occurred or was reported prior to the withdrawal.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
REQUIRED BY GOVERNMENT AUDITING STANDARDS**

Linton Township
Coshocton County
P.O. Box 384
Plainfield, Ohio 43836

We have audited the financial statements of Linton Township, Coshocton County, Ohio, as of and for the years ended December 31, 2010 and 2009, and have issued our report thereon dated February 18, 2011, wherein we noted the Township followed accounting practices the Auditor of State prescribes rather than accounting principles generally accepted in the United States of America. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Linton Township's internal control over financial reporting as a basis for designing our audit procedures for expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Township's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Township's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Linton Township's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standard*.

We noted certain immaterial instances of noncompliance that we have reported to the management of Linton Township in a separate letter dated February 18, 2011.

This report is intended for the information of the Township's management, fiscal officer, and Auditor of State, and is not intended to be and should not be used by anyone other than these specified parties.
