REPORT OF INDEPENDENT ACCOUNTANTS

Ohio Mid-Eastern Regional Education Service Agency
Jefferson County
2023 Sunset Boulevard
Steubenville, Ohio 43952

To the Board of Directors:

We have audited the accompanying financial statements of the Ohio Mid-Eastern Regional Education Service Agency, Jefferson County (the Agency), as of and for the years ended June 30, 2010 and 2009, as listed in the table of contents. These financial statements are the responsibility of the Agency's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described more fully in Note 1, the Agency has prepared these financial statements using accounting practices the Auditor of State prescribes or permits. These practices differ from accounting principles generally accepted in the United States of America (GAAP). Although we cannot reasonably determine the effects on the financial statements of the variances between these regulatory accounting practices and accounting principles generally accepted in the United States of America, we presume they are material.

Revisions to GAAP would require the Agency to reformat its financial statement presentation and make other changes effective for the years ended June 30, 2010 and 2009. While the Agency does not follow GAAP, generally accepted auditing standards requires us to include the following paragraph if the statements do not substantially conform to the new GAAP presentation requirements. The Auditor of State permits, but does not require governments to reformat their statements. The Agency has elected not to reformat its statements. Since this Agency does not use GAAP to measure financial statement amounts, the following paragraph does not imply the amounts reported are materially misstated under the accounting basis the Auditor of State permits. Our opinion on the fair presentation of the amounts reported pursuant to its non-GAAP basis is in the second following paragraph.

In our opinion, because of the effects of the matter discussed in the preceding two paragraphs, the financial statements referred to above, for the year ended June 30, 2010 and 2009, do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Agency as of June 30, 2010 and 2009, or is changes in financial position for the years then ended.

Also, in our opinion, the financial statements referred to above present fairly, in all material respects, the fund cash balances and reserves for encumbrances of the Ohio Mid-Eastern Regional Education Service Agency, Jefferson County, as of June 30, 2010 and 2009, and its cash receipts and disbursements for the years then ended on the accounting basis Note 1 describes.

In accordance with *Government Auditing Standards*, we have also issued our report dated December 10, 2010 on our consideration of the Agency's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants agreements and other matters. That report describes the scope of our testing of internal control over financial reporting and compliance and the results of that testing. It does not opine on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards*. You should read it in conjunction with this report in assessing the results of our audit.

**OHIO MID-EASTERN REGIONAL
EDUCATION SERVICE AGENCY
JEFFERSON COUNTY
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2010 and 2009**

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

The Ohio Mid-Eastern Regional Education Service Agency, Jefferson County, (the Agency) is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Agency is directed by an appointed ten-member Board of Directors made up of one Superintendent Representative from each county within the geographical "A" site area. The Jefferson County Board of Education acts as fiscal agent for the Agency. The Agency provides a shared computer service site to develop and implement an efficient and effective computer system to meet the needs of its members. The Agency's management believes these financial statements present all activities for which the Agency is financially accountable.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received in cash rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved). These statements include adequate disclosure of material matters, as prescribed or permitted by the Auditor of State.

C. Property, Plant and Equipment

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

D. Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. Unpaid leave is not reflected as a liability under the Agency's basis of accounting.

2. EQUITY IN POOLED CASH

The Jefferson County Education Center (ESC) acts as fiscal agent for the Agency. The ESC maintains a cash and investment pool used by all funds and activities and does not account for nor report separately the amounts of deposits and investments the ESC maintains solely for OMERESA. However, the ESC follows the provisions of the Ohio Revised Code that prescribes allowable deposits and investments of public funds.

3. RETIREMENT SYSTEMS

The Agency's teaching employees belong to the State Teachers Retirement System (STRS) of Ohio. Other employees belong to the School Employees Retirement System (SERS) of Ohio. STRS and SERS are cost-sharing, multiple-employer plans. These plans provide retirement benefits, including postretirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code.

Contribution rates are also prescribed by the Ohio Revised Code. For 2010 and 2009, members of STRS contributed 10% of their gross salaries to STRS. The Agency contributed an amount equal to 14% of the participants' gross salaries for both years. For 2010 and 2009, SERS members contributed 10% of their gross salaries to SERS. The Agency contributed an amount equal to 14% of the participants' gross salaries. The Agency has paid all contributions required through June 30, 2010.

4. RISK MANAGEMENT

Commercial Insurance

The Agency has obtained commercial insurance for the following risks:

Comprehensive property and general liability,
Vehicle, and
Errors and omissions

Settled claims have not exceeded coverage in either of the past two years. Also, the Agency has not reduced coverages from the past year.

The Agency also provided health insurance, dental and vision coverage to full-time employees through a private carrier.

5. CONTINGENT LIABILITIES/SUBSEQUENT EVENTS

Management believes there are no pending claims or lawsuits.

**INDEPENDENT ACCOUNTANTS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY
GOVERNMENT AUDITING STANDARDS**

Ohio Mid-Eastern Regional Education Service Agency
Jefferson County
2023 Sunset Boulevard
Steubenville, Ohio 43952

To the Board of Directors:

We have audited the financial statements of the Ohio Mid-Eastern Regional Education Service Agency, Jefferson County, Ohio (the Agency) as of and for the years ended June 30, 2010 and 2009, and have issued our report thereon dated December 10, 2010, wherein we noted the Agency prepared its financial statements using accounting practices the Auditor of State prescribed rather than accounting principles generally accepted in the United States of America. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Internal Controls Over Financial Reporting

In planning and performing our audit, we considered the Agency's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of opining on the effectiveness of the Agency's internal control over financial reporting. Accordingly, we have not opined on the effectiveness of the Agency's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and timely corrected.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Agency's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of management and the Governing Board and is not intended to be and should not be used by anyone other than these specified parties.
