## INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Pleasant Township  
Van Wert County  
1072 Merry Lane  
Van Wert, Ohio 45891

We have performed the procedures enumerated below, with which the Board of Trustees and the management of Pleasant Township (the Township) agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2010 and 2009, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. The Township processed its financial transactions with the Auditor of State's Uniform Accounting Network (UAN). *Government Auditing Standards* considers this service to impair the independence of the Auditor of State to provide attest services to the Township because the Auditor of state designed, developed, implemented, and as requested, operates UAN. However, *Government Auditing Standards* permits the Auditor of State to perform this engagement, because Ohio Revised Code § 117.101 requires the Auditor of State to provide UAN services, and Ohio Revised Code § 117.11(A) mandates the Auditor of State to perform attest services for Ohio governments.

This report only describes exceptions exceeding \$10.

### Cash

1. We tested the mathematical accuracy of the December 31, 2010 and December 31, 2009 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2009 beginning fund balances recorded in the Fund Status Report to the December 31, 2008 balances in the prior year audited statements. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2010 and 2009 fund cash balances reported in the Fund Status Reports. The amounts agreed.
4. We confirmed the December 31, 2010 bank account balances with the Township's financial institutions. We found no exceptions. The balances agreed. We also agreed the confirmed balances to the amounts appearing in the December 31, 2010 bank reconciliation and found an exception with the Wells Fargo HRA account. The book balance was overstated by \$3,121.24 in 2009 and \$3,723.59 in 2010. The overstatements were medical claims and service fees not posted to the UAN system. The client has made the correction to the township records in 2011 during the audit engagement.

One First National Plaza, 130 W. Second St., Suite 2040, Dayton, Ohio 45402

[www.auditor.state.oh.us](http://www.auditor.state.oh.us)

**Cash (Continued)**

5. We selected five outstanding checks haphazardly from the December 31, 2010 bank reconciliation:
  - a. We traced each check to the debit appearing in the subsequent January bank statement. We found no exceptions.
  - b. We traced the amounts and date written to the Payment Register, to determine the checks were dated on or prior to December 31. We noted no exceptions.
6. We tested the only reconciling item from the December 31, 2010 bank reconciliation:
  - a. We traced the EFT payment to the debit appearing in the subsequent January bank statement. We found no exceptions.
  - b. We agreed the EFT payment amount to the Payment Register. The EFT payment was recorded as a December expenditure for the same amount recorded in the reconciliation.

**Property Taxes, Intergovernmental and Other Confirmable Cash Receipts**

1. We selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2010 and one from 2009:
  - a. We traced the gross receipts from the *Statement* to the amount recorded in the Receipt Register Report. The amounts agreed.
  - b. We determined whether the receipt was allocated to the proper funds as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We noted one instance in each year where the personal property for the Fire Fund was posted to the General Fund in the amount of \$916 and \$931 respectively. The Township has made the correction to its financial statements. The Township should implement procedures to provide that all receipts are posted to the correct fund to present accurate balances and prevent the improper use of funds.
  - c. We determined whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
2. We scanned the Receipt Register Report to determine whether it included the proper number of tax receipts for 2010 and 2009:
  - a. Any delinquent personal property tax receipts
  - b. Two real estate tax receipts

We noted the Receipts Register Report included the proper number of tax settlement receipts for each year.

3. We tested receipts from the State Distribution Transaction Lists (DTL) from 2010 and 2009.
  - a. We compared the amount from the DTL to the amount recorded in the Receipt Register Report. The amounts agreed.
  - b. We determined whether these receipts were allocated to the proper funds. We noted no exceptions.
  - c. We determined whether the receipts were recorded in the proper year. We found no exceptions.
4. We confirmed five receipts from 2010 and five from 2009 from the amounts paid from the Van Wert County Auditor to the Township. We found no exceptions.
  - a. We determined whether these receipts were allocated to the proper funds. We found no exceptions.
  - b. We determined whether the receipts were recorded in the proper year. We found no exceptions.

**Property Taxes, Intergovernmental and Other Confirmable Cash Receipts (Continued)**

5. We confirmed the amount paid from the Ohio Public Works Commission to the Township during 2010. We found no exceptions.
  - a. We determined whether these receipts were allocated to the proper fund. We found no exceptions.
  - b. We determined whether the receipts were recorded in the proper year. We found no exceptions.

**Debt**

1. We inquired with management, and scanned the Receipt Register Report and Payment Register Detail Report for evidence of bonded or note debt issued during 2010 or 2009 or outstanding as of December 31, 2010 or 2009. We noted no new debt issuances, nor any debt payment activity during 2010 or 2009.

**Payroll Cash Disbursements**

1. We haphazardly selected one payroll check for five employees from 2010 and one payroll check for five employees from 2009 from the Employee Detail Adjustment Report and determined whether the following information in the employees' personnel files was consistent with the information used to compute gross and net pay related to this check:
  - a. Name
  - b. Authorized salary or pay rate
  - c. Department(s) and fund(s) to which the check should be charged.
  - d. Retirement system participation and payroll withholding.
  - e. Federal, State & Local income tax withholding authorization and withholding.
  - f. Any other deduction authorizations (deferred compensation, etc.)

We found no exceptions related to steps a. – f. above.

2. We tested the checks we selected in step 1, as follows:
  - a. We compared the hours and pay rate, or salary amount used in computing gross pay to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
  - b. We determined whether the fund and account code(s) to which the check was posted was reasonable based on the employees' duties as documented in the minute record or as required by statute. We also determined whether the payment was posted to the proper year. We found no exceptions.
3. We scanned the last remittance of tax and retirement withholdings for the year ended December 31, 2010 to determine whether remittances were timely paid, and that the amounts paid agreed to the amounts withheld during the final withholding period during 2010. We noted the following:

<b>Withholding</b>	<b>Date Due</b>	<b>Date Paid</b>	<b>Amount Withheld</b>	<b>Amount Paid</b>
Federal income taxes	January 31, 2011	December 29, 2010	\$1,293.16	\$1,293.16
State income taxes	January 15, 2011	December 29, 2010	\$ 396.01	\$ 396.01
Local income tax	January 31, 2011	December 30, 2010	\$ 193.98	\$ 193.98
OPERS retirement (with-holding plus employer share)	January 30, 2011	December 30, 2010	\$1,604.85	\$1,604.85

### Payroll Cash Disbursements (Continued)

4. For the pay periods ended December 30, 2010 and May 31, 2009, we compared documentation and the re-computation supporting the allocation of Board salaries to the General and Road & Bridge Fund. We found no exceptions.

### Non-Payroll Cash Disbursements

1. We haphazardly selected ten disbursements from the Payment Register Detail Report for the year ended December 31, 2010 and ten from the year ended 2009 and determined whether:
  - a. The disbursements were for a proper public purpose. We found no exceptions.
  - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
  - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
  - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found no exceptions.

### Compliance – Budgetary

1. We compared the total from the *Amended Official Certificate of Estimated Resources*, required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Revenue Status Report for the General, Gasoline, and Fire funds for the years ended December 31, 2010 and 2009. The amounts on the *Certificate* agreed to the amount recorded in the accounting system, except for the Fire Fund. The Revenue Status Report recorded budgeted (i.e. certified) resources for the Fire fund of \$49,000 for 2010. However, the final *Amended Official Certificate of Estimated Resources* reflected \$47,440. The fiscal officer should periodically compare amounts recorded in the Revenue Status Report to amounts recorded on the *Amended Official Certificate of Estimated Resources* to assure they agree. If the amounts do not agree, the Trustees may be using inaccurate information for budgeting and monitoring purposes.
2. We scanned the appropriation measures adopted for 2010 and 2009 to determine whether, for the General, Gasoline, and Fire funds, the Trustees appropriated separately for “each office, department, and division, and within each, the amount appropriated for personal services,” as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code Section 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status Report for 2010 and 2009 for the following funds: *General, Gasoline, and Fire Funds*. The amounts on the appropriation resolutions agreed to the amounts recorded in the accounting system, except for the General Fund. The Appropriation Status Report recorded appropriations for the General Fund of \$148,078.69 for 2009. However, the Annual Appropriation Resolution reflected \$147,378.69. The fiscal officer should periodically compare amounts recorded in the Appropriation Status Report to amounts recorded on the *Annual Appropriation Resolution* to assure they agree. If the amounts do not agree, the Trustees may be using inaccurate information for budgeting and monitoring purposes.
4. Ohio Rev. Code Section 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Gasoline, and Fire funds for the years ended December 31, 2010 and 2009. We noted no funds for which appropriations exceeded certified resources.

**Compliance – Budgetary (Continued)**

5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2010 and 2009 for the General, Gasoline, and Fire funds, as recorded in the Appropriation Status Report. We noted no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We scanned the Receipt Register Report for evidence of new restricted receipts requiring a new fund during December 31, 2010 and 2009. We also inquired of management regarding whether the Township received new restricted receipts. We noted no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the Township to establish a new fund.
7. We scanned the 2010 and 2009 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers, which Ohio Rev. Code Sections 5705.14 -- .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas.
8. We inquired of management and scanned the Appropriation Status Reports to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13. We noted the Township did not establish these reserves.

**Compliance – Contracts & Expenditures**

1. We inquired with management and scanned the Payment Register Detail report for the years ended December 31, 2010 and 2009 for procurements requiring competitive bidding under the following statutes:
  - a. Materials, machinery and tools used in constructing, maintaining and repairing roads and culverts, where costs exceeded \$25,000. (Ohio Rev. Code Section 5549.21)
  - b. Construction and erection of a memorial building or monument costs exceeding \$25,000 (Ohio Rev. Code Section 511.12)
  - c. Equipment for fire protection and communication costs exceeding \$50,000 (Ohio Rev. Code Sections 505.37 to 505.42)
  - d. Street lighting systems or improvement costs exceeding \$25,000 (Ohio Rev. Code Section 515.07)
  - e. Building modification costs exceeding \$25,000 to achieve energy savings (Ohio Rev. Code Section 505.264)
  - f. Private sewage collection tile costs exceeding \$25,000 (Ohio Rev. Code Sections 521.02 to 521.05)
  - g. Fire apparatus, mechanical resuscitators, other fire equipment, appliances, materials, fire hydrants, buildings, or fire-alarm communications equipment or service costs exceeding \$50,000 (Ohio Rev. Code Section 505.37(A))

We identified a chip and seal project in 2010 exceeding \$25,000, subject to Ohio Rev. Code Section 515.07. For this project, we noted that the Board advertised the project in a local newspaper, and selected the lowest responsible bidder.

2. We inquired with management and scanned the Payment Register Detail Report for the years ended December 31, 2010 and 2009 to determine if the township had road construction projects exceeding \$45,000 for which Ohio Rev. Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We did not receive a response from Officials to the exceptions reported above.

This report is intended solely for the information and use of management and those charged with governance and is not intended to be, and should not be used by anyone other than these specified parties and others within the Township.

A handwritten signature in black ink that reads "Dave Yost". The signature is written in a cursive style with a large, looping "D" and "Y".
