INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Barberton Public Library
Summit County
602 West Park Avenue
Barberton, OH 44203

We have performed the procedures enumerated below, with which the Board of Trustees and the management of Barberton Public Library (the Library) agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2012 and 2011, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash and Investments

1. We tested the mathematical accuracy of the December 31, 2012 and December 31, 2011 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2011 beginning fund balances recorded in the Cash Summary by Fund Report to the December 31, 2010 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2012 beginning fund balances recorded in the Cash Summary by Fund Report to the December 31, 2011 balances in the Cash Summary by Fund Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2012 and 2011 fund cash balances reported in the Cash Summary by Fund Reports. The amounts agreed.
4. We observed the year-end bank balances on the financial institutions' websites. The balances agreed. We also agreed the confirmed balances to the amounts appearing in the December 31, 2012 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) haphazardly from the December 31, 2012 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. We noted no exceptions.

6. We tested investments held at December 31, 2012 and December 31, 2011 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions.
 - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

State Library and Local Government Support Receipts

We selected two State Library and Local Government Support (LLGS) receipts from the County Library Allocation Settlement Sheets from 2012 and two from 2011.

- b. We determined whether these receipts were posted to the General Fund. We found no exceptions.
- c. We determined whether the receipts were recorded in the proper year. We found no exceptions.

Property Taxes and Intergovernmental Cash Receipts

1. We selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2012 and one from 2011
 - a. We traced the gross receipts from the *Statement* to the amount recorded in the Receipt Register Report. We also traced the advances noted on the Statement to the Receipt Register Report. The amounts agreed.
 - b. We determined whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
2. We scanned the Receipt Register Report to determine whether it included two real estate tax receipts, plus four advances and two advances for 2012 and 2011, respectively. We noted the Receipts Register Report included the proper number of tax receipts for each year.
3. We selected all receipts from the State Distribution Transaction Lists (DTL) from 2012 and all from 2011. We also selected all receipts from the County Auditor's DTL from 2012 and all from 2011.
 - a. We compared the amount from the above reports to the amount recorded in the Receipt Register Report. The amounts agreed.
 - b. We determined whether these receipts were allocated to the proper funds. One receipt in 2011 of \$257 was posted in the proper fund, but allocated to the incorrect line item. This receipt was recorded as Property Taxes Revenue but should have been recorded as Intergovernmental Revenue. We brought this to Management's attention.

Payroll Cash Disbursements

1. We haphazardly selected one payroll check for five employees from 2012 and one payroll check for five employees from 2011 from the Payroll Detail Adjustment Report and:

2. For any new employees selected in step 1 we determined whether the following information in the employees' personnel files was consistent with the information used to compute gross and net pay related to this check:
 - a. Name
 - b. Authorized salary or pay rate
 - c. Department/Position to which the check should be charged

We noted the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid

 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.

Compliance – Budgetary

1. We compared total appropriations required by Ohio Admin. Code Section 117-8-02, to the amounts recorded in the Appropriation Status Report for 2012 and 2011 for the following funds: the General and the Capital Projects: 619 W. Tusc. Ave. funds. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status report for both funds in 2012 and the Capital Projects: 619 W. Tusc. Fund in 2011, however, the General fund appropriations recorded in the Appropriation Status Report exceeded the appropriations resolutions by \$4,675.
2. Ohio Admin. Code Section 117-8-02 prohibits spending in excess of budgeted amounts. We compared total expenditures as recorded in the Appropriation Status report to total appropriations as approved by the Board for the years ended December 31, 2012 and 2012 for the General and the Capital Projects: 619 W. Tusc. Ave. funds. We noted no funds for which expenditures exceeded appropriations.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Library's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance, and others within the Library, and is not intended to be, and should not be used by anyone other than these specified parties.
