## Independent Auditor's Report

GOAL Digital Academy Community School  
Richland County  
890 W. Fourth Street, Suite 400  
Mansfield, Ohio 44906

To the Board of Directors:

### ***Report on the Financial Statements***

We have audited the accompanying financial statements of the GOAL Digital Academy Community School, Richland County, Ohio, as of and for the fiscal year ended June 30, 2013, and the related notes to the financial statements, which collectively comprise the GOAL Digital Academy Community School's basic financial statements as listed in the table of contents.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for preparing and fairly presenting these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes designing, implementing, and maintaining internal control relevant to preparing and fairly presenting financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility***

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the GOAL Digital Academy Community School's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the GOAL Digital Academy Community School's internal control. Accordingly, we express no opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinion.

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the GOAL Digital Academy Community School, Richland County, Ohio, as of June 30, 2013, and the changes in its financial position and its cash flows for the fiscal year then ended in accordance with the accounting principles generally accepted in the United States of America.

***Other Matters***

***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require this presentation to include *Management's discussion and analysis*, listed in the table of contents, to supplement the basic financial statements. Although this information is not part of the basic financial statements, the Governmental Accounting Standards Board considers it essential for placing the basic financial statements in an appropriate operational, economic, or historical context. We applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, consisting of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, to the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not opine or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to opine or provide any other assurance.

***Other Reporting Required by Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated October 23, 2013, on our consideration of the GOAL Digital Academy Community School's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the GOAL Digital Academy Community School's internal control over financial reporting and compliance.

**MANAGEMENT'S DISCUSSION AND ANALYSIS  
FOR THE FISCAL YEAR ENDED JUNE 30, 2013**

The management's discussion and analysis of The GOAL Digital Academy Community School's (the "GDA") financial performance provides an overall review of the GDA's financial activities for the fiscal year ended June 30, 2013. The intent of this discussion and analysis is to look at the GDA's financial performance as a whole; readers should also review the notes to the basic financial statements and financial statements to enhance their understanding of the GDA's financial performance.

**Financial Highlights**

Key financial highlights for 2013 are as follows:

- In total, net position was \$461,598 at June 30, 2013.
- The GDA had operating revenues of \$2,383,916 and operating expenses of \$2,680,802 for fiscal year 2013. The GDA's operating loss and decrease in net position for the fiscal year was \$296,886 and \$51,091, respectively.
- The GDA is the fiscal agent for the North East Jobs for Ohio's Graduates (JOG) program. Activities related the GDA's fiscal agent responsibilities for the JOG program have been reported as non-operating revenues and expenses in the GDA's financial statements.

**Using these Basic Financial Statements**

This annual report consists of a series of financial statements and notes to those statements. These statements are organized so the reader can understand the GDA's financial activities. The statement of net position and statement of revenues, expenses and changes in net position provide information about the activities of the GDA, including all short-term and long-term financial resources and obligations.

**Reporting the GDA Financial Activities**

**Statement of Net Position, Statement of Revenues, Expenses, and Changes in Net Position and the Statement of Cash Flows**

These documents look at all financial transactions and ask the question, "How did we do financially during 2013?" The statement of net position and the statement of revenues, expenses and changes in net position answer this question. These statements include all assets, deferred outflows of resources, liabilities, deferred inflows of resources, revenues and expenses using the accrual basis of accounting similar to the accounting used by most private-sector companies. This basis of accounting will take into account all of the current year's revenues and expenses regardless of when cash is received or paid.

These two statements report the GDA's net position and changes in net position. This change in net position is important because it tells the reader that, for the GDA as a whole, the financial position of the GDA has improved or diminished. The causes of this change may be the result of many factors, some financial, some not.

**MANAGEMENT'S DISCUSSION AND ANALYSIS  
FOR THE FISCAL YEAR ENDED JUNE 30, 2013**

The table below provides a summary of the GDA's net position for 2013 and 2012.

<b>Net Position</b>

Unrestricted	345,087	292,528

The decrease in net position is partially due to a decrease in intergovernmental receivables, which were used in operations during fiscal year 2013. Intergovernmental receivables decreased \$170,820, or 61.93%, from the prior year.

At year-end, capital assets represented 20.34% of total assets. Capital assets consisted of furniture and equipment. There is no debt related to these capital assets. Capital assets are used to provide services to the students and are not available for future spending. The table below provides a summary of the GDA's net position, liabilities and assets for 2013 and 2012.

**Current Financial Related Activities**

The GOAL Digital Academy (GDA) is a conversion community E-School sponsored by Mid-Ohio Educational Service Center. This sponsorship was renewed and runs from July 1, 2012 through June 30, 2016.

GDA operates under less restrictive guidelines than a traditional “brick and mortar” school; and thus, is capable of providing their curriculum/education in a more cost-effective manner. Also, unlike traditional schools, a community school cannot levy any taxes and must survive on State revenues and donations. At this time GDA relies solely on State funding for their resources. That being stated, GDA is continually looking for more efficient and effective ways to educate children in order to balance the five year forecast. No additional resources outside of State funds are projected in the upcoming five-years.

GOAL Digital Academy is committed to operating within its financial means, and to working with the local community and agencies it serves to provide the required educational programs for its students.

**Contacting the GDA Treasurer**

This financial report is designed to provide citizens, taxpayers, investors and creditors with a general overview of GDA’s finances and to show GDA’s accountability for the resources it receives. **NOTES TO BASIC FINANCIAL STATEMENTS  
FOR THE FISCAL YEAR ENDED JUNE 30, 2013**

**NOTE 1 - DESCRIPTION OF THE SCHOOL**

GOAL Digital Academy Community School (“GDA”) is a nonprofit corporation established pursuant to Ohio Revised Code Chapters 3314 and 1702. GDA is an approved tax-exempt organization under Section 501 (c)(3) of the Internal Revenue Code. Management is not aware of any course of action or series of events that have occurred that might adversely affect their tax exempt status. GDA’s objective is to deliver a comprehensive educational program of high quality, tied to State and national standards, which can be delivered to students in the K - 12 population entirely through distance learning technologies. It is to be operated in cooperation with the Mid-Ohio Educational Service Center (the “Mid-Ohio ESC”) to provide an innovative and cost-effective solution to the special problems of disabled students, students removed from school for disciplinary reasons, students needing advanced or specialized courses which are not available locally, and other, including home-schooled students who are not currently enrolled in any public school and who are not receiving a meaningful, comprehensive, and standards-based educational program. GDA, which is part of the State’s education program, is nonsectarian in its programs, admissions policies, employment practices, and all other operations. GDA may acquire facilities as needed and contract for any services necessary for the operation of the school.

GDA was certified by the State of Ohio Secretary of State as a non-profit organization on April 23, 2002. GDA was approved for operation under a contract with Mount Gilead Exempted Village School District for a five year period commencing September 4, 2002. Sponsorship was subsequently transferred to Mid-Ohio ESC on July 1, 2007 for a five year period. The Sponsorship agreement was renewed through June 30, 2016. Mid-Ohio ESC is responsible for evaluating the performance of GDA and has the authority to deny renewal of the contract at its expiration.

GDA operates under the direction of the Treasurer and a five-member Board of Directors. The Board of Directors consists of five appointed members who represent a cross-section of the community and have been selected for their expertise in assisting GDA to achieve its mission and purposes. The GDA Treasurer shall be a non-voting ex officio member of GDA’s Board of Directors. The Board of Directors is responsible for carrying out the provisions of the contract which include, but are not limited to, State-mandated provisions regarding student population, curriculum, academic goals, performance standards, admission standards, and qualifications of teachers.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The basic financial statements (BFS) of GDA have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. GDA's significant accounting policies are described below.

**GOAL DIGITAL ACADEMY COMMUNITY SCHOOL  
RICHLAND COUNTY, OHIO**

**NOTES TO BASIC FINANCIAL STATEMENTS  
FOR THE FISCAL YEAR ENDED JUNE 30, 2013**

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)**

**A. Basis of Presentation**

Enterprise accounting is used to account for operations that are financed and operated in a manner similar to private business enterprises and focuses on the determination of operating income, changes in net position, financial position, and cash flows. Enterprise accounting may be used to account for any activity for which a fee is charged to external users for goods or services.

**B. Measurement Focus and Basis of Accounting**

Enterprise accounting uses a flow of economic resources measurement focus. With this measurement focus, all assets and deferred outflows of resources and all liabilities and deferred inflows of resources are included on the balance sheet. Operating statements present increases (i.e., revenues) and decreases (i.e., expenses) in net position. The statement of cash flows reflects how GDA finances and meets its cash flow needs. Basis of accounting refers to when revenues and expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made. The accrual basis of accounting is utilized for reporting purposes. Revenues are recognized when they are earned, and expenses are recognized when they are incurred.

**C. Budgetary Process**

Unlike other public schools located in the State of Ohio, community schools are not required to follow budgetary provisions set forth in Ohio Revised Code Chapter 5705, unless specifically provided in the School's contract with its sponsor. The contract between GDA and Mid-Ohio ESC requires a detailed school budget for each year of the contract; however, the budget does not have to follow the provisions of Ohio Revised Code Chapter 5705.

**D. Cash**

All monies received by GDA are deposited in a demand deposit account. For purposes of the statement of cash flows and for presentation on the statement of net position, investments of the cash management pool and investments with an original maturity of three months or less at the time they are purchased by the GDA are presented on the financial statements as cash equivalents. The GDA did not have any investments during fiscal year 2013.

**E. Capital Assets and Depreciation**

All capital assets are capitalized at cost and updated for additions and reductions during the year. Donated capital assets are recorded at their fair market value on the date donated. GDA maintains a capitalization threshold of \$500 for non-technical and non-audiovisual equipment and \$200 for technical and audiovisual equipment. GDA does not have any infrastructure. Improvements are capitalized. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend an asset's life are not capitalized.

All capital assets are depreciated. Improvements are depreciated over the remaining useful lives of the related capital assets. Depreciation is computed using the straight-line method. Equipment is depreciated over five to fifteen years.

**GOAL DIGITAL ACADEMY COMMUNITY SCHOOL  
RICHLAND COUNTY, OHIO**

NOTES TO BASIC FINANCIAL STATEMENTS  
FOR THE FISCAL YEAR ENDED JUNE 30, 2013

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)**

**F. Operating Revenues and Expenses**

Operating revenues are those revenues that are generated directly from the primary activity of GDA. Operating expenses are necessary costs incurred to provide the service that is the primary activity of GDA. All revenues and expenses not meeting this definition are reported as non-operating.

**G. Net Position**

Net position represents the difference between assets and deferred outflows and liabilities and deferred inflows. The net position component "net investment in capital assets," consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any borrowing used for the acquisition, construction or improvement of those assets. Deferred outflows of resources and deferred inflows of resources that are attributable to the acquisition, construction or improvement of those assets or related debt also should be included in this component of net position. Net position is reported as restricted when there are limitations imposed on its use either through the enabling legislation adopted by the GDA or through external restrictions imposed by creditors, grantors or laws or regulations of other governments.

The GDA applies restricted resources first when an expense is incurred for purposes for which both restricted and unrestricted net position is available.

**H. Intergovernmental Revenue**

GDA currently participates in the State Foundation Program. Revenues received from this program are recognized as operating revenues in the accounting period in which all eligibility requirements are met.

Federal and State grants are recognized as non-operating revenues in the accounting period in which all eligibility requirements have been met. Eligibility requirements include timing requirements, which specify the year when the resources are required to be used or the fiscal year when use is first permitted, matching requirements, in which GDA must provide local resources to be used for a specified purpose, and expense requirements, in which the resources are provided to GDA on a reimbursement basis.

GDA participates in various programs through the Ohio Department of Education. These include the Title I, IDEA Part B, School Improvement, Race to the Top, Improving Teacher Quality, Education Jobs and other miscellaneous State and federal grants.

**I. Prepayments**

Payments made to vendors for services that will benefit periods beyond June 30, 2013, are recorded as prepaid items using the consumption method. A current asset for the prepaid amounts is recorded at the time of the payment by GDA and the expense is recorded when used. GDA has prepaid items for insurance of \$1,633 at June 30, 2013.

NOTES TO BASIC FINANCIAL STATEMENTS  
FOR THE FISCAL YEAR ENDED JUNE 30, 2013

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)**

**J. Estimates**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates.

**NOTE 3 - ACCOUNTABILITY AND COMPLIANCE**

**Change in Accounting Principles**

For fiscal year 2013, the GDA has implemented GASB Statement No. 60, "Accounting and Financial Reporting for Service Concession Arrangements", GASB Statement No. 61, "The Financial Reporting Entity: Omnibus an amendment of GASB Statements No. 14 and No. 34", GASB Statement No. 62, "Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA pronouncements", GASB Statement No. 63, "Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position", GASB Statement No. 65, "Items Previously Reported as Assets and Liabilities", and GASB Statement No. 66, "Technical Corrections-2012".

GASB Statement No. 60 addresses issues related to service concession arrangements (SCAs), which are a type of public-private or public-public partnership. An SCA is an arrangement between a transferor (a government) and an operator (governmental or nongovernmental entity) in which (1) the transferor conveys to an operator the right and related obligation to provide services through the use of infrastructure or another public asset (a "facility") in exchange for significant consideration and (2) the operator collects and is compensated by fees from third parties. The implementation of GASB Statement No. 60 did not have an effect on the financial statements of the GDA.

GASB Statement No. 61 modifies certain requirements for inclusion of component units in the financial reporting entity. The Statement amends the criteria for reporting component units as if they were part of the primary government in certain circumstances. Finally, the Statement also clarifies the reporting of equity interests in legally separate organizations. The implementation of GASB Statement No. 61 did not have an effect on the financial statements of the GDA.

GASB Statement No. 62 codifies accounting and financial reporting guidance contained in pre-November 30, 1989 FASB and AICPA pronouncements in an effort to codify all sources of GAAP for State and local governments so that they derive from a single source. The implementation of GASB Statement No. 62 did not have an effect on the financial statements of the GDA.

GASB Statement No. 63 provides financial and reporting guidance for *deferred outflows of resources* and *deferred inflows of resources* which are financial statement elements that are distinct from assets and liabilities. GASB Statement No. 63 standardizes the presentation of deferred outflows of resources and deferred inflows of resources and their effects on a government's *net position*. The implementation of GASB Statement No. 63 has changed the presentation of the GDA's financial statements to incorporate the concepts of net position, deferred outflows of resources and deferred inflows of resources.

FOR THE FISCAL YEAR ENDED JUNE 30, 2013**

**NOTE 3 - ACCOUNTABILITY AND COMPLIANCE - (Continued)**

GASB Statement No. 65 establishes accounting and financial reporting standards that reclassify, as *deferred outflows of resources* or *deferred inflows of resources*, certain items that were previously reported as assets and liabilities and recognizes, as outflows of resources or inflows of resources, certain items that were previously reported as assets and liabilities. GASB Statement No. 65 also provides other financial reporting guidance related to the impact of the financial statement elements *deferred outflows of resources* and *deferred inflows of resources*, such as changes in the determination of the major fund calculations and limiting the use of the term *deferred* in financial statement presentations. The implementation of GASB Statement No. 65 has changed the presentation of the GDA's financial statements.

GASB Statement No. 66 enhances the usefulness of financial reports by resolving conflicting accounting and financial reporting guidance that could diminish the consistency of financial reporting. The implementation of GASB Statement No. 66 did not have an effect on the financial statements of the GDA.

**NOTE 4 - DEPOSITS AND INVESTMENTS**

**Deposits with Financial Institutions**

At June 30, 2013, the carrying amount of all GDA deposits was \$334,029. Based on the criteria described in GASB Statement No. 40, "Deposits and Investment Risk Disclosures", as of June 30, 2013, \$141,461 of GDA's bank balance of \$391,461 was exposed to custodial credit risk as discussed below, while \$250,000 was covered by the Federal Deposit Insurance Corporation (FDIC).

Custodial credit risk is the risk that, in the event of bank failure, GDA's deposits may not be returned. All deposits are collateralized with eligible securities in amounts equal to at least 105% of the carrying value of the deposits. Such collateral, as permitted by the Ohio Revised Code, is held in single financial institution collateral pools at Federal Reserve Banks, or at member banks of the federal reserve system, in the name of the respective depository bank and pledged as a pool of collateral against all of the public deposits it holds or as specific collateral held at the Federal Reserve Bank in the name of GDA. GDA has no deposit policy for custodial credit risk beyond the requirements of State statute. Although the securities were held by the pledging institutions' trust department and are statutory requirements for the deposit of money had been followed, noncompliance with federal requirements could potentially subject GDA to a successful claim by the FDIC.

GDA was named as an additional insured party on Mid-Ohio Educational Service Center, the Sponsor, insurance policy with Ohio Casualty Insurance Company for general liability insurance and property insurance from July 1, 2007 through December 9, 2008. On December 9, 2008, GDA began coverage under its own policy through the Ohio Casualty Insurance Company. GDA transfers the entire risk of loss, less any deductible, to the commercial carrier. The following limits and deductibles are in aggregate for GDA. The Ohio Casualty Insurance Company provides general liability coverage. The general liability coverage insures up to \$1,000,000 each occurrence with a \$2,000,000 annual aggregate with additional excess liability/commercial umbrella coverage up to \$2,000,000 each occurrence with a \$3,000,000 annual aggregate.

Settled claims have not exceeded commercial insurance coverage in any of the past three fiscal years and there has been no significant reduction in insurance coverage from the previous year.

The Ohio Casualty Insurance Company provides property, crime, and equipment breakdown insurance coverage. The property coverage insures up to a specific limit per location. Each location is insured to the value of property located at that location subject of a \$1,000 deductible; commercial crime covers up to \$25,000.

**NOTE 8 - PENSION PLANS**

**A. School Employees Retirement System**

Plan Description - The GDA contributes to the School Employees Retirement System (SERS), a cost-sharing, multiple-employer defined benefit pension plan. SERS provides retirement, disability, survivor benefits, annual cost-of-living adjustments, and death benefits to plan members and beneficiaries. Authority to establish and amend benefits is provided by Chapter 3309 of the Ohio Revised Code. SERS issues a publicly available, stand-alone financial report that includes financial statements and required supplementary information. That report may be obtained by writing to the School Employees Retirement System, 300 East Broad Street, Suite 100, Columbus, Ohio 43215-3746. It is also posted on the SERS' Ohio website, [www.ohsers.org](http://www.ohsers.org), under "*Employers/Audit Resources*".

Funding Policy - Plan members are required to contribute 10 percent of their annual covered salary and the GDA is required to contribute at an actuarially determined rate. The current GDA rate is 14 percent of annual covered payroll. A portion of the GDA's contribution is used to fund pension obligations with the remainder being used to fund health care benefits. For fiscal year 2013, 13.05 percent and 0.05 percent of annual covered salary was the portion used to fund pension obligations and death benefits, respectively. The contribution requirements of plan members and employers are established and may be amended by the SERS' Retirement Board up to a statutory maximum amount of 10 percent for plan members and 14 percent for employers. Chapter 3309 of the Ohio Revised Code provides statutory authority for member and employer contributions. The GDA's required contributions for pension obligations and death benefits to SERS for the fiscal years ended June 30, 2013, 2012 and 2011 were \$95,812, \$95,226 and \$84,391, respectively; 100 percent has been contributed for fiscal years 2013, 2012 and 2011.

**B. State Teachers Retirement System of Ohio**

Plan Description - The GDA participates in the State Teachers Retirement System of Ohio (STRS Ohio), a cost-sharing, multiple-employer public employee retirement plan. STRS Ohio provides retirement and disability benefits to members and death and survivor benefits to beneficiaries. STRS Ohio issues a stand-alone financial report that may be obtained by writing to STRS Ohio, 275 E. Broad St., Columbus, OH 43215-3771, by calling (888) 227-7877, or by visiting the STRS Ohio website at [www.strsoh.org](http://www.strsoh.org), under "*Publications*".

New members have a choice of three retirement plans, a Defined Benefit (DB) Plan, a Defined Contribution (DC) Plan and a Combined Plan. The DB plan offers an annual retirement allowance based on final average salary times a percentage that varies based on years of service, or an allowance based on a member's lifetime contributions and earned interest matched by STRS Ohio funds divided by an actuarially determined annuity factor. The DC Plan allows members to place all their member contributions and employer contributions equal to 10.5 percent of earned compensation into an investment account. Investment decisions are made by the member. A member is eligible to receive a retirement benefit at age 50 and termination of employment. The member may elect to receive a lifetime monthly annuity or a lump sum withdrawal. The Combined Plan offers features of both the DC Plan and the DB Plan. In the Combined Plan, member contributions are invested by the member, and employer contributions are used to fund the defined benefit payment at a reduced level from the regular DB Plan. The DB portion of the Combined Plan payment is payable to a member on or after age 60; the DC portion of the account may be taken as a lump sum or converted to a lifetime monthly annuity at age 50. Benefits are established by Chapter 3307 of the Ohio Revised Code.

**NOTE 8 - PENSION PLANS - (Continued)**

A DB or Combined Plan member with five or more years credited service who becomes disabled may qualify for a disability benefit. Eligible spouses and dependents of these active members who die before retirement may qualify for survivor benefits. Members in the DC Plan who become disabled are entitled only to their account balance. If a member of the DC Plan dies before retirement benefits begin, the member's designated beneficiary is entitled to receive the member's account balance.

Funding Policy - For fiscal year 2013, plan members were required to contribute 10 percent of their annual covered salaries. The GDA was required to contribute 14 percent; 13 percent was the portion used to fund pension obligations. Contribution rates are established by the State Teachers Retirement Board, upon recommendations of its consulting actuary, not to exceed statutory maximum rates of 10 percent for members and 14 percent for employers. Chapter 3307 of the Ohio Revised Code provides statutory authority for member and employer contributions.

The GDA's required contributions for pension obligations to STRS Ohio for the fiscal years ended June 30, 2013, 2012 and 2011 were \$120,142, \$118,221 and \$126,663, respectively; 100 percent has been contributed for fiscal years 2013, 2012 and 2011. Contributions to the DC and Combined Plans for fiscal year 2013 were \$1,376 made by the GDA and \$983 made by the plan members.

**C. Social Security System**

Effective July 1, 1991, all employees not otherwise covered by the SERS/STRS Ohio have an option to choose Social Security or the SERS/STRS Ohio. As of June 30, 2013, certain members of the Board of Directors have elected Social Security. The GDA's liability is 6.2 percent of wages paid.

**NOTE 9 - POSTEMPLOYMENT BENEFITS**

**A. School Employees Retirement System**

Plan Description - The GDA participates in two cost-sharing, multiple employer postemployment benefit plans administered by the School Employees Retirement System (SERS) for non-certificated retirees and their beneficiaries, a Health Care Plan and a Medicare Part B Plan. The Health Care Plan includes hospitalization and physicians' fees through several types of plans including HMO's, PPO's, Medicare Advantage, and traditional indemnity plans. A prescription drug program is also available to those who elect health coverage. SERS employs two third-party administrators and a pharmacy benefit manager to manage the self-insurance and prescription drug plans, respectively. The Medicare Part B Plan reimburses Medicare Part B premiums paid by eligible retirees and beneficiaries as set forth in Section 3309.69 of the Ohio Revised Code. Qualified benefit recipients who pay Medicare Part B premiums may apply for and receive a monthly reimbursement from SERS. The reimbursement amount is limited by statute to the lesser of the January 1, 1999 Medicare Part B premium or the current premium. The Medicare Part B monthly premium for calendar year 2013 was \$104.90 for most participants, but could be as high as \$335.70 per month depending on their income and the SERS' reimbursement to retirees was \$45.50. Benefit provisions and the obligations to contribute are established by the System based on authority granted by State statute. The financial reports of both Plans are included in the SERS Comprehensive Annual Financial Report which is available by contacting SERS at 300 East Broad St., Suite 100, Columbus, Ohio 43215-3746. It is also posted on the SERS' Ohio website, [www.ohsers.org](http://www.ohsers.org), under "Employers/Audit Resources".

**NOTES TO BASIC FINANCIAL STATEMENTS  
FOR THE FISCAL YEAR ENDED JUNE 30, 2013**

**NOTE 9 - POSTEMPLOYMENT BENEFITS - (Continued)**

Funding Policy - State statute permits SERS to fund the health care benefits through employer contributions. Each year, after the allocation for statutorily required benefits, the Retirement Board allocates the remainder of the employer contribution of 14 percent of covered payroll to the Health Care Fund. The Health Care Fund was established and is administered in accordance with Internal Revenue Code Section 105(e). For 2013, 0.16 percent of covered payroll was allocated to health care. An additional health care surcharge on employers is collected for employees earning less than an actuarially determined minimum compensation amount, pro-rated according to service credit earned. Statutes provide that no employer shall pay a health care surcharge greater than 2.0 percent of that employer's SERS-covered payroll; nor may SERS collect in aggregate more than 1.5 percent of the statewide SERS-covered payroll for the health care surcharge. For fiscal year 2013, the actuarially determined amount was \$20,525.

Active members do not contribute to the postemployment benefit plans. The Retirement Board establishes the rules for the premiums paid by the retirees for health care coverage for themselves and their dependents or for their surviving beneficiaries. Premiums vary depending on the plan selected, qualified years of service, Medicare eligibility and retirement status.

The GDA's contributions for health care (including surcharge) for the fiscal years ended June 30, 2013, 2012 and 2011 were \$7,039, \$8,768 and \$14,547, respectively; 100 percent has been contributed for fiscal years 2013, 2012 and 2011.

The Retirement Board, acting with advice of the actuary, allocates a portion of the employer contribution to the Medicare B Fund. For fiscal year 2013, this actuarially required allocation was 0.74 percent of covered payroll. The GDA's contributions for Medicare Part B for the fiscal years ended June 30, 2013, 2012, and 2011 were \$5,412, \$5,624 and \$5,431, respectively; 100 percent has been contributed for fiscal years 2013, 2012 and 2011.

**B. State Teachers Retirement System of Ohio**

Plan Description - The GDA contributes to the cost sharing, multiple employer defined benefit Health Plan (the "Plan") administered by the State Teachers Retirement System of Ohio (STRS Ohio) for eligible retirees who participated in the defined benefit or combined pension plans offered by STRS Ohio. Benefits include hospitalization, physicians' fees, prescription drugs and reimbursement of monthly Medicare Part B premiums. The Plan is included in the report of STRS Ohio which may be obtained by visiting [www.strsoh.org](http://www.strsoh.org), under "Publications" or by calling (888) 227-7877.

Funding Policy - Ohio law authorizes STRS Ohio to offer the Plan and gives the Retirement Board authority over how much, if any, of the health care costs will be absorbed by STRS Ohio. Active employee members do not contribute to the Plan. All benefit recipients pay a monthly premium. Under Ohio law, funding for post-employment health care may be deducted from employer contributions. For 2013, STRS Ohio allocated employer contributions equal to 1 percent of covered payroll to the Health Care Stabilization Fund. The GDA's contributions for health care for the fiscal years ended June 30, 2013, 2012 and 2011 were \$9,242, \$9,094 and \$9,743, respectively; 100 percent has been contributed for fiscal years 2013, 2012 and 2011.

**NOTE 10 - CONTINGENCIES**

**A. Grants**

The GDA received financial assistance from federal and State agencies in the form of grants. The expenditure of funds received under these programs generally requires compliance with terms and conditions specified in the grant agreements and are subject to audit by the grantor agencies. Any disallowed claims resulting from such audits could become a liability. However, in the opinion of management, any such disallowed claims will not have a material adverse effect on the overall financial position of GDA at June 30, 2013.

**B. State Foundation Funding**

The Ohio Department of Education conducts reviews of enrollment data and full-time equivalency (FTE) calculations made by the schools. These reviews are conducted to ensure the schools are reporting accurate student enrollment data to the State, upon which State foundation funding is calculated. The GDA anticipates no adjustments to State funding for fiscal year 2014, as a result of the reviews which have yet to be completed.

**C. Litigation**

GDA is not a party to legal proceedings that, in the opinion of management, would have a material adverse effect on the financial statements.

**NOTE 11 - SERVICE CONTRACT**

Mid-Ohio ESC and GDA entered into a service contract agreement. This agreement states that GDA may contract for various services from the Mid-Ohio ESC and reimburse the Board of Governors for these services. Other services may be provided based on mutual consent of both GDA and Mid-Ohio ESC.

**Independent Auditor's Report on Internal Control Over Financial Reporting and on  
Compliance and Other Matters Required by *Government Auditing Standards***

GOAL Digital Academy Community School  
Richland County  
890 W. Fourth Street, Suite 400  
Mansfield, Ohio 44906

To the Board of Directors:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of the GOAL Digital Academy Community School, Richland County, Ohio, as of and for the fiscal year ended June 30, 2013, and the related notes to the financial statements, which collectively comprise the GOAL Digital Academy Community School's basic financial statements and have issued our report thereon dated October 23, 2013.

***Internal Control Over Financial Reporting***

As part of our financial statement audit, we considered the GOAL Digital Academy Community School's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinion on the financial statements, but not to the extent necessary to opine on the effectiveness of the GOAL Digital Academy Community School's internal control. Accordingly, we have not opined on it.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the GOAL Digital Academy Community School's financial statements. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist.

Board of Directors  
GOAL Digital Academy Community School

***Compliance and Other Matters***

As part of reasonably assuring whether the GOAL Digital Academy Community School's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

We did note certain matters not requiring inclusion in this report that we reported to the GOAL Digital Academy Community School's management in a separate letter dated October 23, 2013.

***Purpose of this Report***

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the GOAL Digital Academy Community School's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the GOAL Digital Academy Community School's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
