## INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON-PROCEDURES

Debbie Liddil, Chief Auditor  
Auditor of State

Columbus, OH 43215

Dear Mr. Brown and Ms. Liddil:

We have performed the procedures enumerated below, which were agreed to by the management of the State Board of Deposit (BOD) and Auditor of State solely to assist you in gaining assurance over compliance with Revised Code Chapter 135 requirements and the accuracy of bank fees paid during the fiscal year ended June 30, 2013. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' Government Auditing Standards. The sufficiency of these procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. Our procedures and findings are described in the following section of this report.

1. We reviewed the monthly BOD minutes to determine whether a quorum was present, prior minutes were approved, and minutes contained sufficient facts and information to understand rationale behind decisions made. The BOD is required to meet monthly per Section 135.02, Revised Code.

*Findings:* Pursuant to our review of the monthly BOD minutes, we noted that a quorum was present and prior minutes were approved each month. In addition, the minutes contained sufficient facts and information to understand the rationale behind decisions made.

2. We determined that interim deposits (investments) were approved by the BOD on a monthly basis. Section 135.09, Revised Code states that interim deposits may be awarded by the treasurer or governing board as interim moneys become available.

*Findings:* Pursuant to our review of the monthly BOD minutes, we noted that a motion was moved and carried each month to ratify the previous months' interim funds.

3. For fiscal year 2013, we obtained copies of Treasurer of State-prepared "Monthly Fee Analysis" Excel spreadsheets (hard and soft copies) that were prepared to analyze the monthly account analysis statements (i.e., bank statements) for the ten most significant sub-accounts of the State's primary bank (currently Key Bank), and:

- a. We determined that the standard deviation formula within the spreadsheet was calculated correctly.

*Findings:* We did not note any exceptions.

- b. We haphazardly select ten monthly fees from the ten analysis spreadsheets and traced to the bank statements.

*Findings:* We did not note any exceptions.

- c. We haphazardly selected five monthly fees from the ten analysis spreadsheets that were identified by the TOS Bank Counsel as exceeding two standard deviations and thus requiring investigation per Treasurer of State policy and obtained supporting documentation for the difference in monthly bank fees to verify the differences were explained and documented.

*Findings:* We did not note any exceptions.

We were not engaged to and did not conduct an examination or a review of the subject matter, the objectives of which would be the expression of an opinion or limited assurance on compliance with Revised Code Chapter 135 requirements and the accuracy of bank fees paid during the fiscal year ended June 30, 2013. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the State Board of Deposit and Auditor of State, and is not intended to be, and should not be used by anyone other than these specified parties.
