INDEPENDENT AUDITOR'S REPORT

Village of Scott Van Wert/Paulding County P.O. Box 155 Scott, Ohio 45886

To the Village Council:

Report on the Financial Statements

We have audited the accompanying financial statements and related notes of the Village of Scott, Van Wert/Paulding County, (the Village) as of and for the years ended December 31, 2012 and 2011.

Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting these financial statements in accordance with the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03; this responsibility includes designing, implementing and maintaining internal control relevant to preparing and fairly presenting financial statements free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Village's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Village's internal control. Accordingly, we express no opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1B of the financial statements, the Village prepared these financial statements using the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03, which is an accounting basis other than accounting principles generally accepted in the United States of America, to satisfy requirements.

Village of Scott Van Wert/Paulding County Independent Auditor's Report Page 2

The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 1B and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Village as of December 31, 2012 and 2011, or changes in financial position thereof for the years then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined cash balances of Village of Scott, Van Wert/Paulding County as of December 31, 2012 and 2011, and its combined cash receipts and disbursements for the years then ended in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 permits, described in Note 1B.

Emphasis of Matter

As discussed in Note 2 to the financial statements, during 2011 the Village of Scott adopted new accounting guidance in Governmental Accounting Standards Board Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*. Our opinion is not modified with respect to this matter.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 24, 2013, on our consideration of the Village's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Village's internal control over financial reporting and compliance.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2012 AND 2011

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Description of the Entity

The constitution and laws of the State of Ohio establish the rights and privileges of the Village of Scott, Van Wert and Paulding Counties, (the Village) as a body corporate and politic. A publicly-elected six-member Council directs the Village. The Village provides street lighting and street maintenance and repair, park operations, fire protection services, EMS services and police services. The Village contracts with the Van Wert and Paulding County Sheriff's department to provide security of persons and property. The Village appropriates fire fund money to support a volunteer fire department.

The Village participates in the Ohio Plan Risk Management Inc. (the "Plan"), an unincorporated non-profit association providing a formalized, jointly administered self-insurance risk management program and other administrative services to approximately 750 Ohio governments ("Members").

The Village's management believes these financial statements present all activities for which the Village is financially accountable.

B. Accounting Basis

These financial statements follow the accounting basis the Auditor of State prescribes or permits. This basis is similar to the cash receipts and disbursements accounting basis. The Village recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the Auditor of State prescribes or permits.

C. Deposits and Investments

The Village's accounting basis includes investments as assets. This basis does not record disbursements for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

Money market mutual funds (including STAR Ohio) are recorded at share values the mutual funds report.

D. Fund Accounting

The Village uses fund accounting to segregate cash and investments that are restricted as to use. The Village classifies its funds into the following types:

1. General Fund

The General Fund accounts for and reports all financial resources not accounted for and reported in another fund.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2012 AND 2011 (Continued)

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

2. Special Revenue Funds

These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Village had the following significant Special Revenue Funds:

Fire Fund - This fund receives tax levy monies, grant monies, donations and charges for services to provide fire protection to the Village and other area Townships and Villages.

EMS Fund – This fund receives tax levy monies, grant monies, donations and charges for services to provide emergency medical services to the Village and other area Townships and Villages.

Parks Recreation Fund - This fund receives grant monies for park path lighting and electric and playground upgrades.

3. Capital Project Funds

These funds account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlays, including the acquisition or construction of capital facilities and other capital assets. The Village had the following significant capital project fund:

ODNR State Grant Fund – This fund received grant monies to be used for the development of a nature trail.

E. Budgetary Process

The Ohio Revised Code requires that each fund be budgeted annually.

1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control and appropriations may not exceed estimated resources. The Village Council must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Unencumbered appropriations lapse at year end.

2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must also approve estimated resources.

3. Encumbrances

The Ohio Revised Code requires the Village to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated. The Village did not encumber all commitments required by Ohio law.

A summary of 2012 and 2011 budgetary activity appears in Note 4.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2012 AND 2011 (Continued)

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

F. Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the Village must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

1. Non-spendable

The Village classifies assets as *non-spendable* when legally or contractually required to maintain the amounts intact.

2. Restricted

Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

3. Committed

Council can *commit* amounts via formal action (resolution). The Village must adhere to these commitments unless the Council amends the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

4. Assigned

Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. Governmental funds other than the general fund report all fund balances as *assigned* unless they are restricted or committed. In the general fund, *assigned* amounts represent intended uses established by Village Council or a Village official delegated that authority by resolution, or by State Statute.

5. Unassigned

Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Village applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

G. Property, Plant, and Equipment

The Village records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2012 AND 2011 (Continued)

2. CHANGE IN ACCOUNTING PRINCIPLE

For fiscal year 2011, the Village implemented Governmental Accounting Standard Board (GASB) Statement No. 54. Implementing GASB Statement No. 54 did not have an effect on fund balances previously reported.

3. EQUITY IN POOLED DEPOSITS AND INVESTMENTS

The Village maintains a deposit and investments pool all funds use. The Ohio Revised Code prescribes allowable deposits and investments. The carrying amount of deposits and investments at December 31 was as follows:

	2012	2011
Demand deposits	\$112,896	\$ 84,433
STAR Ohio	45,851	45,820
Total deposits and investments	\$158,747	\$130,253

Deposits: Deposits are insured by the Federal Depository Insurance Corporation; or collateralized by the financial institution's public entity deposit pool.

Investments: Investments in STAR Ohio and mutual funds are not evidenced by securities that exist in physical or book-entry form.

4. BUDGETARY ACTIVITY

Budgetary activity for the years ending December 31, 2012 and 2011 follows:

2012 Budgeted vs. Actual Receipts				
Budgeted Actual				
Fund Type	Receipts	Receipts	Variance	
General	\$ 35,910	\$ 38,198	\$ 2,288	
Special Revenue	91,115	108,524	17,409	
Total	\$127,025	\$146,722	\$19,697

4. BUDGETARY ACTIVITY (Continued)

2011 Budgeted vs. Actual Budgetary Basis Expenditures					
Appropriation Budgetary					
Fund Type	Authority	Expenditures	Variance		
General	\$ 46,755	\$ 39,757	\$ 6,998		
Special Revenue	114,458	193,330	(78,872)		
Total	\$161,213	\$233,087	(\$71,874)		

Contrary to Ohio law, the Village did not approve budgetary amendments made to the system for both 2012 and 2011 for the following funds: General, Street Construction Maintenance and Repair, Parks and Recreation, Fire, and EMS funds. Also the Village had expenditures exceeded appropriations in the Street Construction, Maintenance and Repair Fund, Parks and Recreation Fund, Fire Fund, and EMS Fund by \$1,952, \$4,266, \$69,186, and \$3,529 respectively in 2011.

5. PROPERTY TAX

Real property taxes become a lien on January 1 preceding the October 1 date for which the Council adopted tax rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. The financial statements include homestead and rollback amounts the State pays as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

Tangible personal property tax is assessed by the property owners, who must file a list of such property to the County by each April 30.

The County is responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Village.

6. RETIREMENT SYSTEMS

The Village's officials and employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plans' benefits, which include postretirement healthcare and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. For 2012 and 2011, OPERS members contributed 10% of their gross salaries and the Village contributed an amount equaling 14% of participants' gross salaries. The Village has paid all contributions required through December 31, 2012.

7. RISK MANAGEMENT

The Village belongs to the Ohio Plan Risk Management, Inc. (OPRM) - formerly known as the Ohio Risk Management Plan, (the "Plan"), a non-assessable, unincorporated non-profit association providing a formalized, jointly administered self-insurance risk management program and other administrative services to Ohio governments ("Members"). The Plan is legally separate from its member governments.

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2012 AND 2011 (Continued)

7. RISK MANAGEMENT (Continued)

Pursuant to Section 2744.081 of the Ohio Revised Code, the plan provides property, liability, errors and omissions, law enforcement, automobile, excess liability, crime, surety and bond, inland marine and other coverages to its members sold through fourteen appointed independent agents in the State of Ohio.

OPRM coverage programs are developed specific to each member's risk management needs and the related premiums for coverage are determined through the application of uniform underwriting criteria addressing the member's exposure to loss, except OPRM retains 41.5% (41.5% effective November 1, 2011, 40% through October 31, 2011 and 17.5% through October 31, 2010) of the premium and losses on the first \$250,000 casualty treaty and 10% of the first \$1,000,000 property treaty. Members are only responsible for their self-retention (deductible) amounts, which vary from member to member. OPRM had 782 and 761 members as of December 31, 2011 and 2010 respectively.

Plan members are responsible to notify the Plan of their intent to renew coverage by their renewal date. If a member chooses not to renew with the Plan, they have no other financial obligation to the Plan, but still need to promptly notify the Plan of any potential claims occurring during their membership period. The former member's covered claims, which occurred during their membership period, remain the responsibility of the Plan. Settlement amounts did not exceed insurance coverage for the past three fiscal years.

The Pool's audited financial statements conform with generally accepted accounting principles, and reported the following assets, liabilities and retained earnings at December 31: 2011 and 2010 (the latest information available).

	2011	2010
Assets	\$12,501,280	\$12,036,541
Liabilities	(5,328,761)	(4,845,056)
Members' Equity	\$ 7,172,519	\$ 7,191,485

You can read the complete audited financial statements for OPRM at the Plan's website, www.ohioplan.org.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Village of Scott Van Wert/Paulding County P.O. Box 155 Scott, Ohio 45886

To the Village Council:

We have audited in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of the Village of Scott, Van Wert/Paulding County, (the Village) as of and for the years ended December 31, 2012 and 2011, and the related notes to the financial statements and have issued our report thereon dated June 24, 2013 wherein we noted the Village adopted the provisions of Governmental Accounting Standards board Statement No. 54, *Fund Balance and Governmental Fund Type Definitions* for the year ended December 31, 2011. We also noted the Village followed financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 permit, described in Note 1(B).

Internal Control Over Financial Reporting

As part of our financial statement audit, we considered the Village's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinion on the financial statements, but not to the extent necessary to opine on the effectiveness of the Village's internal control. Accordingly, we have not opined on it.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Therefore, unidentified material weaknesses or significant deficiencies may exist. However, as described in the accompanying schedule of findings we identified certain deficiencies in internal control over financial reporting, that we consider material weaknesses.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or a combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Village's financial statements. We consider findings 2012-02 and 2012-04 described in the accompanying schedule of findings to be material weaknesses.

Compliance and Other Matters

As part of reasonably assuring whether the Village's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed instances of noncompliance or other matters we must report under *Government Auditing Standards* which are described in the accompanying schedule of findings as items 2012-01 through 2012-03.

One First National Plaza, 130 W. Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Village's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Village's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

SCHEDULE OF FINDINGS DECEMBER 31, 2012 AND 2011

FINDINGS RELATED TO THE FINANCIAL STATEMENTS REQUIRED TO BE REPORTED IN ACCORDANCE WITH GAGAS

FINDING NUMBER 2012-01

Noncompliance Citation

Ohio Revised Code Section 5705.41(D)(1) states that no orders or contracts involving the expenditure of money are to be made unless there is attached thereto a certificate of the fiscal officer certifying that the amount required for the order or contract has been lawfully appropriated and is in the treasury or in the process of collection to the credit of an appropriate fund free from any previous encumbrances. Every such contract made without such a certificate shall be void and no warrant shall be issued in payment of any amount due thereon. There are several exceptions to the standard requirement stated above that a fiscal officer's certificate must be obtained prior to a subdivision or taxing authority entering into a contract or order involving the expenditure of money. The main exceptions are: "then and now" certificates, blanket certificates, and super blanket certificates, which are provided for in sections 5705.41(D)(1) and 5705.41(D)(3), respectively, of the Ohio Revised Code.

- 1. "Then and Now" certificate If the fiscal officer can certify that both at the time that the contract or order was made ("then"), and at the time that the fiscal officer is completing the certification ("now"), that sufficient funds were available or in the process of collection, to the credit of a proper fund, properly appropriated and free from any previous encumbrance, the Village Council (the Council) can authorize the drawing of a warrant for the payment of the amount due. Council has thirty days from the receipt of the "then and now" certificate to approve payment by resolution. Amounts of less than \$3,000 may be paid by the fiscal officer without a resolution upon completion of the "then and now" certificate, provided that the expenditure is otherwise lawful. This does not eliminate any otherwise applicable requirement for approval of expenditures by the Council.
- 2. Blanket Certificate Fiscal officers may prepare "blanket" certificates for a certain sum of money not in excess of an amount established by resolution or ordinance adopted by a majority of the members of the legislative authority against any specific line item account over a period not running beyond the end of the current fiscal year. The blanket certificates may, but need not, be limited to a specific vendor. Only one blanket certificate may be outstanding at one particular time for any one particular line item appropriation.
- 3. Super Blanket Certificate The Council may also make expenditures and contracts for any amount from a specific line-item appropriation account in a specified fund upon certification of the fiscal officer for most professional services, fuel, oil, food items, and any other specific recurring and reasonably predictable operating expense. This certification is not to extend beyond the current year. More than one super blanket certificate may be outstanding at a particular time for any line item appropriation.

The Village of Scott did not properly certify the availability of funds prior to purchase commitment for 100% of expenditures tested in 2012 and 2011. Failure to properly certify the availability of funds can result in overspending funds and could lead to negative cash fund balances. Unless the exceptions noted above are used, prior certification is not only required by statute, but is a key control in the disbursement procedures to certify that the funds are or will be available prior to the obligation to improve controls over disbursements and to help reduce the possibility of the Village's funds exceeding budgetary spending limitations. When prior certification is not possible, a "then and now" certification should be used, if appropriate.

FINDING NUMBER 2012-02

Noncompliance Citation/Material Weakness

Ohio Rev. Code Section 5705.40 provides in part that any appropriation measure may be amended or supplemented if the entity complies with the same laws used in making the original appropriation. The following variances were noted in 2012 and 2011:

	2012		
Funds	Approved Annual Appropriation Measure	Amounts per the Appropriation Status Report	Variance
General Fund	\$46,988.41	\$50,328.15	(\$3,339.74)
Street Construction, Maintenance and Repair	\$16,063.65	\$24,163.59	(\$8,099.94)
Parks and Recreation	\$ 4,251.01	\$ 5,660.77	(\$1,409.76)
Fire Fund	\$40,482.85	\$48,007.60	(\$7,524.75)
EMS Fund	\$27,439.34	\$31,356.48	(\$3,917.14)

	2011		
Funds	Approved Annual Appropriation Measure	Amounts Per the Appropriation Status Report	Varianc e
General Fund	\$46,755.00	\$ 50,827.08	(\$ 4,072.08)
Street Construction, Maintenance and Repair	\$10,133.00	\$ 15,067.29	(\$ 4,934.29)
Parks and Recreation	\$41,550.00	\$ 48,345.00	(\$ 6,795.00)
Fire Fund	\$43,347.19	\$122,155.95	(\$78,808.76)
EMS Fund	\$19,277.65	\$ 50,214.22	(\$30,936.57)

Failure to obtain Council approval for all amendments could result in expenditures being made that are not within the intentions of Council. The accompanying notes to the financial statements reflect the above noted adjustments.

The Village should develop policies and implement procedures to assure that all appropriation amendments are properly approved by Council prior to being posted to the Village's system and submitted to the County Budget Commission.

FINDING NUMBER 2012-03

Noncompliance Citation

Ohio Rev. Code Section 5705.41 (B) provides that no subdivision or taxing unit is to expend money unless it has been appropriated.

Expenditures exceeded appropriations in the Street Construction, Maintenance and Repair Fund, Parks and Recreation Fund, and EMS Fund by \$1,952, \$4,266, \$69,186, and \$3,529 respectively in 2011.

The Village should monitor budgeted appropriations and actual expenditures throughout the year to ensure that expenditures are within the appropriation that were approved by Council.

Village of Scott Van Wert/Paulding County Schedule of Findings Page 3

FINDING NUMBER 2012-04

Material Weakness

Classifying Revenues

The Village posted all transactions to the cash journal and revenue ledger; however, not all transactions were posted to the correct accounts. The chart of accounts is to be used for posting of revenue activity outlined in the Ohio Village Officer's Handbook and the Uniform Accounting Network (UAN) chart of accounts. The following items were not posted in accordance with the chart of accounts during 2012 and 2011:

- Homestead and rollback and personal property tax replacement were recorded as taxes in the General and Special Revenue Funds for 2012 rather than intergovernmental revenue in the amount of \$2,354 (6%) and \$791 (1%), respectively.
- Insurance payments received from the wind storm were recorded as an extraordinary item in the Special Revenue Fund in 2012 rather than miscellaneous revenue in the amount of \$12,632, a 13% variance.
- Homestead and rollback, intangible tax, personal property tax replacement, and deregulation were recorded as taxes in the General Fund for 2011 rather than intergovernmental revenue in the amount of \$3,069 (8%) variance.
- Homestead and rollback, personal property tax replacement, and deregulation were recorded as taxes in the Special Revenue Fund for 2011 rather than intergovernmental revenue in the amount of \$1,018 (1%) variance.

The failure to correctly classify financial activity in the accounting records and financial statements may impact a user's understanding of the financial operations. The accompanying financial statements have been adjusted to correct the errors identified above.

The Fiscal Officer should review the Ohio Village Officer's Handbook, UAN chart of accounts, and other resources on guidance in correctly classifying receipts. Periodically, the Village Council should perform a review of the accounting records to help identify errors and/or irregularities in a timely manner and prior to completion of the annual financial statements.

Client's Response: We did not receive a response from Officials to the Findings reported above.
