Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Required by Government Auditing Standards	11

INDEPENDENT AUDITOR'S REPORT

Westerville Industry and Commerce Corporation Franklin County 21 South State Street Westerville, Ohio 43086

To the Board of Trustees:

Report on the Financial Statements

We have audited the accompanying financial statements of Westerville Industry and Commerce Corporation, Franklin County, Ohio (a nonprofit corporation) (the Corporation), as of and for the years ended December 31, 2012 and 2011, and the related notes to the financial statements, which collectively comprise the Corporation's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes designing, implementing, and maintaining internal control relevant to preparing and fairly presenting financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing those risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Corporation's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Corporation's internal control. Accordingly, we express no opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our opinion.

Westerville Industry and Commerce Corporation Franklin County Independent Auditor's Report Page 2

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Westerville Industry and Commerce Corporation, Franklin County, Ohio as of December 31, 2012 and 2011, and the changes in its financial position and its cash flows for the years then ended in accordance with the accounting principles generally accepted in the United States of America.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated July 29, 2013, on our consideration of the Corporation's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Corporation's internal control over financial reporting and compliance.

Dave Yost Auditor of State

Columbus, Ohio

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEARS ENDED DECEMBER 31, 2012 AND 2011

1. DESCRIPTION OF ENTITY

The Westerville Industry and Commerce Corporation (the Corporation) is a not-for-profit community improvement corporation organized and existing under Chapter 1724 of the Ohio Revised Code. The Corporation was established September 20, 1965, as certified by the Secretary of State of Ohio. The Board has seven (7) members. Three members of the Board are from the public sector and four members are from the private sector. One of the public sector members also serves as a member of Westerville City Council. The Corporation, as a nonprofit community improvement corporation, was formed for the purpose of advancing, encouraging, and promoting the industrial, economic, commercial and civic development of the City of Westerville.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Corporation have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Basis of Presentation – Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-for-Profit Organizations*. Under SFAS No. 117, the Corporation is required to report information regarding its financial position and activities according to three classes of net position: unrestricted net position, temporarily restricted net position, and permanently restricted net position. As of December 31, 2012 and 2011 net position is either temporarily restricted or unrestricted. The Corporation applies temporarily restricted resources first when expenditures are incurred for purposes for which either temporarily restricted or unrestricted amounts are available.

Use of Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

3. CASH DEPOSITS

All cash is covered by the Federal Depository Insurance Corporation.

4. LOANS RECEIVABLE

The Board reviews and approves the awarding of certain loans to corporations wishing to locate within the City of Westerville as a means to incentivize job creation. Repayment of the loans is normally forgiven if certain income tax revenues are generated by the company within a specified period of time. For fiscal year 2012, loans of \$20,000 and \$31,900 were forgiven and for fiscal year 2011, no loans were forgiven. When repayment does occur, the monies repaid are used to fund additional loans. The receivable represents the loans outstanding at the balance sheet date, net uncollectible loans.

5. FAÇADE IMPROVEMENT PROGRAM

The Board reviews and approves the awarding of grants to corporations to improve company buildings in the Uptown Westerville area as a means to keep the area in shape. Grants are not repaid by the companies. The amounts disbursed for grants are recorded as an expense on the income statement.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2012 AND 2011 (Continued)

6. SUBSEQUENT EVENT

The City of Westerville appropriated \$200,000 to the Corporation in 2013 for the purpose of administering a Commercial and Industrial Energy Savings Program. The Board will review and approve the awarding of incentive funding to commercial and industrial customers for implementing energy efficiency projects.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Westerville Industry and Commerce Corporation Franklin County 21 South State Street Westerville, Ohio 43086

To the Board of Trustees:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of Westerville Industry and Commerce Corporation, Franklin County, Ohio, (a nonprofit corporation) (the Corporation) as of and for the years ended December 31, 2012 and 2011, and the related notes to the financial statements, and have issued our report thereon dated July 29, 2013.

Internal Control Over Financial Reporting

As part of our financial statement audit, we considered the Corporation's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinion on the financial statements, but not to the extent necessary to opine on the effectiveness of the Corporation's internal control. Accordingly, we have not opined on it.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A material weakness is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Corporation's financial statements. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist.

Compliance and Other Matters

As part of reasonably assuring whether the Corporation's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

88 East Broad Street, Tenth Floor, Columbus, Ohio 43215-3506 Phone: 614-466-3402 or 800-443-9275 Fax: 614-728-7199 www.ohioauditor.gov Westerville Industry and Commerce Corporation Franklin County Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Required by Government Auditing Standards Page 2

Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Corporation's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Corporation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
