INDEPENDENT AUDITOR'S REPORT

Family and Children First Council
Richland County
171 Park Avenue East
Mansfield, Ohio 44902

To the Council:

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Family and Children First Council, Richland County, Ohio (the Council), as of and for the year ended December 31, 2012, and the related notes to the financial statements, which collectively comprise the Council's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting these financial statements in accordance with the cash accounting basis Note 2 describes. This responsibility includes determining that the cash accounting basis is acceptable for the circumstances. Management is also responsible for designing, implementing and maintaining internal control relevant to preparing and fairly presenting financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Council's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Council's internal control. Accordingly, we express no opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinions.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective cash financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Family and Children First Council, Richland County, Ohio, as of December 31, 2012, and the respective changes in cash financial position thereof for the year then ended in accordance with the accounting basis described in Note 2.

Accounting Basis

We draw attention to Note 2 of the financial statements, which describes the accounting basis, which differs from generally accepted accounting principles. We did not modify our opinion regarding this matter.

Other Matters

Supplemental and Other Information

We audited to opine on the Council's financial statements that collectively comprise its basic financial statements.

Management's Discussion & Analysis includes tables of net cash position, change in net cash position, and governmental activities. This information provides additional analysis and is not a required part of the basic financial statements.

These tables are management's responsibility, and derive from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. We subjected these tables to the auditing procedures we applied to the basic financial statements. We also applied certain additional procedures, including comparing and reconciling these tables directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and in accordance with auditing standards generally accepted in the United States of America. In our opinion, these tables are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Other than the aforementioned procedures applied to the tables, we applied no procedures to any other information in Management's Discussion & Analysis, and we express no opinion or any other assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 25, 2014, on our consideration of the Council's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Council's internal control over financial reporting and compliance.

**MANAGEMENT'S DISCUSSION AND ANALYSIS
FOR THE YEAR ENDED DECEMBER 31, 2012
UNAUDITED**

The management's discussion and analysis of the Richland County Family and Children First Council's (the "Council") financial performance provides an overall review of the Council's financial activities for the year ended December 31, 2012, within the limitations of the Council's cash basis of accounting. The intent of this discussion and analysis is to look at the Council's financial performance as a whole; readers should also review the cash-basis basic financial statements and the notes to the financial statements to enhance their understanding of the Council's financial performance.

Financial Highlights

Key financial highlights for 2012 are as follows:

- The total net cash position of the governmental activities increased \$104,149, which represents a 12.21% increase over fiscal year 2011.
- The Council had \$1,045,912 in cash disbursements related to governmental activities; \$1,150,061 of these cash disbursements were offset by program specific grants or contributions.
- The Council's major funds are the General Fund and the Help Me Grow Fund. The General Fund had cash receipts of \$569,775 in 2012. The cash disbursements of the General Fund totaled \$484,606 in 2012. The General Fund's cash balance increased \$85,169 from 2011 to 2012.
- The Help Me Grow Fund had cash receipts of \$510,084 in 2012 and cash disbursements of \$453,501. The Help Me Grow Fund's cash balance increased \$56,583.

Using these Basic Financial Statements (BFS)

This annual report is presented in a format consistent with the presentation requirements of the Governmental Accounting Standards Board (GASB) Statement No. 34, as applicable to the Council's cash basis of accounting.

The Statement of Net Position - Cash Basis and Statement of Activities - Cash Basis provide information about the activities of the whole Council, presenting both an aggregate view of the Council's cash basis finances. Fund financial statements provide the next level of detail. For governmental funds, these statements tell how services were financed in the short-term as well as what remains for future spending. The fund financial statements also look at the Council's most significant funds with all other nonmajor funds presented in total in one column. In the case of the Council, the General Fund and the Help Me Grow fund are the only two major governmental funds. The Council had two nonmajor governmental funds.

Reporting the Council as a Whole

Statement of Net Position and the Statement of Activities

The Statement of Net Position - Cash Basis and the Statement of Activities - Cash Basis answer the question, "How did we do financially during 2012?" These statements include *only net position* using the *cash basis of accounting*, which is a basis of accounting other than accounting principles generally accepted in the United States of America. This basis of accounting takes into account only the current year's receipts and disbursements if the cash is actually received or paid.

These two statements report the Council's net position and changes in those assets on a cash basis. This change in net cash position is important because it tells the reader that, for the Council as a whole, the cash basis financial position of the Council has improved or diminished. The causes of this change may be the result of many factors, some financial, some not. Non-financial factors include the Council's facility conditions, mandated federal and State programs and other factors.

As a result of the use of the cash basis of accounting, certain assets and their related revenues (such as accounts receivable and revenue for billed or provided services not collected) and liabilities and their related expenses (such as accounts payable and expenses for goods or services received, but not yet paid and accrued expenses and liabilities) are not recorded in these financial statements. Therefore, when reviewing the financial information and discussion within this annual report, the reader should keep in mind the limitations resulting from the use of the cash basis of accounting.

In the Statement of Net Position - Cash Basis and the Statement of Activities - Cash Basis, the governmental activities includes the Council's programs and services including subsidy services and other community services.

The Statement of Net Position - Cash Basis and the Statement of Activities - Cash Basis can be found on pages 10-11 of this report.

Reporting the Council's Most Significant Funds

Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Council, like other State and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the Council can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds. The Council has no proprietary or fiduciary funds.

Fund financial reports provide detailed information about the Council's major funds. The Council uses several funds to account for its financial transactions. However, these financial statements focus on the Council's most significant funds. The Council's only major governmental funds are the General Fund and the Help Me Grow Fund. The analysis of the Council's major governmental funds begins on page 8.

Governmental Funds

The Council's activities are reported in governmental funds, which focus on how money flows into and out of those funds and the balances left at year-end available for spending in future periods. These funds are reported using the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The governmental fund statements provide a detailed view of the Council's general government operations and the basic services it provides. Governmental fund information helps you determine whether there are more or fewer cash basis financial resources that can be readily spent to finance various Council programs. Since the Council is reporting on the cash basis of accounting, there are no differences in the net position and fund cash balances or changes in net position and changes in fund cash balances. Therefore, no reconciliation is necessary between such financial statements. The governmental fund statements can be found on pages 12-13 of this report.

NOTE 1 - DESCRIPTION OF THE COUNCIL - (Continued)

A County Family and Children First Council may invite any other local public or private agency or group that funds, advocates, or provides services to children to have a representative become a permanent or temporary member of the Council.

The purpose of the County Council is to streamline and coordinate existing government services for families seeking services for their children. In seeking to fulfill its purpose, a County Council shall provide for the following:

- a. Referrals to the Cabinet Council of those children for whom the County Council cannot provide adequate services;
- b. Development and implementation of a process that annually evaluates and prioritizes services, fills service gaps where possible, and invents new approaches to achieve better results for families and children;
- c. Participation in the development of a countywide, comprehensive, coordinated, multi-disciplinary interagency system for infants and toddlers with developmental disabilities or delays and their families, as established pursuant to federal grants received and administered by the Department of Health for early intervention services under the "Individuals with Disabilities Education Act of 2004";
- d. Maintenance of an accountability system to monitor the County Council's progress in achieving results for families and children; and
- e. Establishment of a mechanism to ensure ongoing input from a broad representation of families who are receiving services within the County system.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

As discussed further in Note 2.B., these financial statements for the Richland County Family and Children First Council (the "Council") are presented on a cash basis of accounting. This cash basis of accounting differs from accounting principles generally accepted in the United States of America (GAAP). GAAP includes all relevant Governmental Accounting Standards Board (GASB) pronouncements, which have been applied to the extent they are applicable to the cash basis of accounting. In cases where these cash basis statements contain items that are the same as, or similar to, those items in the financial statements prepared in conformity with GAAP, similar informative disclosures are provided. Following are the more significant of the Council's accounting policies:

A. Reporting Entity

A reporting entity is comprised of the primary government and other organizations that are included to ensure that the financial statements are not misleading. The primary government of the Council consists of all funds, departments and activities that are not legally separate from the Council. They comprise the Council's legal entity which provides various services including human, social, health and educational services to families and children. The Council, the Executive Committee and the Executive Director have direct responsibility for these activities.

**RICHLAND COUNTY FAMILY AND CHILDREN FIRST COUNCIL
RICHLAND COUNTY**

**NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2012
(Continued)**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

B. Basis of Accounting

The Council's financial statements are prepared using the cash basis of accounting. Receipts are recorded in the Council's financial records and reported in the financial statements when cash is received rather than when earned and disbursements are recorded when cash is paid rather than when a liability is incurred. These statements include adequate disclosure of material matters, in accordance with the basis of accounting described in this paragraph.

As a result of the use of this cash basis of accounting, certain assets and their related revenues (such as accounts receivable and revenue for billed or provided services not yet collected) and certain liabilities and their related expenses (such as accounts payable and expenses for goods or services received, but not yet paid and accrued expenses and liabilities) are not recorded in these financial statements.

C. Fund Accounting

The Council uses funds to maintain its financial records during the year. Fund accounting is a concept developed to meet the needs of governmental entities in which legal or other restraints require the recording of specific receipts and disbursements. The transactions of each fund are reflected in a self-balancing group of accounts. The Council reports only governmental funds.

Governmental Funds - The Council classifies funds financed primarily from intergovernmental receipts (e.g. grants) and other nonexchange transactions as governmental funds. The following are the Council's major governmental funds:

General - The general fund is the operating fund of the Council. It is used to account for all financial resources except those required to be accounted for in another fund.

Help Me Grow - This fund receives federal and state funds to implement and maintain a coordinated, community-based infrastructure that promotes trans-disciplinary, family-centered services for expectant parents, newborns, infants and toddlers and their families.

Other governmental funds of the Council are used to account for grants and other resources whose use is restricted to expenditure for specified purposes.

D. Basis of Presentation and Measurement Focus

Government-wide Statement of Activities - Cash Basis - This statement displays information about the Council as a whole. The government-wide statement of activities - cash basis compares disbursements with program receipts for each function or program of the Council's governmental activities. These disbursements are those that are specifically associated with a service, program or department and are therefore clearly identifiable to a particular function. Program receipts include grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Receipts which are not classified as program receipts are presented as general receipts of the Council. The comparison of direct disbursements with program receipts identifies the extent to which each governmental function is self-financing on the cash basis or draws from the general receipts of the Council.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

Fund Financial Statements - Fund financial statements report detailed information about the Council. The focus of governmental fund financial statements is on major funds. Each major fund is presented in a separate column. Nonmajor funds are aggregated and presented in a single column.

E. Budgetary Process

A Family and Children First Council established under Ohio Revised Code Section 121.37 is not a taxing authority and is not subject to Ohio Revised Code Chapter 5705. As of October 1, 1997, all Family and Children First Councils are required to file an annual budget with its administrative agent. For fiscal year 2012, a budget was prepared and filed based on the administrative agency (Richland County Job and Family Services) fiscal year, July 1, 2011 through June 30, 2012.

F. Administrative/Fiscal Agent

Section 121.37 (B)(5)(a) of the Ohio Revised Code, requires each county council to designate an administrative agent to provide fiscal and administrative services to the Council. Richland County Job and Family Services (the "County") serves as the Council's administrative agent. The County maintains the Council as an agency fund on their financial records. The administrative agent agrees to:

1. Serve as the Council's appointing authority;
2. Exercise spending authority within the limits of the annual budget developed and approved by the Council; and,
3. Perform the following on behalf of Council; but only upon the expressed approval of and direction by Council;
 - Enter into written agreements or administer contracts with public or private entities to fulfill specific Council business.
 - Provide financial stipends, reimbursements or both to family representatives for expenses related to Council activity.
 - Receive by gift, grant, devise or bequest any moneys, land or other property for the purposes for which the Council is established.

G. Capital Assets

Acquisition of property, plant and equipment purchased are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

H. Fund Cash Balance

The Council reports classifications of fund cash balance based on the extent to which the Council is bound to honor constraints on the specific purposes for which amounts in those funds can be spent. The following categories are used:

Nonspendable - amounts that cannot be spent because they are either (a) not in spendable form or (b) legally required to be maintained intact.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

Restricted - amounts that have constraints placed on the use of resources that are either (a) externally imposed by creditors, grantors, contributors, or laws or regulations of other governments, or (b) imposed by law through constitutional provisions or enabling legislation.

Committed - amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the Council's highest level of decision-making authority, Cabinet Council.

Assigned - amounts that are constrained by the Council's intent to be used for specific purpose, but are neither restricted nor committed. Assigned amounts include those approved through the Council's formal purchasing procedure by the fiscal agent. Through the Council's purchasing policy, the Cabinet Council has given the fiscal agent the authority to constrain monies for intended purposes.

Unassigned - residual fund balance within the general fund that is in spendable form that is not restricted, committed, or assigned.

The Council applies restricted resources first when an expense is incurred for purposes for which restricted and unrestricted fund balance is available. The Council considers committed, assigned, and unassigned fund balances, respectively, to be spent when expenditures are incurred for purposes for which any of the unrestricted fund balance classifications could be used.

I. Net Position

Net position is reported as restricted when enabling legislation or creditors, grantors or laws or regulations of other governments have imposed limitations on its use. The Council has no net position restricted by enabling legislation.

The Council first applies restricted resources when a disbursement is incurred for purposes for which both restricted and unrestricted net position is available.

J. Contracted Services

The Council director is an employee of Richland County and paid directly by the Council. The assistant of the Council is a paid employee of the City of Mansfield and the Council reimburses the cost of her payroll to the City of Mansfield. The funds used to pay their salaries are derived from a State Administrative grant and local agency membership contributions received by the Council and maintained by the County.

NOTE 3 - CHANGE IN ACCOUNTING PRINCIPLES

For 2012, the Council has implemented GASB Statement No. 60, "Accounting and Financial Reporting for Service Concession Arrangements", GASB Statement No. 62, "Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA pronouncements", GASB Statement No. 63, "Financial Reporting of Deferred Outflows of Resources, Deferred Inflows of Resources, and Net Position", and GASB Statement No. 65, "Items Previously Reported as Assets and Liabilities".

NOTE 3 - CHANGE IN ACCOUNTING PRINCIPLES - (Continued)

GASB Statement No. 60 addresses issues related to service concession arrangements (SCAs), which are a type of public-private or public-public partnership. An SCA is an arrangement between a transferor (a government) and an operator (governmental or nongovernmental entity) in which (1) the transferor conveys to an operator the right and related obligation to provide services through the use of infrastructure or another public asset (a "facility") in exchange for significant consideration and (2) the operator collects and is compensated by fees from third parties. The implementation of GASB Statement No. 60 did not have an effect on the financial statements of the Council.

GASB Statement No. 62 codifies accounting and financial reporting guidance contained in pre-November 30, 1989 FASB and AICPA pronouncements in an effort to codify all sources of GAAP for state and local governments so that they derive from a single source. The implementation of GASB Statement No. 62 did not have an effect on the financial statements of the Council.

GASB Statement No. 63 provides financial and reporting guidance for *deferred outflows of resources* and *deferred inflows of resources* which are financial statement elements that are distinct from assets and liabilities. GASB Statement No. 63 standardizes the presentation of deferred outflows or resources and deferred inflows of resources and their effects on a government's *net position*. The implementation of GASB Statement No. 63 has changed the presentation of the Council's financial statements to incorporate the concept of net position.

GASB Statement No. 65 establishes accounting and financial reporting standards that reclassify, as *deferred outflows of resources* or *deferred inflows of resources*, certain items that were previously reported as assets and liabilities and recognizes, as outflows of resources or inflows of resources, certain items that were previously reported as assets and liabilities. GASB Statement No. 65 also provides other financial reporting guidance related to the impact of the financial statement elements *deferred outflows of resources* and *deferred inflows of resources*, such as changes in the determination of the major fund calculations and limiting the use of the term *deferred* in financial statement presentations. The implementation of GASB Statement No. 65 did not have an effect on the financial statements of the Council.

NOTE 4 - EQUITY IN POOLED CASH

The Richland County Treasurer's Office maintains a depository which includes the funds of the Council. The Ohio Revised Code prescribes allowable deposits and investments. The Council's carrying amount of cash on deposit with the fiscal agent at December 31, 2012, was \$957,463. The fiscal agent for the Council is responsible for maintaining adequate depository collateral for all funds in the fiscal agent's pooled and deposit accounts.

NOTE 5 - CONTINGENT LIABILITIES

Amounts received from grantor agencies are subject to audit and adjustment by the grantor. Any disallowed costs may require refunding to the grantor. Amounts which may be disallowed, if any, are not presently determinable. However, based on prior experience, management believes such refunds, if any, would not be material.

NOTE 6 – RISK MANAGEMENT

Insurance for comprehensive property and general liability is provided by the Council's administrative agent.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY *GOVERNMENT AUDITING STANDARDS*

Family and Children First Council
Richland County
171 Park Avenue East
Mansfield, Ohio 44902

To the Council:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Family and Children First Council, Richland County, (the Council) as of and for the year ended December 31, 2012, and the related notes to the financial statements, which collectively comprise the Council's basic financial statements and have issued our report thereon dated August 25, 2014.

Internal Control Over Financial Reporting

As part of our financial statement audit, we considered the Council's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinions on the financial statements, but not to the extent necessary to opine on the effectiveness of the Council's internal control. Accordingly, we have not opined on it.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Therefore, unidentified material weaknesses or significant deficiencies may exist. However, as described in the accompanying schedule of findings we identified a certain deficiency in internal control over financial reporting, that we consider a material weakness.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or a combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Council's financial statements. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider finding 2012-001 described in the accompanying schedule of findings to be a material weakness.

Compliance and Other Matters

As part of reasonably assuring whether the Council's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

Entity's Response to Finding

The Council's response to the finding identified in our audit is described in the accompanying schedule of findings. We did not audit the Council's response and, accordingly, we express no opinion on it.

Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Council's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Council's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

FINDING NUMBER 2012-001

**Financial Statement Presentation
Material Weakness**

Sound financial reporting is the responsibility of management and the Council and is essential to ensure the information provided to the readers of the financial statements is complete and accurate.

The following reclassifications were made to the December 31, 2012 financial statements:

- Reclassified \$10,811 in federal receipts improperly reported as state receipts in the General Fund.
- Reclassified \$96,385 in state receipts improperly reported as federal receipts in the General Fund.
- Reclassified \$17,550 in federal receipts improperly reported as state receipts in Other Governmental Funds.

The Council made these reclassifications to the financial statements and accounting records.

The reclassifications identified above should be reviewed by management and the Council to ensure that similar errors are not reported on financial statements in subsequent years. In addition, the Council should develop procedures for the periodic review of the activity posted to the accounting records, as well as, for the review of the financial statement information to ensure it accurately reflects the Council's activity.

Officials' Response:

We acknowledge that there were errors with the revenue classification of the 2012-2013 financial reports as to Federal and State funding. Cost Centers will be established for the 2014 financial reporting year to properly record and report Federal, State and/or local revenue funds received.
