Ohio Environmental Protection Agency

We have audited, in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States, the basic financial statements of Holmes County, Ohio, for the year ended December 31, 2015, and have separately issued our unmodified report thereon dated June 24, 2016. These statements present the landfill as a non-major special revenue fund and also within Holmes County governmental activities.

In a letter to the Ohio Environmental Protection Agency dated June 24, 2016 (the Letter), Jackie McKee, County Auditor for the Holmes County Landfill, specified that certain amounts disclosed in that Letter were derived from the independently audited financial statements referred to in the first paragraph above.

We have performed the procedures described below as agreed to by the Board of County Commissioners and by the Ohio Environmental Protection Agency, solely to assist you in determining that certain amounts reported in the Letter agreed to, or can be computed from, amounts presented in the audited basic financial statements. Holmes County's management is responsible for the information presented in the Letter. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

As required by Ohio Administrative Code Sections 3745-27-15(L)(5)(c) and 3745-27-16(L)(5)(c), we have agreed the following amounts included in the Letter to the audited financial statements:

Alternative 2, Line No.

5	Total assured environmental costs	\$2,073,652
6	Total annual revenue	\$73,484,135

Line 5 includes total assured environmental costs reported in fund financial statements following Governmental Accounting Statement Number 18.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Letter. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the addressees listed above and is not intended to be and should not be used by anyone other than these specified parties.
