Leadership Academy of Mathematics and Science of Cincinnati
Hamilton County
c/o Ohio Council of Community Schools
3131 Executive Parkway Suite 306
Toledo, Ohio 43606

We have performed the procedures enumerated below, with which the Board of Directors, Sponsor, Management Company and the management of Leadership Academy of Mathematics & Science of Cincinnati, Hamilton County, Ohio (the Academy) agreed, solely to assist the Ohio Department of Education (ODE) in evaluating whether the Academy completed the ODE Community School Closing Procedures for this Academy that was suspended by the Sponsor effective December 22, 2011 and was officially closed effective June 30, 2013. Management is responsible for recording transactions; and management, the Board, and the Sponsor are responsible for complying with the Closing Procedure requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. In addition, we have audited, in accordance with standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of the Academy for the period of July 1, 2011 to June 30, 2012, and the related notes to the financial statements, which collectively comprise the Academy's basic financial statements, and have issued our report thereon dated September 30, 2015.

Ohio Revised Code Section 3314.015 (E) states the department (of education) shall adopt procedures for use by a community school governing authority and sponsor when the academy permanently closes and ceases operation, which shall include at least procedures for data reporting to the department, handling of student records, distribution of assets in accordance with section 3314.074 of the Revised Code, and other matters related to ceasing operation of the academy.

Ohio Department of Education, Community Schools Guidance Letter 2010-3 states sponsors must provide and execute a plan for an orderly wrap-up of a community school's affairs upon a permanent closure of a community school, preferably prior to the academy closing its doors. A school is officially closed when instruction is no longer taking place and the governing authority or sponsor issues an official notice which states the date of the school's closure. The sponsor and a representative of the governing board are required to complete and sign the *Assurance to ODE Form*. The role of the sponsor in this process is to assure that the governing authority of the community school has taken required actions to properly address closing issues and/or to take those actions itself if the governing authority is no longer able or functioning. Inasmuch as a plan for school closure is a required part of the academy's contract with the sponsor, final preparations as part of that plan should be in place prior to the last day students are in attendance.
