INDEPENDENT AUDITOR'S REPORT

Mental Health & Recovery Board of Clark, Greene and Madison Counties Clark County 1055 East High Street Springfield, Ohio 45505

To the Board of Directors:

Report on the Financial Statements

We have audited the accompanying financial statements of the cash balances, receipts and disbursements by fund type, and related notes of the Mental Health & Recovery Board of Clark, Greene and Madison Counties, Clark County, (the Board) as of and for the year ended June 30, 2015.

Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting these financial statements in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit; this responsibility includes designing, implementing and maintaining internal control relevant to preparing and fairly presenting financial statements free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to the Board's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of the Board's internal control. Accordingly, we express no opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinions.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1 of the financial statements, the Board prepared these financial statements using the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D), which is an accounting basis other than accounting principles generally accepted in the United States of America (GAAP), to satisfy these requirements.

Although the effects on the financial statements of the variances between the regulatory accounting basis and GAAP are not reasonably determinable, we presume they are material.

Though the Board does not intend these statements to conform to GAAP, auditing standards generally accepted in the United States of America require us to include an adverse opinion on GAAP. However, the adverse opinion does not imply the amounts reported are materially misstated under the accounting basis Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit. Our opinion on this accounting basis is in the *Opinion on Regulatory Basis of Accounting* paragraph below.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles* paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Board as of June 30, 2015 or changes in financial position thereof for the year then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statements referred to above present fairly, in all material respects, the combined cash balances of the Mental Health & Recovery Board of Clark, Greene and Madison Counties, Clark County, as of June 30, 2015, and its combined cash receipts and disbursements for the year then ended in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit, described in Note 1.

Other Matters

Our audit was conducted to opine on the financial statements taken as a whole.

The Federal Awards Expenditures Schedule presents additional analysis as required by the U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations and is not a required part of the financial statements.

The schedule is management's responsibility, and derives from and relates directly to the underlying accounting and other records used to prepare the financial statements. We subjected this schedule to the auditing procedures we applied to the financial statements. We also applied certain additional procedures, including comparing and reconciling the schedule directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, in accordance with auditing standards generally accepted in the United States of America. In our opinion, this schedule is fairly stated in all material respects in relation to the financial statements taken as a whole.

Mental Health & Recovery Board of Clark, Greene and Madison Counties Clark County Independent Auditor's Report Page 3

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 12, 2016, on our consideration of the Board's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Board's internal control over financial reporting and compliance.

NOTES TO THE FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED JUNE 30, 2015

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Reporting entity

The Mental Health & Recovery Board of Clark, Greene and Madison Counties (the Board), is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Board is directed by an eighteen-member Board. Board members are appointed by Ohio Department of Mental Health and Addiction Services (OhioMHAS) and the legislative authorities of the counties making up the Board. Those subdivisions are the Clark, Greene and Madison County Commissioners. The Board provides alcohol, drug addiction, and mental health services and programs to citizens in Clark, Greene and Madison Countracts with private and public agencies.

The Clark County Auditor and the Clark County Treasurer serve respectively as fiscal officer and custodian of all public funds. The Board's management believes these financial statements present all activities for which the Board is financially accountable.

B. Basis of Accounting

These financial statements follow the basis of accounting prescribed or permitted by the Auditor of State, which is similar to the cash receipts and disbursements basis of accounting. Receipts are recognized when received rather than when earned, and disbursements are recognized when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

C. Cash

As required by the Ohio Revised Code, the Board's cash is held and invested by the Clark County Treasurer, who acts as custodian for the Board's money. The Board's assets are held in the County's cash and investment pool, and are valued at the County Treasurer's carrying amount. Information related to investments and credit risk can be obtained by reviewing the Clark County, Ohio financial statements.

D. Fund Accounting

The Board uses fund accounting to segregate cash and investments that are restricted as to use. The Board classifies its funds into the following types:

General Fund - The General Fund is the general operating fund of the Board. It is used to account for all financial resources except those required to be accounted for in another fund.

Special Revenue Funds - These funds are used to account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes. The Board had the following significant special revenue funds:

OhioMHAS 505 Regular – This fund accounts for funding passed through the OhioMHAS to local mental health boards to provide mental health services to members of the community.

OhioMHAS SAPT – This fund accounts for funding passed through the OhioMHAS to local mental health boards to provide alcohol and drug abuse services to members of the community.

NOTES TO THE FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED JUNE 30, 2015 (Continued)

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Capital Projects Funds – These funds account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlays, including the acquisition or construction of capital facilities and other capital assets. The Board had the following significant capital projects fund:

Greene County Renovations Project – This fund accounts for funding passed through the Ohio Housing Finance Agency to renovate apartments located at 1480 Anna Street complex in Fairborn, Ohio.

Agency Fund – Agency funds are custodial in nature and do not involve measurement of results of operations. The Board is the custodian for the Madison County Substance Abuse Coalition, a group dedicated to increasing the awareness in the community about the misuse of legal drugs and abuse of illegal drugs, and the OhioMHAS Hot Spot funding for central Ohio Boards collaborative treatment and projects. The Board serves as Project administrator for the central Ohio collaborative.

E. Budgetary Process

The Ohio Revised Code requires that each fund (except certain agency funds) be budgeted annually.

1. Appropriations

Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function or object level of control, and appropriations may not exceed estimated resources. The Board must annually approve appropriation measures and subsequent amendments. The County Budget Commission must also approve the annual appropriation measure. Unencumbered appropriations lapse at year end.

2. Estimated Resources

Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of July 1. The County Budget Commission must also approve estimated resources.

3. Encumbrances

The Ohio Revised Code requires the Board to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over, and need not be re-appropriated.

A summary of fiscal year 2015 budgetary activity appears in Note 2.

F. Property, Plant, and Equipment

Acquisitions of property, plant and equipment are recorded as disbursements when paid. These items are not reflected as assets on the accompanying financial statements.

NOTES TO THE FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED JUNE 30, 2015 (Continued)

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

G. Unpaid vacation and sick leave

Employees are entitled to cash payment for unused vacation and sick leave in certain circumstances, such as upon leaving employment. Unpaid vacation and sick leave are not reflected as liabilities under the cash basis of accounting used by the Board.

H. Interfund Transactions

During the course of normal operations, the Board will, as necessary, transfer or advance cash between funds to meet current obligations. In 2015, net interfund transactions in the General Fund were (\$125,000).

I. Fund Balance

For June 30, 2015, fund balance is divided into five classifications based primarily on the extent to which the Board must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

1. Non-spendable

The Board classifies assets as non-spendable when legally or contractually required to maintain the amounts intact.

2. Restricted

Fund balance is restricted when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

3. Committed

Board members can commit amounts via formal action (resolution). The Board must adhere to these commitments unless Board members amend the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

4. Assigned

Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. Governmental funds other than the general fund report all fund balances as *assigned unless* they are restricted or committed. In the general fund, assigned *amounts* represent intended uses established by Board or a Board staff delegated that authority by resolution, or by State Statute.

5. Unassigned

Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

NOTES TO THE FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED JUNE 30, 2015 (Continued)

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The Board applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

2. BUDGETARY ACTIVITY

Budgetary activity for the fiscal year ending June 30, 2015 follows:

2015 Budgeted vs. Actual Receipts			
	Budgeted	Actual	
Fund Type	Receipts	Receipts	Variance
General	\$11,794,610	\$12,483,711	\$689,101
Special Revenue	4,663,731	4,674,856	11,125
Capital Projects	16,640	16,640	
Agency	782,328	782,327	(1)
Total	\$17,257,309	\$17,957,534	\$700,225

2015 Budgeted vs. Actual Expenditures			
Fund Type	Budgeted Expenditures	Actual Expenditures	Variance
General	\$16,476,323	\$15,139,366	\$1,336,957
Special Revenue	4,983,521	4,968,451	15,070
Capital Projects	16,640	16,640	
Agency	1,090,778	1,090,777	1
Total	\$22,567,262	\$21,215,234	\$1,352,028

The Board did not budget for advances to and from one fund to another.

3. LONG-TERM OBLIGATIONS

Over the years, the Board has received numerous mortgage loans payable to fund construction or acquisition of facilities. These loans are being forgiven by the lender over 30 to 40 years, as long as the use of these facilities continues to provide the intended services for which the loans were granted. The loans are exempt from the debt limitations established by Section 5705.19 of the Ohio Revised Code.

The original balances of these loans are as follows:

OHFA	13-0134	500,000	483,333
		\$3,248,927	\$1,433,350

On July 21, 2010 the Board entered into a tax exempt debt obligation through PNC Bank. Three mortgages with Huntington National Bank and one mortgage with Chase Bank were paid in full. The refinance is for a ten year fixed rate of 4.37% with the 600 Dayton-Yellow Springs Road, Fairborn, Ohio property as collateral. The outstanding principal balance as of June 30, 2015 was \$743,328.

Future principal and interest requirements at June 30, 2015, are as follows:

Fiscal Year			
Ending June 30	Principal	Interest	Total
2016	\$60,190	\$31,346	\$91,536
2017	62,874	28,662	91,536
2018	65,677	25,859	91,536
2019	68,606	22,930	91,536
2020	71,664	19,872	91,536
2021	414,317	1,514	415,831
Total	\$743,328	\$130,183	\$873,511

4. PROPERTY TAX

Real property taxes become a lien on January 1 preceding the October 1 date. Property tax levies have been passed in Clark, Greene and Madison Counties. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable homestead and rollback deductions. The financial statements include homestead and rollback amounts the State pays as Intergovernmental Receipts. Payments are due to the County in February. If the property owner elects to pay semiannually, the first half is due in February. The second half payment is due in July.

Public utilities are also taxed on personal and real property located within the respective counties.

The respective counties are responsible for assessing property, and for billing, collecting, and distributing all property taxes on behalf of the Board.

NOTES TO THE FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED JUNE 30, 2015 (Continued)

5. RETIREMENT SYSTEM

The Board's employees belong to the Public Employees Retirement System (PERS) of Ohio. PERS is a cost- sharing, multiple-employer plan. This plan provides retirement benefits, including postretirement healthcare, and survivor and disability benefits to participants as prescribed by the Ohio Revised Code. Contribution rates are also prescribed by the Ohio Revised Code. For the period July 1, 2014 to June 30, 2015 PERS members contributed 10% of their gross salaries and the Board contributed an amount equal to 14% of participants' gross salaries. The Board has paid all contributions required through June 30, 2015. See the financial report of Clark County, Ohio, for a complete pension disclosure.

6. DEFERRED COMPENSATION PROGRAMS

Employees of the Board have the option to participate in either, or both, the Ohio Public Employees Deferred Compensation Program or the County Commissioners Association of Ohio Deferred Compensation Plan. Both of these programs are deferred compensation plans under Internal Revenue Code section 457. Employees may elect to defer a portion of their pay until a later date, normally retirement.

7. RISK MANAGEMENT

The Board has obtained commercial insurance for the following risks:

- Comprehensive Property and General Liability
- Employee Practice and Dishonesty
- Employer Liability
- Director and Officers Liability

The Board also provides health insurance and dental coverage to full-time employees through a private carrier. There was no reduction in the level of coverage during the year.

8. CONTINGENCIES

The Board receives federal and state grants for specific purposes that are subject to review and audit by the grantor agencies. Any disallowed costs may require refunding to the grantor. Amounts which may be disallowed, if any, are not presently determinable. However, based on prior experience, management believes such refunds, if any, would not be material.

9. SUBSEQUENT EVENTS

In November 2015, voters in Madison County passed a renewal of the .5 mill property tax levy that provides funding for mental health/recovery programs and operations.

On December 16, 2015, TCN Behavioral Health Services, a treatment service provider, purchased Board property located at 452 West Market Street in Xenia, Ohio for the amount of \$885,000. The Board's OhioMHAS forgivable loan for the sold property was transferred to Board property located at 600 Dayton Yellow Springs Road in Fairborn, Ohio.

NOTES TO THE FEDERAL AWARDS EXPENDITURES SCHEDULE FOR THE YEAR ENDED JUNE 30, 2015

NOTE A – BASIS OF ACCOUNTING

The accompanying Federal Awards Expenditures Schedule (the Schedule) is a summary of activity of all federal award programs of the Mental Health & Recovery Board of Clark, Greene and Madison Counties (the Board). The Schedule has been prepared on the cash basis of accounting.

NOTE B – SUB-RECIPIENTS

The Board passes through certain federal grants from the State Department of Mental Health and Addiction Services (OhioMHAS) to various not-for-profit provider agencies. As described in Note A above, the Board records expenditures of federal awards to sub-recipients when paid in cash.

NOTE C – MATCHING REQUIREMENTS

Certain federal programs require that the Board contribute non-federal funds (matching funds) to support the federally-funded programs. The Board has complied with the matching requirements. The expenditure of non-federal matching funds is not included on the Schedule.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Mental Health & Recovery Board of Clark, Greene and Madison Counties Clark County 1055 East High Street Springfield, Ohio 45505

To the Board of Directors:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of the cash balances, receipts, and disbursements by fund type of the Mental Health & Recovery Board of Clark, Greene and Madison Counties, Clark County, (the Board) as of and for the year ended June 30, 2015, and the related notes to the financial statements, and have issued our report thereon dated February 12, 2016 wherein we noted the Board followed financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(D) permit.

Internal Control Over Financial Reporting

As part of our financial statement audit, we considered the Board's internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinions on the financial statements, but not to the extent necessary to opine on the effectiveness of the Board's internal control. Accordingly, we have not opined on it.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of the Board's financial statements. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist.

Compliance and Other Matters

As part of reasonably assuring whether the Board's financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results, and does not opine on the effectiveness of the Board's internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering the Board's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

To the Board of Directors:

Report on Compliance for the Major Federal Program

We have audited the Mental Health & Recovery Board of Clark, Greene and Madison Counties' (the Board) compliance with the applicable requirements described in the U.S. Office of Management and Budget (OMB) *Circular A-133, Compliance Supplement* that could directly and materially affect the Mental Health & Recovery Board of Clark, Greene and Madison Counties' major federal program for the year ended June 30, 2015. The *Summary of Auditor's Results* in the accompanying schedule of findings identifies the Board's major federal program.

Management's Responsibility

The Board's Management is responsible for complying with the requirements of laws, regulations, contracts, and grants applicable to its federal program.

Auditor's Responsibility

Our responsibility is to opine on the Board's compliance for the Board's major federal program based on our audit of the applicable compliance requirements referred to above. Our compliance audit followed auditing standards generally accepted in the United States of America; the standards for financial audits included in the Comptroller General of the United States' *Government Auditing Standards*; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. These standards and OMB Circular A-133 require us to plan and perform the audit to reasonably assure whether noncompliance with the applicable compliance requirements referred to above that could directly and materially affect a major federal program occurred. An audit includes examining, on a test basis, evidence about the Board's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe our audit provides a reasonable basis for our compliance opinion on the Board's major program. However, our audit does not provide a legal determination of the Board's compliance.

Opinion on the Major Federal Program

In our opinion, the Mental Health & Recovery Board of Clark, Greene and Madison Counties complied, in all material respects with the compliance requirements referred to above that could directly and materially affect its major federal program for the year ended June 30, 2015.

Independent Auditor's Report on Compliance with Requirements Applicable to the Major Federal Program and on Internal Control Over

Compliance Required by OMB Circular A-133 Page 2

Report on Internal Control Over Compliance

The Board's management is responsible for establishing and maintaining effective internal control over compliance with the applicable compliance requirements referred to above. In planning and performing our compliance audit, we considered the Board's internal control over compliance with the applicable requirements that could directly and materially affect a major federal program, to determine our auditing procedures appropriate for opining on each major federal program's compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not to the extent needed to opine on the effectiveness of internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, when performing their assigned functions, to prevent, or to timely detect and correct, noncompliance with a federal program's applicable compliance requirement. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance requirement will not be prevented, or timely detected and corrected. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with federal program's applicable compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with federal program's applicable compliance with federal program's applicable compliance requirement that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This report only describes the scope of our internal control over compliance tests and the results of this testing based on OMB Circular A-133 requirements. Accordingly, this report is not suitable for any other purpose.
