INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Ohio Lottery Commission Cuyahoga County 615 West Superior Avenue Cleveland, Ohio 44113

We have performed the procedures enumerated below, which were agreed to by the Ohio Lottery Commission (the Commission) and the other member lotteries (referred to as the "Member Lotteries") who operate Lucky for Life, solely to assist the Commission and Member Lotteries with respect to the evaluation of the sales and prize expense associated with Lucky for Life for the period November 16, 2015 through March 31, 2016. We followed the American Institute of Certified Public Accountants' attestation standards for agreed-upon procedures engagements included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose. Our procedures were as follows:

- a) We obtained from the Commission the "Draw Activity" and "Set Prize Analysis," for the period November 16, 2015 through March 31, 2016 (attached as Exhibit I and Exhibit II, respectively). We proved their mathematical accuracy with no exceptions noted.
- b) We haphazardly selected the following five (5) drawings from the period November 16, 2015 to March 31, 2016 for testing and performed procedures "c", "d", and "e' below:

November 30, 2015 December 28, 2015 February 1, 2016 February 29, 2016 March 31, 2016

- c) For each draw date selected in step "b" above, we compared the total amount of sales as shown on the daily sales report produced by the Commission's gaming system and the total amount of sales shown on the related daily sales report produced by Internal Control System ("ICS"), with the balance listed in the "sales" column for the respective draw date on the "Draw Activity" report attached as Exhibit I and found them to be in agreement.
- d) We calculated the total dollar amount of set prizes for the draw dates selected in step "b" above, based on the total number of winners from the Commission's gaming system for each prize level and the prize structure of the Lucky for Life set prizes. We compared the calculated expense with the amount listed in the "Actual Set Prizes" column for the respective draw date on the "Draw Activity" report attached as Exhibit I and found them to be in agreement.

- e) For each draw date selected in step "b" above, we compared the amount of sales, actual set prizes, and share of set prizes shown on the "Draw Activity" report attached as Exhibit I to the amounts shown on the Commission Lucky for Life Draw Reports and found them to be in agreement.
- f) For the period identified in step "a" above, we obtained the "Expired Prize Allocation Report" distributed by the Connecticut Lottery. The Commission Internal Control System (ICS) listings of the prizes unclaimed were not yet available.
- g) We compared the amounts shown as the total of the actual set prizes and the total of the share of set prizes on the "Draw Activity" report attached as Exhibit I to the applicable amounts shown on the "Set Prize Analysis" report attached as Exhibit II and found them to be in agreement.
- h) We compared the amounts listed in the "Cost of Top Prizes" column of the "Cost of Top and Second Prize Report" report attached as Exhibit III, and compared to the cash disbursement subsidiary records which summarize the funds disbursed and found them to be in agreement.
- i) We selected all second prizes claimed in the "Cost of the Second Prizes" column of the "Cost of Top and Second Prize Report" attached as Exhibit III and compared to the cash disbursement subsidiary records which summarize the funds disbursed and found them to be in agreement.
- j) We noted no purchase of investments associated with the jackpot prizes.
- k) We compared the total of the period transfers from the Commission to the Connecticut Lottery for settlement of the actual set prize liability as shown in the Commission's cash disbursement subsidiary records to the amount listed in the "Qtrly/Yrly Settlement Transfers In (Out)" column on the "Set Prize Analysis" report attached as Exhibit II and found them to be in agreement.
- I) We compared the balance listed as the Commission's receivable/payable as of March 31, 2016 for the fixed prizes as shown on the "Set Prize Analysis" report attached as Exhibit II to the Commission's financial accounting records and to the Lucky for Life Draw Report as of March 31, 2016 and found them to be in agreement.

We were not engaged to and did not conduct an examination, the objective of which would be the expression of an opinion on the Commission sales and prize expense for the period November 16, 2015 through March 31, 2016. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.
