## INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Williams County Soil and Water Conservation District  
Williams County  
1120 West High Street  
Bryan, Ohio 43506

We have performed the procedures enumerated below, with which the Board of Supervisors (the Board) and the management of the Williams County Soil and Water Conservation District, Williams County, Ohio (the District) agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2011 through 2015, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement followed the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

3. We compared the *Receipts plus Other Financing Sources* for the Special Fund on pages 3A and 3B of the Reports to the Actual Receipts reported on page 5. The amounts agreed.
4. We tested the mathematical accuracy of the reconciliation on page 2. We found no exceptions.
5. We agreed the January 1 and December 31 fund cash balances reported in the District's Monthly Financial Report to the corresponding *Fund Cash Balances* on page 3B of the Reports. The amounts agreed.

We also applied the following procedures to the *Subtotals* and *Totals* reported on page 2 of the December 31, 2015 Report:

6. We observed the December 31 balances for the District Fund on the financial institution's website. The balances agreed.
7. We compared the December 31 Special Fund depository balance from the *Report* to the amount reported in the Monthly Financial Report for the Month ending December 31, 2015. We found no exceptions.
8. For the checks comprising the Outstanding Checks, we applied the following procedures:
  - a. We footed the supporting outstanding check list and compared it to the Totals on the Report. We found no exceptions.
  - b. We traced each check to the subsequent January bank statement. We found no exceptions.
  - c. We traced the amounts and dates of each check to the check register, to determine the check was recorded for the same amount and dated and recorded prior to December 31. We noted no exceptions.
9. We tested investments held at December 31 to determine that they:
  - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions
  - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

1. We agreed the total of the receipts from the State Distribution Transaction Lists (DTL) and the total of the receipts from the County Auditor's Cross Reference Report By vendor number to the total amounts recorded in the respective receipt classification in the Special Fund in the Revenue Transaction History Listing Report. The amounts agreed.

  - a. We agreed to supporting documentation the amounts paid from the USDA to the District. We found no exceptions.

### All Other Cash Receipts

We haphazardly selected 10 other cash receipts from the year ended December 31, 2015 and five other cash receipts from each of the years ended 2011 through 2014 recorded in the duplicate cash receipts book and determined whether the:

1. Receipt amount agreed to the amount recorded in the Revenue Transaction History Listing Report. The amounts agreed.

  - a. Name
  - b. Authorized salary or pay rate
  - c. Retirement system participation and payroll withholding
  - d. Federal, State & Local income tax withholding authorization and withholding.
  - e. Any other deduction authorizations (deferred compensation, etc.)

We found no exceptions related to steps a. – e. above.

### Non-Payroll Cash Disbursements

1. From the Payment Register Detail Report, we re-footed checks recorded as *District Fund* disbursements for *contract services* and *supplies* for 2015. We found no exceptions.
2. We haphazardly selected five disbursements from the *Special Fund* and five disbursements from the *District Fund* and other funds from the Transaction History Report or the General Ledger Report for the year ended December 31, 2015 and two from the *Special Fund* and three from the *District Fund* and other funds for each of the years ended 2011 through 2014 and determined whether:
  - a. The disbursements were for a proper public purpose. We found no exceptions.
  - b. For *District Fund* and other funds disbursements, we determined whether:
    - i. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the similar data recorded in the General Ledger Report and to the names and amounts on the supporting invoices. We found no exceptions.

  - ii. The names and amounts on the voucher agreed to supporting invoices. We found no exceptions.
  - iii. The voucher was signed by the fiscal officer and approved by a majority of the Board of Supervisors. We found no exceptions.

### **2015 Special Fund Budgetary Compliance**

1. We read the District's Special Fund Budget Request submitted to the County Commissioners. We noted the request included the Special Fund's *Needs, Income and Balances* anticipated for carry over from the current year, as required by the SWCD Administrative Handbook, Chapter 5. We also compared the budget amounts to the budgetary schedules on pages 4 and 5 of the Cash Basis Annual Financial Report. The amounts agreed.
2. We compared the total estimated receipts reported on Page 5 of the Report to the *Certificate of the Total Amount From All Sources Available For Expenditures and Balances*, required by Ohio Rev. Code Section 5705.36(A)(1), and to the amounts recorded in the Estimated Revenue Budget Report for the Special Fund. The amounts agreed.
3. We scanned the appropriation measures to determine whether the Supervisors appropriated separate amounts within the Special Fund for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
4. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the December 31, 2015 Year End Budget Report for the Special Fund, and to the appropriations reported on Page 4 of the Report. The amounts agreed.
5. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.28(B)(2)(C) prohibit appropriations from exceeding estimated revenue. We compared total appropriations to total estimated revenue for the Special Fund for the year ended December 31, 2015. We noted appropriations did not exceed estimated revenues for the Special Fund.
4. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus year-end certified commitments (i.e. encumbrances)) from exceeding appropriations. We compared total disbursements plus outstanding year-end encumbrances to total appropriations for the year ended December 31, 2015 for the "Special" Fund, as recorded in the Annual Cash Basis Financial Report. We noted expenditures did not exceed appropriations for the Special Fund.
7. We determined that interfund transfers-in equaled transfers-out and were approved by the Board of Supervisors. We found that the expenditures reimbursed by the County Auditor from the Special Fund to the District Fund were posted as an expense in the Special Fund and a Transfer in on the District Fund instead of Other Revenue. We recommend that reimbursements made between these funds be recorded as expenditures and revenues instead of transfers.

8. We scanned the Annual Cash Basis Financial Report for the year ended December 31, 2015 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. We noted no funds having a negative cash fund balance.

#### **2015 Compliance – Contracts and Expenditures**

We inquired of management and scanned the Payment Register Detail Report for the year ended December 31, 2015 to determine if the District purchased equipment and services allowed by ORC 1515.09 or purchased goods or services allowed by ORC 1515.08(H)(1) whose cost, other than personal service compensation or office space rent, exceeded \$50,000. We noted no purchases exceeding \$50,000.

#### **2015 Other Compliance**

Ohio Rev. Code Section 117.38 requires Districts to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. We reviewed the HINKLE system and noted the District filed their financial information within the allotted timeframe for the year ended December 31, 2015.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the District's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance, and others within the District, and is not intended to be, and should not be used by anyone other than these specified parties.
