INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Bokescreek Township
Logan County
7210 County Road 117
Ridgeway, Ohio 43345

We have performed the procedures enumerated below, with which the Board of Trustees and the management of Bokescreek Township (the Township) agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2016 and 2015, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Cash and Investments

1. We tested the mathematical accuracy of the December 31, 2016 and December 31, 2015 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2015 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2014 balances in the documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2016 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2015 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2016 and 2015 fund cash balances reported in the Fund Status Reports. The amounts agreed.
4. We confirmed the December 31, 2016 and 2015 bank account balances with the Township's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2016 and 2015 bank reconciliations without exception.
5. We selected five reconciling debits (such as outstanding checks) haphazardly from the December 31, 2016 and five from the 2015 bank reconciliation:
 - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
 - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. We noted no exceptions.

Cash and Investments (Continued)

6. We tested investments held at December 31, 2016 and December 31, 2015 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions
 - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

Property Taxes, Intergovernmental and Other Confirmable Cash Receipts

1. We selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2016 and one from 2015:
 - a. We traced the gross receipts from the *Statement* to the amount recorded in the Revenue Ledger Report. The amounts agreed.
 - b. We determined whether the receipt was allocated to the proper fund(s) as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found no exceptions.
 - c. We determined whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
2. We scanned the Revenue Ledger Report to determine whether it included two real estate tax receipts for 2016 and 2015. We noted the Revenue Ledger Report included the proper number of tax receipts for each year.
3. We selected all three receipts from the State Distribution Transaction Lists (DTL) from 2016 and all three from 2015. We also selected five receipts from the County Auditor's Vendor Expense Report from 2016 and five from 2015.
 - a. We compared the amount from the above reports to the amount recorded in the Revenue Ledger Report. The amounts agreed.
 - b. We determined whether these receipts were allocated to the proper fund(s). We found no exceptions.
 - c. We determined whether the receipts were recorded in the proper year. We found no exceptions.
4. We confirmed the amounts paid from the Federal Emergency Management Agency (FEMA) to the Township during 2016 through supporting documentation. We found no exceptions.
 - a. We determined whether these receipts were allocated to the proper fund(s). The Township posted the revenues and expenditures to the Ambulance & Fire Fund rather than creating a new special FEMA fund as required by Ohio Rev. Code §5705.09. This matter is also reported in the Compliance - Budgetary section.
 - a. We determined whether the receipts were recorded in the proper year. We found no exceptions.

Debt

1. The agreed-upon procedures documentation disclosed no debt outstanding as of December 31, 2014.
2. We inquired of management, and scanned the Receipt Register Report and Appropriation Ledger Report for evidence of debt issued during 2016 or 2015 or debt payment activity during 2016 or 2015. We noted no new debt issuances, nor any debt payment activity during 2016 or 2015.

Payroll Cash Disbursements

1. We haphazardly selected one payroll check for five employees from 2016 and one payroll check for five employees from 2015 from the Wage Withholding Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Withholding Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
 - b. We determined whether the fund and account code(s) to which the check was posted were reasonable based on the employees' duties as documented in the minute record and employee time sheets. We also determined whether the payment was posted to the proper year. We found no exceptions.

2. For any new employees selected in step 1 we determined whether the following information in the employees' personnel files and minute record was consistent with the information used to compute gross and net pay related to this check:
 - a. Name
 - b. Authorized salary or pay rate
 - c. Department(s) and fund(s) to which the check should be charged
 - d. Retirement system participation and payroll withholding
 - e. Federal, State & Local income tax withholding authorization and withholding
 - f. Any other deduction authorizations (deferred compensation, etc.)

We found no exceptions related to steps a. – f. above, except the hiring of one of the employees was not approved in the Board minutes nor was there a signed agreement stating the hiring of the employee. The Township should maintain all documentation to support employees being paid by the Township and ensure all new hires are approved and documented in the minutes.

3. We scanned the last remittance of tax and retirement withholdings for the year ended December 31, 2016 to determine whether remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2016. We noted the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2017	November 10, 2016 December 13, 2016 January 3, 2017	\$1,733.28	\$1,733.28
State income taxes	January 31, 2017	December 31, 2016	\$160.69	\$160.69
Local income tax	January 31, 2017	December 31, 2016	\$199.50	\$199.50
School District income tax	January 31, 2017	December 31, 2016	\$125.25	\$125.25
OPERS retirement	January 30, 2017	December 13, 2016	\$992.47	\$992.47

4. For the pay periods ended March 15, 2016 and August 29, 2015, we recomputed the allocation of the Boards' salaries to the General and Gasoline Tax Fund per the Wage Detail Report. We found no exceptions.

5. For the pay periods described in the preceding step, we traced the Boards' salary for time or services performed to supporting certifications the Revised Code requires. We found no exceptions.

Payroll Cash Disbursements (Continued)

6. We inquired of management and scanned the Payment Register Detail Report for the years ended December 31, 2016 and 2015 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. We noted no such reimbursements.

Non-Payroll Cash Disbursements

We haphazardly selected ten disbursements from the Payment Register Detail Report for the year ended December 31, 2016 and ten from the year ended 2015 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions.
- b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
- c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
- d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found six instances where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code Section 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not test all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance – Budgetary

1. We compared the total estimated receipts from the *Amended Official Certificate of Estimated Resources*, required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Revenue Status Report for the General, Motor Vehicle License Tax and Gasoline Tax funds for the years ended December 31, 2016 and 2015. The amounts agreed.
2. We scanned the appropriation measures adopted for 2016 and 2015 to determine whether, for the General, Motor Vehicle License Tax and Gasoline Tax funds, the Trustees appropriated separately for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status Report for 2016 and 2015 for the following funds: General, Motor Vehicle License Tax, and Gasoline Tax funds. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status report for 2016 and for the Motor Vehicle License Tax and Gasoline Tax Fund in 2015. The 2015 approved appropriations for the General Fund was \$447,645.19; however, the Appropriation Status Report reflected \$439,609.84. The Fiscal Officer should periodically compare approve appropriations to the amounts recorded on the Appropriation Status Report to assure they agree. If the amounts do not agree, the Trustees may be using inaccurate information for budgeting and monitoring purposes.
4. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Motor Vehicle License Tax and Gasoline Tax funds for the years ended December 31, 2016 and 2015. We noted no funds for which appropriations exceeded certified resources.

Compliance – Budgetary (Continued)

5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2016 and 2015 for the General, Motor Vehicle License Tax and Gasoline Tax fund, as recorded in the Appropriation Status Report. We noted no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We scanned the Receipt Register Report for evidence of new restricted receipts requiring a new fund during December 31, 2016 and 2015. We also inquired of management regarding whether the Township received new restricted receipts. We noted evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the Township to establish a new fund. The Township received Federal Emergency Management Agency (FEMA) SAFER Grants in 2015 and 2016 and posted the revenues and expenditures to the Ambulance & Fire Fund rather than establishing the required separate fund. The Township should establish a separate FEMA grant fund to properly account for revenues and expenditures.
7. We scanned the 2016 and 2015 Revenue Ledger Report and Appropriation Status Reports for evidence of interfund transfers exceeding \$100 which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas.
8. We inquired of management and scanned the Appropriation Status Reports to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13. We noted the Township did not establish these reserves.
9. We scanned the Fund Activity Report for the years ended December 31, 2016 and 2015 for negative cash fund balance. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. We noted no funds having a negative cash fund balance.

Compliance – Contracts & Expenditures

We inquired of management and scanned the Payment Listing Report for the years ended December 31, 2016 and 2015 to determine if the township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Rev. Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.

Other Compliance

1. Ohio Rev. Code Section 117.38 requires townships to file their financial information in the HINKLE system formerly known as the Annual Financial Data Reporting System (AFDRS) within 60 days after the close of the fiscal year. We reviewed AFDRS to verify the Township filed their financial information within the allotted timeframe for the years ended December 31, 2016 and 2015. No exceptions noted.
2. We inquired of the fiscal officer and/or scanned the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the fiscal officer obtained the training required by Ohio Rev. Code Section 507.12 and 733.81. Fiscal Officer obtained the required training.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance, and others within the Township, and is not intended to be, and should not be used by anyone other than these specified parties.
