Current Status of Matters we reported in our Prior Engagement

1. The Corporation was unable to provide its Articles of Incorporation for inspection. Upon review of the Ohio Secretary of State's website, it was determined the Corporation's Articles of Incorporation were canceled in 1998. The Corporation has been inactive for several years, only receiving very little interest income. We recommended for the Corporation to establish a new Articles of Incorporation and update its status with the Ohio Secretary of State. The Corporation decided it would be more feasible to dissolve due to having no activity for the last several years. The Corporation dissolved effective March 17, 2016.
