INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Huron Soil and Water Conservation District
Huron County
8 Fair Road
Norwalk, Ohio 44857-2090

We have performed the procedures enumerated below, with which the Board of Supervisors (the Board) and the management of Huron Soil and Water Conservation District, Huron County, Ohio (the District) agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2010 through 2015, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. This agreed-upon procedures engagement followed the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

Depository Balances, Investments, and Fund Balances

We applied the following procedures to each *Cash Basis Annual Financial Report* (the *Reports*) for the fiscal years ending December 31, 2010 through December 31, 2015:

1. We footed and cross-footed the amounts on pages 3A and 3B of the *Reports*, and compared the *Fund Cash Balances, December 31* to the *Fund Balances* on page 2. The *Reports* footed and cross-footed for all years and the amounts agreed for all years except 2012. For 2012 page 3B reported *Fund Cash Balances, December 31* of \$366,016, while page 2 reported *Fund Balances* of \$43,079. The District should request the County Auditor to compare amounts report on pages 2, 3A, and 3B of the *Report* to help ensure they agree.
2. We compared the *Disbursements* plus *Other Financing Uses* for the *Special Fund* on pages 3A and 3B of the *Reports* to the *Disbursements* reported on page 4. The amounts agreed.
3. We compared the *Receipts* plus *Other Financing Sources* for the *Special Fund* on pages 3A and 3B of the *Reports* to the *Actual Receipts* reported on page 5. The amounts agreed.
4. We tested the mathematical accuracy of the reconciliation on page 2. We noted the following:

Depository Balances, Investments, and Fund Balances (Continued)

<u>Year</u>	<u>Total Balances, December 31 as Calculated</u>	<u>Total Balances, December 31 per Page 2</u>	<u>Variance</u>
2012	\$369,827	\$43,079	\$326,748
2011	\$347,200	\$347,635	(\$435)
2010	\$351,981	\$350,994	\$987

The District should request the County Auditor to help ensure page 2 of the *Reports* is mathematically accurate.

5. We agreed the January 1 and December 31 fund cash balances reported on the District's Cash Basis Balance Sheet for the *District Fund* and the January 1 and December 31 fund cash balances reported on the County's Detail Fund Report for the *Special Fund* to the corresponding *Fund Cash Balances* on page 3B of the *Reports*. The amounts agreed.

We also applied the following procedures to the *Subtotals* and *Totals* reported on page 2 of the December 31, 2015 *Report*:

6. We confirmed the December 31 bank account depository balances for the *District Fund* with the District's financial institutions. The balances agreed.
7. We compared the December 31 *Special Fund* depository balance from the *Report* to the amount reported in the County's Statement of Cash Position Report. We found no exceptions.
8. For the checks comprising the *Outstanding Checks*, we applied the following procedures:
 - a. We footed the supporting outstanding check list and compared it to the *Totals* on the *Report*. We found no exceptions.
 - b. We traced each check to the subsequent January bank statement. We found no exceptions.
 - c. We traced the amounts and dates of each check to the check register, to determine the check was recorded for the same amount and dated and recorded prior to December 31. We noted no exceptions.
9. We tested investments held at December 31 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions.
 - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

Intergovernmental Cash Receipts

We applied the following procedures for the years ended December 31, 2010 through December 31, 2015:

Intergovernmental Cash Receipts (Continued)

1. We agreed the total of the receipts from the State Distribution Transaction Lists (DTL) and the total of the receipts from the County Auditor's DTLs to the total amounts recorded in the respective receipt classification in the *Special Fund* in the Summary Revenue Report. The amounts agreed.
2. We selected all other Intergovernmental receipts in the *Report* from the *District Fund* such as grants.
 - a. We agreed check stubs and bank statement EFT deposits from the grantors to the District. We found no exceptions.
 - b. We determined whether these receipts were allocated to the proper fund. We found no exceptions.

All Other Cash Receipts

We haphazardly selected ten other cash receipts from the year ended December 31, 2015 and five other cash receipts from each of the years ended December 31, 2010 through 2014 recorded in the duplicate cash receipts book and determined whether the:

1. Receipt amount agreed to the amount recorded in the General Ledger. The amounts agreed.
2. Amount charged complied with rates in force during the period, if applicable. We found no exceptions, if applicable.
3. Receipt was posted to the proper fund, and was recorded in the proper year. We found no exceptions.

Payroll Cash Disbursements

1. We haphazardly selected one payroll check for five employees from the year ended December 31, 2015 and one payroll check for two employees for each of the years ended December 31, 2010 through 2014 from the Payroll Worksheet and:
 - a. We compared the hours and pay rate, or salary recorded in the Payroll Worksheet to supporting documentation (timecard, salary notice). We found no exceptions.
 - b. We determined whether salaries and benefits were paid only from the *Special Fund*, as required by the SWCD Administrative Handbook Chapter 5. We noted no exceptions.
 - c. We determined whether the check was classified as *Salaries*. We also determined whether the payment was posted to the proper year. We found no exceptions.
2. For the five employees tested in step 1 from the year ended December 31, 2015, we determined whether the following information in the employees' personnel files was consistent with the information used to compute gross and net pay related to the check:
 - a. Name
 - b. Authorized salary or pay rate
 - c. Retirement system participation and payroll withholding

Payroll Cash Disbursements (Continued)

- d. Federal, State and Local income tax withholding authorization and withholding
- e. Any other deduction authorizations (deferred compensation, etc.).

We found no exceptions related to steps a. – e. above.

3. We haphazardly selected and recomputed one termination payment (unused vacation, etc.) occurring between January 1, 2010 and December 31, 2015, and agreed the computation to the amount paid as recorded in the Detailed Payroll Ledger:
 - a. Accumulated leave records
 - b. The employee's pay rate in effect as of the termination date
 - c. The District's payout policy.

The amount paid was consistent with the information recorded in a. through c. above.

Non-Payroll Cash Disbursements

We haphazardly selected five disbursements from the *Special Fund* and five disbursements from the *District Fund* from the General Ledger for the year ended December 31, 2015 and two from the *Special Fund* and three from the *District Fund* for each of the years ended December 31, 2010 through 2014 and determined whether:

- a. The disbursements were for a proper public purpose. We found no exceptions.
- b. For *District Fund* disbursements, we determined whether:
 - i. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the similar data recorded in the General Ledger and to the names and amounts on the supporting invoices. We found no exceptions.
 - ii. The payment was posted to a fund consistent with the purpose for which the fund's cash can be used. We found no exceptions.
- c. For *Special Fund* disbursements, we determined whether:
 - i. The payee name and amount recorded on the voucher submitted to the County Auditor agreed to the payee name and amount recorded in the Detailed Expense Transaction Report. We found no exceptions.
 - ii. The names and amounts on the voucher agreed to supporting invoices. We found no exceptions.
 - iii. The voucher was signed by the Director and approved by a majority of the Board. We found no exceptions.

2015 Special Fund Budgetary Compliance

1. We read the *District's Special Fund Budget Request* submitted to the County Commissioners. We noted the request included the *Special Fund's Needs, Income and Balances* anticipated for carry

2015 Special Fund Budgetary Compliance (Continued)

- over from the current year, as required by the SWCD Administrative Handbook, Chapter 5. We also compared the budget amounts to the budgetary schedules on pages 4 and 5 of the *Report*. The amounts agreed.
2. We compared the total estimated receipts reported on Page 5 of the *Report* to the *Amended Official Certificate of Estimated Resources*, required by Ohio Rev. Code Section 5705.36(A)(1), and to the amounts recorded in the County's MTD/YTD Revenue Report for the *Special Fund*. The amounts agreed.
 3. We scanned the appropriation measures to determine whether the Board appropriated separate amounts within the *Special Fund* for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
 4. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the County's MTD/YTD Expense Report for the *Special Fund*, and to the appropriations reported on Page 4 of the *Report*. The amounts agreed.
 5. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.28(B)(2)(C) prohibit appropriations from exceeding total estimated resources. We compared total appropriations to total estimated resources for the *Special Fund* for the year ended December 31, 2015. We noted appropriations did not exceed estimated resources for the *Special Fund*.
 5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus year-end certified commitments (i.e. encumbrances)) from exceeding appropriations. We compared total disbursements plus outstanding year-end encumbrances to total appropriations for the year ended December 31, 2015 for the *Special Fund*, as recorded in the *Report*. We noted expenditures did not exceed appropriations for the *Special Fund*.
 7. We scanned the *Report* for the year ended December 31, 2015 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. We noted no fund having a negative cash fund balance.

2015 Compliance – Contracts and Expenditures

We inquired of management and scanned the General Ledger for the year ended December 31, 2015 to determine if the District purchased equipment and services allowed by Ohio Rev. Code Section 1515.09 or purchased goods or services allowed by Ohio Rev. Code Section 1515.08(H)(1) whose cost, other than personal service compensation or office space rent, exceeded \$50,000. We noted no purchases exceeding \$50,000.

2015 Other Compliance

Ohio Rev. Code Section 117.38 requires districts to file its financial information in the HINKLE system within 60 days after the close of the fiscal year. We reviewed the HINKLE system and noted the District filed its financial information within the allotted timeframe for the year ended December 31, 2015.

We were not engaged to, and did not conduct an examination, the objective of which would be the expression of an opinion on the District's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of management, those charged with governance, and others within the District, and is not intended to be, and should not be used by anyone other than these specified parties.
