## INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Ross Township  
Greene County  
6272 Grape Grove Road  
Jamestown, Ohio 45335

We have performed the procedures enumerated below, which were agreed to by the Board of Trustees and the management of Ross Township (the Township), on the receipts, disbursements and balances recorded in the Townships cash basis accounting records for the years ended December 31, 2016 and 2015 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2016 and 2015 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township. The sufficiency of the procedures is solely the responsibility of the parties specified in this report.

Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

### Cash

1. We recalculated the December 31, 2016 and December 31, 2015 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2015 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2014 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2016 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2015 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2016 and 2015 fund cash balances reported in the Fund Ledger Reports. The amounts agreed.
4. We confirmed the December 31, 2016 bank account balances with the Township's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2016 bank reconciliation. The bank balances per bank reconciliation were \$600 higher than the amounts confirmed by the Township's financial institution due to the Township reporting a December 30, 2016 receipt as clearing the bank in 2016. The receipt cleared the bank on January 3, 2017 and should have been reported as deposit in transit on the bank reconciliation.
5. We selected five reconciling debits (such as outstanding checks) haphazardly from the December 31, 2016 bank reconciliation:
  - a. We traced each debit to the subsequent January bank statement. We found no exceptions.

### **Cash (Continued)**

- b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. There were no exceptions.
6. We selected the only reconciling credit (such as deposits in transit) from the December 31, 2016 bank reconciliation:
  - a. We were unable to trace the \$10 credit to the subsequent January or February bank statement. The Township should investigate the unusual reconciling item and properly clear it
  - b. We agreed the credit amount to the Receipt Register. The credit was recorded as a March 2016 receipt for the same amount recorded in the reconciliation.

### **Property Taxes, Intergovernmental and Other Confirmable Cash Receipts**

1. We haphazardly selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2016 and one from 2015:
  - a. We traced the gross receipts from the *Statement* to the amount recorded in the Receipt Detail Report. The amounts agreed.
  - b. We inspected the Receipt Detail Report to confirm the receipt was allocated to the proper fund(s) as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found no exceptions.
  - c. We inspected the Receipt Detail Report to confirm whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
2. We inspected the Receipt Detail Report to determine whether it included two real estate tax receipts for 2016 and 2015. The Receipt Detail Report included the proper number of tax receipts for each year.
3. We haphazardly selected all receipts from the State Distribution Transaction Lists (DTL) from 2016 and all from 2015. We also haphazardly selected five receipts from the County Auditor's Audit Trail Expense Report from 2016 and five from 2015.
  - a. We compared the amount from the above reports to the amount recorded in the Receipt Detail Report. The amounts agreed.
  - b. We inspected the Receipt Detail Report to determine that these receipts were allocated to the proper fund(s). We found no exceptions.
  - c. We inspected the Receipt Detail Report to determine whether the receipts were recorded in the proper year. We found no exceptions.

### **Debt**

1. The prior audit documentation disclosed no debt outstanding as of December 31, 2014.
2. We inquired of management, and inspected the Receipt Detail Report and Payment Detail Report for evidence of debt issued during 2016 or 2015 or debt payment activity during 2016 or 2015. All debt agreed to the summary we used in step 3.
3. We obtained a summary of lease activity for 2016 and 2015 and agreed principal and interest payments from the related debt amortization schedule to General Fund and Road and Bridge Fund payments reported in the Payment Register Detail Report. We also compared the date the debt service payments were due to the date the Township made the payments. We found no exceptions.
4. For new debt issued during 2015, we inspected the debt legislation, which stated the Township must use the proceeds to purchase a Ford F350. We inspected the promissory note and observed the Township purchased a Ford F350 in April of 2015.

**Payroll Cash Disbursements**

1. We haphazardly selected one payroll check for five employees from 2016 and one payroll check for five employees from 2015 from the Wage Detail Report and:
  - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
  - b. We inspected the fund and account code(s) to which the check was posted to determine the posting was reasonable based on the employees' duties as documented in the minutes and as required by statute. We also confirmed the payment was posted to the proper year. We found no exceptions.
  
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2016 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2016. We observed the following:

<b>Withholding (plus employer share, where applicable)</b>	<b>Date Due</b>	<b>Date Paid</b>	<b>Amount Due</b>	<b>Amount Paid</b>
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2017	December 30, 2016	\$1,872	\$1,872
State income taxes	January 15, 2017	December 30, 2016	\$338	\$338
OPERS retirement	January 30, 2017	December 30, 2016	\$1,657	\$1,657
School District	January 31, 2017	December 30, 2016	\$189	\$189

3. For the pay periods ended September 30, 2016 and March 31, 2015, we recomputed the allocation of the Fiscal Officer's and Boards' salaries to the General, Gasoline Tax and Motor Vehicle License Tax Funds per the Employee Detail Adjustment Report. We found no exceptions.
  
4. For the pay periods described in the preceding step, we traced the Boards' salaries for time or services performed to supporting certifications the Revised Code requires. We found no exceptions.
  
5. We inquired of management and inspected the Payment Detail Register Report for the years ended December 31, 2016 and 2015 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. Insurance reimbursements made were in compliance with ORC 505.60 and 505.601 and federal regulations.

**Non-Payroll Cash Disbursements**

1. We haphazardly selected ten disbursements from the Payment Register Detail Report for the year ended December 31, 2016 and ten from the year ended 2015 and determined whether:
  - a. The disbursements were for a proper public purpose. We found no exceptions.
  - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
  - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.

**Non-Payroll Cash Disbursements (Continued)**

- d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found no exceptions.

**Compliance – Budgetary**

1. We compared the total estimated receipts from the Amended Official Certificate of Estimated Resources, required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Revenue Status Report for the General, Gasoline Tax and Road and Bridge funds for the years ended December 31, 2016 and 2015. The amounts on the *Certificate* agreed to the amount recorded in the accounting system for 2016. The Revenue Status Report recorded budgeted (i.e. certified) resources for the General, Gas Tax and Road and Bridge funds of \$64,221; \$81,975 and \$73,645 respectively for 2015. However, the final *Amended Official Certificate of Estimated Resources* reflected \$77,188; \$92,400 and \$78,045 respectively. The fiscal officer should periodically compare amounts recorded in the Revenue Status Report to amounts recorded on the *Amended Official Certificate of Estimated Resources* to ensure they agree. If the amounts do not agree, the Trustees may be using inaccurate information for budgeting and monitoring purposes.
2. We inspected the appropriation measures adopted for 2016 and 2015 to determine whether, for the General, Gasoline Tax and Road and Bridge funds, the Trustees appropriated separately for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status Report for 2016 and 2015 for the following funds: General Fund, Gasoline Tax Fund, and Road and Bridge Fund. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status Report.
4. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Gasoline Tax and Road and Bridge funds for the years ended December 31, 2016 and 2015. There were no funds for which appropriations exceeded certified resources.
5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2016 and 2015 for the General, Gasoline Tax and Road and Bridge funds, as recorded in the Appropriation Status Report. There were no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We inspected the Receipt Detail Report for evidence of new restricted receipts requiring a new fund during December 31, 2016 and 2015. We also inquired of management regarding whether the Township received new restricted receipts. We observed no evidence of new restricted receipts for which Ohio Rev. Code Section 5705.09 would require the Township to establish a new fund.
7. For funds existing in prior years, we inspected the fund activity report to determine whether the fund is still being used for the statutorily approved purpose and that all the required funds were established. All the required funds were established and no funds for which the statutorily approved purpose was no longer valid were included on the accounting records.

### **Compliance – Budgetary (Continued)**

8. We inspected the 2016 and 2015 UAN Revenue Status Reports and UAN Appropriation Status Reports for evidence of interfund transfers exceeding \$50 which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner and Court of Common Pleas.
9. We inquired of management and inspected the Fund Chart of Accounts Report to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13. The Township did not establish these reserves.
10. We inspected the Cash Summary by Fund Report for the years ended December 31, 2016 and 2015 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (l) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balances.

### **Compliance – Contracts & Expenditures**

We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2016 and 2015 to determine if the township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Rev. Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.

### **Other Compliance**

1. Ohio Rev. Code Section 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies, in addition to filing extensions granted for extenuating circumstances, allow for refiling complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System for December 31, 2017 and 2016 fiscal year ends included in 2015-2016 or 2016-2017 agreed up on procedure engagements, subsequent to the Township's deadline where the initial filing was filed on time but incomplete. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy within the allotted timeframe for the years ended December 31, 2016 and 2015 in the Hinkle system. Financial information for 2016 and 2015 was filed on March 23, 2017 which was not within the allotted timeframe.
2. We inquired of the fiscal officer and/or inspected the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the fiscal officer obtained the training required by Ohio Rev. Code Sections 507.12 and 733.81. There was no indication that the Fiscal Officer obtained any training.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2016 and 2015, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
