Scioto County Soil and Water Conservation District
Scioto County
12167A State Route 104
Lucasville, Ohio 45648

We have performed the procedures enumerated below, with which the Board of Supervisors (the Board) and the management of the Scioto County Soil and Water Conservation District (the District) agreed, solely to assist the Board in evaluating receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2011 through 2015, and certain compliance requirements related to these transactions and balances. Management is responsible for recording transactions; and management and the Board are responsible for complying with the compliance requirements. The sufficiency of the procedures is solely the responsibility of the parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

The Other Financing Sources were not included for these years in the amounts of \$1,100, \$10,153.57, and \$8,950.63, respectively.
4. We recalculated the mathematical accuracy of the reconciliation on page 2. We found no exceptions.
5. We agreed the January 1 and December 31 fund cash balances reported in the District's Quickbook Fund Balance Sheet Report to the corresponding *Fund Cash Balances* on page 3B of the Reports. The amounts agreed.

We also applied the following procedures to the *Subtotals* and *Totals* reported on page 2 of the December 31, 2015 Report:

- a. Accumulated leave records
 - b. The employee's pay rate in effect as of the termination date
 - c. The District's payout policy.

The amount paid was consistent with the information recorded in a. through c. above.

Non-Payroll Cash Disbursements

1. We haphazardly selected five disbursements from the *Special Fund* and five disbursements from the *District Fund* and other funds from the Check Detail Report for the year ended December 31, 2015 and two from the *Special Fund* and three from the *District Fund* and other funds for each of the years ended December 31, 2011 through 2014 and determined whether:

2015 Special Fund Budgetary Compliance

1. We inspected the District's Special Fund Budget Request submitted to the County Commissioners. We noted the request included the Special Fund's *Needs, Income* and *Balances* anticipated for carry over from the current year, as required by the SWCD Administrative Handbook, Chapter 5. We also compared the budget amounts to the budgetary schedules on pages 4 and 5 of the Cash Basis Annual Financial Report. The amounts agreed.
2. We compared the total estimated receipts reported on Page 5 of the Report to the *Amended Certificate of Estimated Resources* required by Ohio Rev. Code Section 5705.36(A)(1), and to the amounts recorded in the Revenue Audit Trail Report for the Special Fund. The amounts agreed.
3. We inspected the appropriation measures to determine whether the Supervisors appropriated separate amounts within the Special Fund for "each office, department, and division, and within each, the amount appropriated for personal services," as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
4. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Expense Account Report for the Special Fund, and to the appropriations reported on Page 4 of the Report. The amounts agreed.
5. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.28(B)(2)(C) prohibit appropriations from exceeding estimated revenue. We compared total appropriations to total estimated revenue for the Special Fund for the year ended December 31, 2015. We noted appropriations did not exceed estimated revenues for the Special Fund.
6. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus year-end certified commitments (i.e. encumbrances)) from exceeding appropriations. We compared total disbursements plus outstanding year-end encumbrances to total appropriations for the year ended December 31, 2015 for the "Special" Fund, as recorded in the Annual Cash Basis Financial Report. We noted expenditures did not exceed appropriations for the Special Fund.
7. We compared interfund transfers-in to transfers-out to ensure they agreed and inspected the transfer activity to determine they were approved by the Board of Supervisors. We found no exceptions.

8. We inspected the Annual Cash Basis Financial Report for the year ended December 31, 2015 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. We noted no funds having a negative cash fund balance.

2015 Compliance – Contracts & Expenditures

We inquired of management and inspected the Check Register Detail Report for the year ended December 31, 2015 to determine if the District purchased equipment and services allowed by ORC 1515.09 or purchased goods or services allowed by ORC 1515.08(H)(1) whose cost, other than personal service compensation or office space rent, exceeded \$50,000. We noted no purchases exceeding \$50,000.

2015 Other Compliance

Ohio Rev. Code Section 117.38 requires Districts to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. We reviewed the HINKLE system and noted the District filed their financial information within the allotted timeframe for the year ended December 31, 2015.

This agreed-upon procedures engagement followed the American Institute of Certified Public Accountants' attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion respectively on the District's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is for the use of the District to assist in evaluating its receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2011 through 2015, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose
