**INDEPENDENT ACCOUNTANTS' REPORT ON APPLYING AGREED-UPON PROCEDURES**

Board of Trustees  
Berne Township  
Fairfield County  
1590 Blue Valley Road SE  
Lancaster, Ohio 43130

We have performed the procedures enumerated below, which were agreed to by the Board of Trustees and the management of Berne Township (the Township) and the Auditor of State on the receipts, disbursements and balances recorded in the Townships cash basis accounting records for the years ended December 31, 2017 and 2016 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2017 and 2016 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township. The sufficiency of the procedures is solely the responsibility of the parties specified in this report.

Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

This report only describes exceptions exceeding \$10.

**Cash and Investments**

1. We recalculated the December 31, 2017 and December 31, 2016 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2016 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2015 balances in the prior year documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2017 beginning fund balances recorded in the Fund Ledger Report to the December 31, 2016 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the totals per the bank reconciliations to the total of the December 31, 2017 and 2016 fund cash balances reported in the Fund Status Report. The amounts agreed.
4. We confirmed the December 31, 2017 bank account balances with the Township's financial institution. We found no exceptions. We also agreed the confirmed balances to the amounts appearing in the December 31, 2017 bank reconciliation without exception.
5. We selected five reconciling debits (such as outstanding checks) haphazardly from the December 31, 2017 bank reconciliation:
  - a. We traced each debit to the subsequent January bank statement. We found no exceptions.
  - b. We traced the amounts and dates to the check register, to determine the debits were dated prior to December 31. There were no exceptions.

6. We inspected investments held at December 31, 2017 and December 31, 2016 to determine that they:
  - a. Were of a type authorized by Ohio Rev. Code Sections 135.13, 135.14 or 135.144. We found no exceptions
  - b. Mature within the prescribed time limits noted in Ohio Rev. Code Section 135.13 or 135.14. We noted no exceptions.

**Property Taxes and Intergovernmental Cash Receipts**

1. We haphazardly selected a property tax receipt from one *Statement of Semiannual Apportionment of Taxes* (the Statement) for 2017 and one from 2016:
  - a. We traced the gross receipts from the *Statement* to the amount recorded in the Receipt Register Report. The amounts agreed.
  - b. We inspected the Receipt Register Report to confirm the receipt was allocated to the proper fund as required by Ohio Rev. Code Sections 5705.05-.06 and 5705.10. We found no exceptions.
  - c. We inspected the Receipt Register Report to confirm whether the receipt was recorded in the proper year. The receipt was recorded in the proper year.
2. We inspected the Receipt Register Report to determine whether it included two real estate tax receipts for 2017 and 2016. The Receipt Register Report included the proper number of tax receipts for each year.
3. We haphazardly selected five receipts from the State Distribution Transaction Lists (DTL) from 2017 and five from 2016. We also haphazardly selected five receipts from the County Auditor's Distribution Transaction Detail Report DTLs from 2017 and five from 2016.
  - a. We compared the amount from the above reports to the amount recorded in the Receipt Register Report. The amounts agreed.
  - b. We inspected the Receipt Register Report to determine that these receipts were allocated to the proper fund(s). We found no exceptions.
  - c. We inspected the Receipt Register Report to determine whether the receipts were recorded in the proper year. We found no exceptions.

**Over-The-Counter Cash Receipts**

We haphazardly selected 10 over-the-counter cash receipts from the year ended December 31, 2017 and 10 over-the-counter cash receipts from the year ended 2016 recorded in the duplicate cash receipts book and:

- a. Agreed the receipt amount to the amount recorded in the Receipt Register Report. The amounts agreed.
- b. Confirmed the amounts charged complied with rates in force during the period. We found no exceptions.
- c. Inspected the Receipt Register Report to determine the receipt was posted to the proper funds, and was recorded in the proper year. We found no exceptions.

**Debt**

1. From the prior agreed-upon procedures documentation, we observed the following bond was outstanding as of December 31, 2015. These amounts agreed to the Townships January 1, 2016 balances on the summary we used in procedure 3.

Issue	Principal outstanding as of December 31, 2015:
-------	--

2014 Firehouse Bond	\$1,010,000
---------------------	-------------

2. We inquired of management, and inspected the Receipt Register Report and Payment Register Detail Report for evidence of debt payment activity during 2017 or 2016. All debt agreed to the summary we used in procedure 3.
3. We obtained a summary of bond debt activity for 2017 and 2016 and agreed principal and interest payments from the related debt amortization schedule to debt service fund payments reported in the Payment Register Detail Report. We also compared the date the debt service payments were due to the date the Township made the payments. We found no exceptions.

### Payroll Cash Disbursements

1. We haphazardly selected one payroll check for five employees from 2017 and one payroll check for five employees from 2016 from the Wage Detail Report and:
  - a. We compared the hours and pay rate, or salary recorded in the Wage Earnings Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions.
  - b. We inspected the fund and account code(s) to which the check was posted to determine the posting was reasonable based on the employees' duties as required by statute. We also confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2017 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2017. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare	January 31, 2018	January 2, 2018	\$4,264.72	\$4,264.72
State income taxes	January 15, 2018	December 28, 2017	\$338.16	\$338.16
Local income tax	January 31, 2018	December 28, 2017	\$397.02	\$397.02
OPERS retirement	January 30, 2018	January 5, 2018	\$2,494.28	\$2,494.28

3. We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2017 and 2016 to determine if township employees and/or trustees were reimbursed for out-of-pocket insurance premiums. No such reimbursements occurred.

### Non-Payroll Cash Disbursements

1. We haphazardly selected ten disbursements from the Payment Register Detail Report for the year ended December 31, 2017 and ten from the year ended 2016 and determined whether:
  - a. The disbursements were for a proper public purpose. We found no exceptions.
  - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Register Detail Report and to the names and amounts on the supporting invoices. We found no exceptions.
  - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
  - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code Section 5705.41(D). We found five instances

in 2017 and five instances in 2016 where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code Section 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred. The Township should strengthen internal controls over purchasing and ensure that all disbursements are properly certified prior to approval in accordance with the aforementioned section of the Ohio Revised Code.

### **Compliance – Budgetary**

1. We compared the total estimated receipts from the Amended Certificate of Estimated Resources, required by Ohio Rev. Code Section 5705.36(A)(1), to the amounts recorded in the Revenue Status Report for the General, Gasoline Tax and Road and Bridge funds for the years ended December 31, 2017 and 2016. The amounts agreed.
2. We inspected the appropriation measures adopted for 2017 and 2016 to determine whether, for the General, Gasoline Tax and Road and Bridge funds, the Trustees appropriated separately for “each office, department, and division, and within each, the amount appropriated for personal services,” as is required by Ohio Rev. Code Section 5705.38(C). We found no exceptions.
3. We compared total appropriations required by Ohio Rev. Code Sections 5705.38 and 5705.40, to the amounts recorded in the Appropriation Status Report for 2017 and 2016 for the following funds: General, Gasoline Tax and Road and Bridge. The amounts on the appropriation resolutions agreed to the amounts recorded in the Appropriation Status Report.
4. Ohio Rev. Code Sections 5705.36(A)(5) and 5705.39 prohibits appropriations from exceeding the certified resources. We compared total appropriations to total certified resources for the General, Gasoline Tax and Road and Bridge funds for the years ended December 31, 2017 and 2016. There were no funds for which appropriations exceeded certified resources.
5. Ohio Rev. Code Section 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total appropriations for the years ended December 31, 2017 and 2016 for the General, Gasoline Tax and Road and Bridge funds, as recorded in the Appropriation Status Report. There were no funds for which expenditures exceeded appropriations.
6. Ohio Rev. Code Section 5705.09 requires establishing separate funds to segregate externally-restricted resources. We inspected the Receipt Register Report for evidence of new restricted receipts requiring a new fund during December 31, 2017 and 2016. We also inquired of management regarding whether the Township received new restricted receipts. We observed that the Trustees established the Capital Projects – Roads and Capital Projects - Fire funds during 2017, and transferred \$50,000 and \$75,000 of Road and Bridge and Fire District Fund cash into them.
7. We inspected the 2017 and 2016 Revenue Status Reports and Appropriation Status Reports for evidence of interfund transfers exceeding \$20,000 which Ohio Rev. Code Sections 5705.14 - .16 restrict. We found no evidence of transfers these Sections prohibit, or for which Section 5705.16 would require approval by the Tax Commissioner Court of Common Pleas.
8. We inquired of management and inspected the Appropriation Status Reports to determine whether the Township elected to establish reserve accounts permitted by Ohio Rev. Code Section 5705.13. The Township did not establish these reserves.

9. We inspected the Cash Summary by Fund Report for the years ended December 31, 2017 and 2016 for negative cash fund balances. Ohio Rev. Code Section 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balance.

### **Compliance – Contracts & Expenditures**

We inquired of management and inspected the Payment Register Detail Report for the years ended December 31, 2017 and 2016 to determine if the township proceeded by force account (i.e. used its own employees) to maintain or repair roads (cost of project \$15,000-\$45,000) or to construct or reconstruct township roads (cost of project \$5,000-\$15,000/per mile) for which Ohio Rev. Code Section 5575.01 requires the county engineer to complete a force account project assessment form (i.e., cost estimate). We identified no projects requiring the county engineer to complete a force account cost estimate.

### **Other Compliance**

1. Ohio Rev. Code Section 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. Auditor of State established policies, in addition to filing extensions granted for extenuating circumstances, allow for refiling complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System for December 31, 2017 and 2016 fiscal year ends included in 2015-2016 or 2016-2017 agreed up on procedure engagements, subsequent to the Township's deadline where the initial filing was filed on time but incomplete. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2017 and 2016 in the Hinkle system. The Township refiled their 2016 report to include notes to the financial statements on March 29, 2018. We recommend the Township files their annual report by the required date.

The Township has responded to the issue discussed in this report. You may obtain a copy of their response from Amy Oxley, Fiscal Officer, at (740) 974-3821.

This agreed-upon procedures engagement was conducted in accordance with the American Institute of Certified Public Accountants attestation standards and applicable attestation engagement standards included in the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is to provide assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2017 and 2016, and certain compliance requirements related to these transactions and balances and is not suitable for any other purpose.
