We have reviewed the *Independent Auditor's Report* of the BORMA, Inc., Wood County, prepared by Julian & Grube, Inc., for the audit period December 1, 2017 through November 30, 2018. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The BORMA, Inc. is responsible for compliance with these laws and regulations.

Independent Auditor's Report

BORMA, Inc.
Wood County
304 North Church Street
Bowling Green, Ohio 43402

To the Board of Trustees:

Report on the Financial Statements

We have audited the accompanying financial statements of BORMA, Inc., Wood County, Ohio (a not-for-profit corporation), as of and for the fiscal year ended November 30, 2018, and the related notes to the financial statements, which collectively comprise BORMA, Inc.'s basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for preparing and fairly presenting these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes designing, implementing, and maintaining internal control relevant to preparing and fairly presenting financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to opine on these financial statements based on our audit. We audited in accordance with auditing standards generally accepted in the United States of America and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards*. Those standards require us to plan and perform the audit to reasonably assure the financial statements are free from material misstatement.

An audit requires obtaining evidence about financial statement amounts and disclosures. The procedures selected depend on our judgment, including assessing the risks of material financial statement misstatement, whether due to fraud or error. In assessing those risks, we consider internal control relevant to BORMA, Inc.'s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not to the extent needed to opine on the effectiveness of BORMA, Inc.'s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of management's accounting policies and the reasonableness of their significant accounting estimates, as well as our evaluation of the overall financial statement presentation.

We believe the audit evidence we obtained is sufficient and appropriate to support our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of BORMA, Inc., Wood County, Ohio, as of November 30, 2018, and the changes in its financial position and its cash flows for the fiscal year then ended in accordance with the accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require this presentation to include *management's discussion and analysis* and *claim development information* listed in the table of contents, to supplement the basic financial statements. Although this information is not part of the basic financial statements, the Governmental Accounting Standards Board considers it essential for placing the basic financial statements in an appropriate operational, economic, or historical context. We applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, consisting of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries to the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not opine or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to opine or provide any other assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 27, 2019, on our consideration of BORMA, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. That report describes the scope of our internal control testing over financial reporting and compliance, and the results of that testing, and does not opine on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering BORMA, Inc.'s internal control over financial reporting and compliance.

NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED NOVEMBER 30, 2018

NOTE 1 - DESCRIPTION OF THE ORGANIZATION

BORMA, Inc is an Ohio not-for-profit corporation organized under Section 2744.081 of the Ohio Revised Code for the public purpose of enabling its member political subdivisions to obtain insurance coverage, provide methods of paying claims and provide a formalized jointly administered self-insurance pool. Specifically, BORMA provides coverage for automobile liability, general liability, crime and property (including automobile physical damage), law enforcement liability, ambulance attendant's liability, miscellaneous error and omissions, property claims, and public official's liability. In addition to the self-insurance pool, the Organization provides risk management services, loss prevention programs and various other educational materials. The members of the Pool include the following municipalities within the State of Ohio: Bowling Green and Defiance. The Organization does not have any financial accountability over entities as defined by GASB Statement No 14, "The Financial Reporting Entity" as amended by GASB Statement No. 39, "Determining Whether Certain Organizations Are Component Units", and GASB Statement No. 61, "The Financial Reporting Entity: Omnibus", an amendment of GASB Statement No. 14 and No. 34.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Presentation - These financial statements have been prepared in conformity with accounting principles generally accepted in the United States of American (GAAP), provided that they do not conflict or contradict statements issued by the Government Accounting Standards Board (GASB). GASB No. 10, *Accounting and Financial Reporting for Risk Financing and Related Insurance Issues* as amended by GASB Statement No. 30, *Risk Financing Omnibus* and GASB Statement No. 66, *Technical Corrections - 2012 - an amendment of GASB Statements No. 10 and No. 62* provides standards for accounting and reporting that apply to public entity risk pools.

All transactions are accounted for in a single enterprise fund. Therefore, revenues and expenses are recognized on the accrual basis using the economic resources measurement focus.

Cash and Cash Equivalents - For cash flow purposes, BORMA, Inc. considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Cash and cash equivalents at November 30, 2018 consist of funds or deposits in banks and money market funds.

Investments - Investment income or loss (including realized gains and losses on investments, interest, and dividends) is recognized in the statement of revenues, expenses and changes in net position as a component of non-operating revenues or expenses.

BORMA, Inc. invested in STAR Ohio. STAR Ohio is an investment pool managed by the State Treasurer's Office which allows governments within the State to pool their funds for investment purposes. STAR Ohio is not registered with the SEC as an investment company, but has adopted Governmental Accounting Standards Board (GASB), Statement No. 79, "Certain External Investment Pools and Pool Participants." BORMA, Inc. measures its investment in STAR Ohio at the net asset value (NAV) per share provided by STAR Ohio. The NAV per share is calculated on an amortized cost basis that provides an NAV per share that approximates fair value.

For fiscal year 2018, there were no limitations or restrictions on any participant withdrawals due to redemption notice periods, liquidity fees, or redemption gates. However, notice must be given 24 hours in advance of all deposits and withdrawals exceeding \$25 million. STAR Ohio reserves the right to limit the transaction to \$100 million, requiring the excess amount to be transacted the following business day(s), but only to the \$100 million limit. All accounts of the participant will be combined for these purposes.

WOOD COUNTY, OHIO

NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED NOVEMBER 30, 2018

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

Member and Supplemental Contributions - Member contributions are calculated to annually produce a sufficient sum of money within the self-insurance pool to fund administrative expenses of BORMA, Inc. and to create reserves for claims and unallocated loss adjustment expenses. Under the terms of membership, should annual member contributions not be sufficient to fund ultimate losses, establish adequate reserves and cover administrative expenses, the Board of Trustees can require supplementary contributions. Supplementary contributions can be assessed during the entire life of the BORMA, Inc. and any later period when claims or expenses need to be paid which are attributable to any membership year during which the event or claim occurred.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the use of management's estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates.

Cash Deposits - The bank balance is fully insured up to \$250,000 by the Federal Deposit Insurance Corporation.

Reserve for Unpaid Claims - Provisions for claims reserves and loss adjustment expenses are based on information reported by members and are calculated by BORMA, Inc's actuary. These amounts represent an estimate of reported, unpaid claims, plus a provision for claims incurred, but not reported. The claims reserve is based on the estimated ultimate cost of settling the claims, including the effects of inflation and other factors. BORMA, Inc's management believes that the claim reserves is reasonable in the circumstances; however, actual incurred losses and loss adjustment expenses, may not conform to the assumptions inherent in the determination of the liability. Accordingly, the ultimate settlement of losses and related loss adjustment expenses may vary materially from the estimated amounts disclosed in Note 6. Should the provision for claims reserves not be sufficient, supplemental contributions will be assessed.

Reinsurance - BORMA, Inc. collectively represented its members within Public Entity Risk consortium, a public entity risk-sharing pool which functions as a reinsurer for its member entities. Reinsurance permits recovery of a portion of losses from reinsurers, although it does not discharge the primary liability of the Pool as direct insurer of the risks reinsured. BORMA, Inc. is contingently liable with respect to certain loss coverage which would become a liability in the event these insurance carriers are unable to meet obligations under these reinsurance contracts.

Net Position - Net position represents the excess of revenues over expenses since its inception.

As of November 30, 2018, BORMA, Inc. does not have any "restricted" net position. BORMA, Inc. Board of Trustees may authorize the distribution of the net position to those members who constituted the self-insurance pool during the years when such net position was earned, provided that such members must also be members of BORMA, Inc. in the years in which said distribution was made.

In the event of dissolution of BORMA, Inc., any funds which remain unencumbered after all claims and all other BORMA, Inc. obligations have been paid shall be distributed to members in proportion to their interest in the surplus funds. Members that withdraw from BORMA, Inc. are obligated for any supplementary payments at the members's pool contribution factor in effect for the specific years to which the supplementary payments apply.

BORMA, Inc. applies restricted resources first when an expense is incurred for purposes for which both restricted and unrestricted net position is available.

Subsequent Events - Management has evaluated subsequent events through March 27, 2019, the date that the financial statements were available to be issued.

NOTES TO THE BASIC FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED NOVEMBER 30, 2018

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - (Continued)

Operating Revenues and Expenses - Operating revenues are those revenues that are generated directly from the primary action of the association. For BORMA, Inc., these are member premiums from the associated entities and excess insurance recoveries. Operating expenses are necessary cost that have been incurred in order to support BORMA, Inc.'s primary mission. Revenues and expenses not meeting the definition are reported as nonoperating.

Income Taxes - The Pool is not subject to income taxes and the filing of tax returns since its members are political subdivisions in the State of Ohio.

NOTE 3 - DEPOSITS AND INVESTMENTS

BORMA, Inc. follows the guidance of GASB Statement No. 40, *Deposit and Investment Risk Disclosures*. This statement's required disclosures are as follows:

Deposits - At fiscal year-end, the carrying amount of BORMA, Inc.'s deposits was \$681,829 and the bank balance was \$681,829. \$250,000 of the bank balance was covered by federal depository insurance. The remaining balance of \$431,829 was uninsured, but was collateralized by securities specifically pledged by the financial institution.

Investments - At year end, the net asset value of investments treated as cash were as follows:

STAR Ohio	\$9,042
-----------	---------

Custodial Credit Risk - Custodial credit risk is the risk that, in the event of a failure of a depository institution or counter party to a transaction, BORMA, Inc. will be unable to recover the value of deposits, investments, or collateral securities in possession of an outside party. At November 30, 2018, BORMA, Inc. does not have a policy to limit custodial risk beyond the requirements of State statute.

Credit Risk - Credit risk is the risk that an issuer or counter party to an investment will be unable to fulfill its obligations. BORMA, Inc. does not have a policy to limit credit risk. STAR Ohio has a quality rating of AAAM by Standard & Poor's. Ohio law requires that STAR Ohio maintain the highest rating provided by at least one nationally recognized standard rating service.

Concentration of Credit Risk - Concentration of credit risk is the risk of inability to recover the value of deposits or investments in the possession of an outside party caused by a lack of diversification. BORMA, Inc. does not have a policy to limit concentration of credit risk.

Interest Rate Risk - Interest rate risk is the risk that an interest rate change could adversely affect an investment's fair value. BORMA, Inc. does not have a policy to limit interest rate risk. At fiscal year-end, all investments had a maturity of less than one year.

NOTE 3 - DEPOSITS AND INVESTMENTS - (Continued)

Reconciliation of Cash and Investments to the Statement of Net Position - The following is a reconciliation of cash and investments as reported in the footnote above to cash and investments as reported on the statement of net position as of November 30, 2018:

<u>Cash and Investments per footnote</u>	
Carrying amount of deposits	\$681,829
Investments	<u>9,042</u>
Total	<u>\$690,871</u>
 <u>Cash and Cash Equivalents on Statement of Net Position</u>	
Cash and cash equivalents	<u>\$690,871</u>

NOTE 4 - SELF-INSURED RETENTION

BORMA, Inc. retains responsibility of claims within specified self-insured retention limits prior to the application of coverage provided by excess reinsurance contracts. BORMA, Inc.'s per occurrence retention limit is \$25,000 for all claims. BORMA, Inc. collectively represents its members as members within the Public Entity Risk Consortium ("PERC") pool. Under PERC, member entities maintain their present retention structure and the present retention effectively becomes a maintenance deductible under PERC. PERC then self-insures a primary portion over individual member retentions up to \$250,000 per occurrence for property coverages and \$500,000 for liability coverages, both inclusive of the member's retention (e.g. for property coverage, PERC self-insure \$225,000 in excess of BORMA, Inc.'s \$25,000 self-insured amount). PERC has a stop loss retention of \$1,575,000 per year, purchasing excess insurance coverage above its retention.

NOTE 5 - EXCESS INSURANCE CONTRACTS

BORMA, Inc. maintains excess insurance contracts with insurance carriers (including PERC) which provide various limits of coverage of BORMA, Inc.'s self-insured limits.

In the event that a series of losses or a single loss should exceed the aggregate amount of coverage provided by the self-insurance fund and the excess reinsurance, then the payment of any non-covered loss and any amount of supplementary payments for which the member is obligated is the obligation of the individual member or members against which the claim or claims were made.

Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Required by *Government Auditing Standards*

BORMA, Inc.
Wood County
304 North Church Street
Bowling Green, Ohio 43402

To the Board of Trustees:

We have audited, in accordance with auditing standards generally accepted in the United States and the Comptroller General of the United States' *Government Auditing Standards*, the financial statements of BORMA, Inc., Wood County, Ohio (a not-for-profit corporation), as of and for the fiscal year ended November 30, 2018, and the related notes to the financial statements, which collectively comprise BORMA, Inc.'s basic financial statements and have issued our report thereon dated March 27, 2019.

Internal Control Over Financial Reporting

As part of our financial statement audit, we considered BORMA, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures appropriate in the circumstances to the extent necessary to support our opinion on the financial statements, but not to the extent necessary to opine on the effectiveness of BORMA, Inc.'s internal control. Accordingly, we have not opined on it.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, when performing their assigned functions, to prevent, or detect and timely correct misstatements. A *material weakness* is a deficiency, or combination of internal control deficiencies resulting in a reasonable possibility that internal control will not prevent or detect and timely correct a material misstatement of BORMA, Inc.'s financial statements. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Given these limitations, we did not identify any deficiencies in internal control that we consider material weaknesses. However, unidentified material weaknesses may exist.

Compliance and Other Matters

As part of reasonably assuring whether BORMA, Inc.'s financial statements are free of material misstatement, we tested its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could directly and materially affect the determination of financial statement amounts. However, opining on compliance with those provisions was not an objective of our audit and accordingly, we do not express an opinion. The results of our tests disclosed no instances of noncompliance or other matters we must report under *Government Auditing Standards*.

Purpose of this Report

This report only describes the scope of our internal control and compliance testing and our testing results and does not opine on the effectiveness of BORMA, Inc.'s internal control or on compliance. This report is an integral part of an audit performed under *Government Auditing Standards* in considering BORMA, Inc.'s internal control and compliance. Accordingly, this report is not suitable for any other purpose.
