The procedures and the associated findings are as follows:

Cash

- Clark County is the Custodian for the District's deposits and therefore the County's deposit and investment
 pool holds the District's assets. We compared the District's fund balances reported on its December 31, 2022
 Clark County Park District Balance Sheet to the balances reported in Clark County's accounting records. The
 amounts agreed.
- 2. We agreed the January 1, 2021 beginning fund balances recorded in the Ohio Cash Basis Report for Clark County to the December 31, 2020 balances in the prior year documentation in the prior year Agreed-Upon Procedures working papers. We found no exceptions. We also agreed the January 1, 2022 beginning fund balances recorded in the Ohio Cash Basis Report for Clark County to the December 31, 2021 balances in the Ohio Cash Basis Report for Clark County. We found no exceptions.

Property Taxes and Intergovernmental Cash Receipts

- 1. We selected a total of five receipts from the *Statement of Semiannual Apportionment of Taxes*, and the County Auditor's DTLs from 2022 and a total of five from 2021:
 - a. We compared the amounts from the *above named reports* to the amount recorded in the Revenue and Expenditure Report. The amounts agreed except, except the District recorded the property tax receipts at "net" instead of at "gross" in their accounting system for both 2022 and 2021; however the District did properly record them at "gross" on the Hinkle filing system.

- b. We inspected the Revenue and Expenditure Report to determine these receipts were allocated to the proper fund as required by Ohio Rev. Code §§ 5705.05-.06 and 5705.10. We found no exceptions.
- c. We inspected the Revenue and Expenditure Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
- 2. We inspected the Revenue and Expenditure Report to determine whether it included two real estate tax receipts plus six advances for both 2022 and 2021. The Revenue and Expenditure Report included the proper number of tax receipts for each year. We found no exceptions.

Debt

- 1. The prior agreed-upon procedures documentation disclosed no debt outstanding as of December 31, 2020.
- 2. There were no new debt issuances, nor any debt payment activity during 2022 or 2021.

Payroll Cash Disbursements

- 1. We selected one payroll check for five employees from 2022 and one payroll check for five employees from 2021 from the Payroll Register Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Payroll Register Report to supporting documentation (timecard, legislatively or statutorily-approved rate or salary). We found no exceptions
 - b. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the employees' personnel files and minute record. We found no exceptions.
 - c. We confirmed the payment was posted to the proper year. We found no exceptions.
- 2. We selected the one new employee from 2021 and:
 - a. We inspected the employee's personnel files for the Retirement system, Federal, State & Local income tax withholding authorization.
 - b. We agreed the items in "a" above to the Payroll Register Report.
 - We found no exceptions.
- 3. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2022 to confirm whether remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2022. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2023	January 13, 2023	\$656.78	\$656.78
State income taxes	January 15, 2023	January 13, 2023	\$146.94	\$146.94
City of Springfield income tax	January 31, 2023	January 13, 2023	\$4.56	\$4.56
OPERS retirement	January 30, 2023	January 25, 2023	\$1,775.65	\$1,775.65

As stated above, the District paid the remittances to the Northeastern Local School District and the Northwestern Local School District after the due date.

Non-Payroll Cash Disbursements

- 1. We selected 10 disbursements from the Revenue and Expenditure Report for the year ended December 31, 2022 and 10 from the year ended 2021 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Revenue and Expenditure Report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found no exceptions.

Compliance – Budgetary

- Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus certified commitments) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2022 and 2021 for the General fund, Hetzler House Fund, and First Mad River Light Artillery Fund. Expenditures did not exceed appropriations.
- 2. We inspected the 2022 and 2021 Revenue and Expenditure Report for evidence of interfund transfers. We noted no interfund transfers for 2022 or 2021.
- 3. We inspected the Clark County Park District Balance Sheet for the years ended December 31, 2022 and 2021 for negative cash fund balances. Ohio Rev. Code § 5705.10 (l) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balance.

Sunshine Law Compliance

- 1. We obtained and inspected the District's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
- 2. We selected the three public records requests from the engagement period and inspected each request to determine the following:

- 6. We observed that the District's poster describing their Public Records Policy was displayed conspicuously in all branches of the District as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
- 7. We selected the one application submitted to the Records Commission for one-time disposal of obsolete records, and management's review of the schedules of records retention and dispositions for the engagement period. We inspected the approval by the Records Commission for the one selected and the review of the schedules. This was required by Ohio Rev. Code §149.412. We found no exceptions.
- We inquired with District management and determined that the District did not have any elected officials subject to the Public Records Training requirements during the engagement period as required by Ohio Rev. Code §§ 149.43(E)(1) and 109.43(B).
- 9. We inspected the public notices for the public meetings held during the engagement period and determined the District notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.
