We have audited, in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States, the basic financial statements of the City of Brooklyn for the year ended December 31, 2024, and have separately issued our unmodified report thereon dated June 24, 2025. These statements present the landfill within the City's governmental activities.

In a letter to the Ohio Environmental Protection Agency dated June 25, 2025 (the Letter), Tom Raguz, Director of Finance of the City of Brooklyn specified that certain amounts disclosed in that Letter were derived from the independently audited financial statements referred in the first paragraph above.

We have performed the procedures described below on the City. The City's management is responsible for the information presented in the Letter.

The City has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of solely providing assistance to you in determining that certain amounts reported in the Letter agreed to, or can be computed from, amounts presented in the audited basic financial statements. Additionally, the Auditor of State has agreed to and acknowledged that the procedures performed are appropriate to meet their purposes. This report may not be suitable for any other purpose. Alternative 2, Line No.

- 5 Total assured environmental costs
- 6 Total annual revenue

The amounts on line 6 agree to the basic fund financial statements of the City, or can be computed from amounts appearing therein. We followed the definition for line 6 included in the *State Support Document for the Local Government Financial Test*, issued November 27, 1996 by the USEPA. Line 5 includes total assured environmental costs reported in the fund financial statements following Governmental Accounting Statement Number 18.
