Tiffin, OH 44883

We have performed the procedures enumerated below on Seneca Township, Seneca County, Ohio's (the Township) receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2024 and 2023 and certain compliance requirements related to those transactions and balances, included in the information provided to us by the management of the Township. The Township is responsible for the receipts, disbursements and balances recorded in the cash basis accounting records for the years ended December 31, 2024 and 2023 and certain compliance requirements related to these transactions and balances included in the information provided to us by the Township.

The Board of Trustees and the management of the Township have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of providing assistance in the evaluation of the Township's receipts, disbursements and balances recorded in their cash-basis accounting records for the years ended December 31, 2024 and 2023, and certain compliance requirements related to these transactions and balances. Additionally, the Auditor of State has agreed to and acknowledged that the procedures performed are appropriate to meet their purposes. No other party acknowledged the appropriateness of the procedures. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of the report and may not meet the needs of all users of the report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes. The sufficiency of the procedures is solely the responsibility of the parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

For the purposes of performing these procedures, this report only describes exceptions exceeding \$10.

The procedures and the associated findings are as follows:

Cash and Investments

1. We recalculated the December 31, 2024 and December 31, 2023 bank reconciliations. We found no exceptions.
2. We agreed the January 1, 2023 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2022 balances in the prior year audited statements. We found no exceptions. We also agreed the January 1, 2024 beginning fund balances for each fund recorded in the Fund Ledger Report to the December 31, 2023 balances in the Fund Ledger Report. We found no exceptions.
3. We agreed the 2024 and 2023 Bank Reconciliation adjusted UAN Balances and Adjusted Bank Balances as of December 31, 2024 and 2023 to the total fund cash balances reported in the Fund Status Report and the financial statements filed by the Township in the Hinkle System. The amounts agreed.

4. We confirmed certain December 31, 2024 bank account balance with Ohio Pooled Collateral System. We found no exceptions. We also observed the year-end Star Ohio balance on the financial institution's website. The balance agreed. We also agreed the observed and confirmed balances to the amounts appearing in the December 31, 2024 bank reconciliation without exception.
5. We selected 5 reconciling debits (such as outstanding checks) from the December 31, 2024 bank reconciliation:
 - a. We traced each debit to the subsequent January, February and March bank statements. One payment was still outstanding as of the end of fieldwork.
 - b. We traced the amounts and dates to the check register, and determined the debits were dated prior to December 31. We found no exceptions.
6. We inspected investments held at December 31, 2024 and December 31, 2023 to determine that they:
 - a. Were of a type authorized by Ohio Rev. Code §§ 135.13, 135.14, 135.144 or 135.145. We found no exceptions
 - b. Mature within the prescribed time limits noted in Ohio Rev. Code § 135.13 or 135.14. We found no exceptions.

Property Taxes and Intergovernmental Cash Receipts

1. We selected a total of 5 receipts from the *Statement of Semiannual Apportionment of Taxes*, State Distribution Transaction Lists (DTL), and the Seneca County Audit Trail for 2024 and a total of 5 from 2023:
 - a. We compared the amount from the above named reports to the amount recorded in the Receipt Export Report. The amounts agreed.
 - b. We inspected the Receipt Export Report to determine these receipts were allocated to the proper funds as required by Ohio Rev. Code §§ 5705.05 and 5705.10. We found no exceptions.
 - c. We inspected the Receipt Export Report to determine whether the receipt was recorded in the proper year. The receipt was recorded in the proper year. We found no exceptions.
2. We inspected the Receipt Export Report to determine whether it included 2 real estate tax receipts for 2024 and 2023. The Receipt Export Report included the proper number of tax receipts for each year. We found no exceptions.

Debt

1. The prior audit report disclosed no debt outstanding as of December 31, 2022.
2. We inquired of management and inspected the Receipt Export Report and Payment Export Report for evidence of debt issued during 2024 or 2023 or debt payment activity during 2024 or 2023. There were no new debt issuances, nor any debt payment activity during 2024 or 2023.

Payroll Cash Disbursements

1. We selected 1 payroll check for the only employee from 2024 and 1 payroll check for the only employee from 2023 from the Wage Withholdings Detail Report and:
 - a. We compared the hours and pay rate, or salary recorded in the Wage Detail Report to supporting documentation (timecard, legislatively or approved rate or salary). We found no exceptions.

- b. We inspected the fund and account codes to which the check was posted to determine the posting was allowable based on the employees' duties as documented in the employees' personnel files and minute records. We found no exceptions.
 - c. We confirmed the payment was posted to the proper year. We found no exceptions.
2. We inspected the last remittance of tax and retirement withholdings for the year ended December 31, 2024 to confirm remittances were timely paid, and if the amounts paid agreed to the amounts withheld, plus the employer's share where applicable, during the final withholding period of 2024. We observed the following:

Withholding (plus employer share, where applicable)	Date Due	Date Paid	Amount Due	Amount Paid
Federal income taxes & Medicare (and social security, for employees not enrolled in pension system)	January 31, 2025	December 23, 2024	\$121.70	\$121.70
State income taxes	January 15, 2025	December 27, 2024	\$121.09	\$121.09
School income tax	January 15, 2025	December 27, 2024	\$109.22	\$109.22
OPERS retirement	January 30, 2025	December 27, 2024	\$1,007.04	\$1,007.04

We found no exceptions.

3. We compared total gross pay for the fiscal officer and each board of trustee for 2024 and 2023 to the compensation permitted by Ohio Rev. Code §§ 507.09 and 505.24, respectively. Their pay did not exceed the Ohio Rev. Code §§ 507.09 and 505.24 permitted amounts.

Non-Payroll Cash Disbursements

1. We selected 10 disbursements from the Payment Export Report for the year ended December 31, 2024 and 10 from the year ended December 31, 2023 and determined whether:
 - a. The disbursements were for a proper public purpose. We found no exceptions.
 - b. The check number, date, payee name and amount recorded on the returned, canceled check agreed to the check number, date, payee name and amount recorded in the Payment Export Report and to the names and amounts on the supporting invoices. We found no exceptions.
 - c. The payment was posted to a fund consistent with the restricted purpose for which the fund's cash can be used. We found no exceptions.
 - d. The fiscal officer certified disbursements requiring certification or issued a *Then and Now Certificate*, as required by Ohio Rev. Code § 5705.41(D). We found six instances where the certification date was after the vendor invoice date, and there was also no evidence that a *Then and Now Certificate* was issued. Ohio Rev. Code § 5705.41(D) requires certifying at the time of a commitment, which should be on or before the invoice date, unless a *Then and Now Certificate* is used. Because we did not inspect all disbursements requiring certification, our report provides no assurance whether or not additional similar errors occurred.

Compliance – Budgetary

1. Ohio Rev. Code § 5705.41(B) prohibits expenditures (disbursements plus contract commitments including outstanding encumbrances) from exceeding appropriations. We compared total expenditures to total approved appropriations (Ohio Rev. Code §§ 5705.38 and 5705.40) plus any carryover appropriations for the years ended December 31, 2024 and 2023 for the General, Gasoline Tax and Coronavirus Relief fund as recorded in the Appropriation Status Report. Expenditures did not exceed appropriations.
2. We inspected the Cash Summary by Fund Report for the years ended December 31, 2024 and 2023 for negative cash fund balances. Ohio Rev. Code § 5705.10 (I) provides that money paid into a fund must be used for the purposes for which such fund is established. As a result, a negative fund cash balance indicates that money from one fund was used to cover the expenses of another. No funds had a negative cash fund balance.

Sunshine Law Compliance

1. We obtained and inspected the Township's Public Records Policy to determine the policy was in accordance with Ohio Rev. Code §§ 149.43(E)(2) and 149.43(B)(7)(c) and did not limit the number of responses that may be made to a particular person, limit the number of responses during a specified period of time, or establish a fixed period of time before it will respond unless that period is less than eight hours. We found no exceptions.
2. We inquired with Township management and determined that the Township did not have any completed, denied or redacted public records requests during the engagement period.
3. We inquired with Township management and determined that the Township did not have a records retention schedule during the engagement period and therefore could not make it readily available to the public as required by Ohio Rev. Code § 149.43(B)(2).
4. We attempted to inspect written evidence that the Public Records Policy was provided to the records custodian/manager as required by Ohio Rev. Code § 149.43(E)(2). The Township does not have a records custodian therefore, no written evidence can be provided.
5. We inspected the Township's policy manual and determined the public records policy was included as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
6. We observed that the Township's poster describing their Public Records Policy was displayed conspicuously in all branches of the Township as required by Ohio Rev. Code § 149.43(E)(2). We found no exceptions.
7. We inquired with Township management and determined that the Township did not have any applications for record disposal submitted to the Records Commission during the engagement period.
8. We attempted to inspect individual proof of attendance and determined whether each elected official in accordance with Ohio Rev. Code § 149.43(E)(1) (or his/her designee) successfully attended a certified three-hour Public Records Training for each term of office as required by Ohio Rev. Code § 109.43(B). The Fiscal Officer nor the elected officials completed to the training.
9. We inspected the public notices for the public meetings held during the engagement period and determined the Township notified the general public and news media of when and where meetings during the engagement period were to be held as required by Ohio Rev. Code § 121.22(F). We found no exceptions.

10. We inspected the minutes of public meetings during the engagement period in accordance with Ohio Rev. Code § 121.22(C) and determined whether they were:
- Prepared – a file is created following the date of the meeting
 - Filed – placed with similar documents in an organized manner
 - Maintained - retained, at a minimum, for the engagement period
 - Open to public inspection – available for public viewing or request.
- We found no exceptions.

11. We inspected the minutes from the engagement period in accordance with Ohio Rev. Code § 121.22(G) and determined the following:
- Executive sessions were only held at regular or special meetings.
 - The purpose for the meetings and going into an executive session (when applicable) correlated with one of the matters listed in Ohio Rev. Code § 121.22(G).
 - Formal governing board actions were adopted in open meetings.
- We found no exceptions.

Other Compliance

- Ohio Rev. Code § 117.38 requires townships to file their financial information in the HINKLE system within 60 days after the close of the fiscal year. This statute also permits the Auditor of State to extend the deadline for filing a financial report and establish terms and conditions for any such extension. The Auditor of State established policies regarding the filing of complete financial statements, as defined in AOS Bulletin 2015-007 in the Hinkle System. We confirmed the Township filed their complete financial statements, as defined by AOS Bulletin 2015-007 and the Auditor of State established policy, within the allotted timeframe for the years ended December 31, 2024 and 2023 in the Hinkle system. We found no exceptions.
- We inquired of the fiscal officer and inspected the Fiscal Integrity Act Portal (<http://www.ohioauditor.gov/fiscalintegrity/default.html>) to determine whether the fiscal officer obtained the training required by Ohio Rev. Code §§ 507.12 and 733.81. The Fiscal Officer obtained the required training.

We were engaged by the Township to perform this agreed-upon procedures engagement and conducted our engagement in accordance with the attestation standards established by the AICPA and the Comptroller General of the United States' *Government Auditing Standards*. We were not engaged to, and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on the Township's receipts, disbursements, balances and compliance with certain laws and regulations. Accordingly, we do not express an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Township and to meet our ethical responsibilities, in accordance with the ethical requirements established by the Comptroller General of the United States' *Government Auditing Standards* related to our agreed upon procedures engagement.
