WILLOUGHBY-EASTLAKE PUBLIC LIBRARY

LAKE COUNTY, OHIO

REGULAR AUDIT

For the Years Ended December 31, 2024 and 2023

65 East State Street Columbus, Ohio 43215 ContactUs@ohioauditor.gov 800-282-0370

Board of Trustees Willoughby-Eastlake Public Library 35150 Lakeshore Blvd. Eastlake, Ohio 44095

We have reviewed the *Independent Auditor's Report* of the Willoughby-Eastlake Public Library, Lake County, prepared by Charles E. Harris & Associates, Inc., for the audit period January 1, 2023 through December 31, 2024. Based upon this review, we have accepted these reports in lieu of the audit required by Section 117.11, Revised Code. The Auditor of State did not audit the accompanying financial statements and, accordingly, we are unable to express, and do not express an opinion on them.

Our review was made in reference to the applicable sections of legislative criteria, as reflected by the Ohio Constitution, and the Revised Code, policies, procedures and guidelines of the Auditor of State, regulations and grant requirements. The Willoughby-Eastlake Public Library is responsible for compliance with these laws and regulations.

KEITH FABER Ohio Auditor of State

INDEPENDENT AUDITOR'S REPORT

Willoughby-Eastlake Public Library Lake County 35150 Lakeshore Blvd. Eastlake, Ohio 44095

To the Board of Trustees:

Report on the Audit of the Financial Statements

Unmodified and Adverse Opinions

We have audited the financial statements of the Willoughby-Eastlake Public Library, Lake County, Ohio (the Library), which comprise the cash balances, receipts and disbursements for each governmental and fiduciary fund type as of and for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

Unmodified Opinion on Regulatory Basis of Accounting

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the cash balances, receipts and disbursements for each governmental and fiduciary fund type as of and for the years ended December 31, 2024 and 2023, and the related notes to the financial statements. in accordance with the financial reporting provisions which Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit, described in Note 2.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles section of our report, the accompanying financial statements do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the Library as of December 31, 2024 and 2023, or the changes in financial position, thereof for the years then ended.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Library, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Willoughby-Eastlake Public Library Lake County Independent Auditor's Report Page 2

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 2 of the financial statements, the financial statements are prepared by Library on the basis of the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C), which is an accounting basis other than accounting principles generally accepted in the United States of America (GAAP), to satisfy these requirements. The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 2 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material and pervasive.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Library's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and the financial audit standards in the Comptroller General of the United States' *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, and design and perform audit procedures responsive to those risks. Such procedures
 include examining, on a test basis, evidence regarding the amounts and disclosures in the financial
 statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Library's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Willoughby-Eastlake Public Library Lake County Independent Auditor's Report Page 3

conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that
raise substantial doubt about the Library's ability to continue as a going concern for a reasonable
period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 23, 2025 on our consideration of the Library's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Library's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Library's internal control over financial reporting and compliance.

Lake County
Notes to the Financial Statements
For the Year Ended December 31, 2024

Note 1 – Reporting Entity

The Willoughby-Eastlake Public Library (the Library), Lake County, is a body politic and corporate established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Board appoints a 7-member Board of Trustees to govern the Library. The Library provides the community with various educational and literary resources. The Library serves the seven communities of Eastlake, Lakeline, Timberlake, Waite Hill, Willowick, Willoughby, and Willoughby Hills by providing access to traditional reading materials and modern technological resources.

The Library's management believes these financial statements present all the activities for which the Library is financially accountable.

Note 2 – Summary of Significant Accounting Policies

Basis of Presentation

The Library's financial statements consist of a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all governmental fund types and a statement of additions, deductions and changes in fund balances (regulatory cash basis) for the fiduciary fund type which are organized on a fund type basis.

Fund Accounting

The Library uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Library are presented below:

General Fund The general fund accounts for and reports all financial resources not accounted for and reported in another fund. The general fund balance is available to the Library for any purpose provided it is expended or transferred according to the general laws of Ohio.

Special Revenue Funds These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Library had the following significant Special Revenue Fund:

Eclipse Ambassador Grant The Eclipse Ambassador Grant was awarded to promote eclipse awareness, provide public viewing opportunities, and increase science engagement. The Library received \$1,000 in 2023 and expended the full amount in 2024.

Capital Project Funds These funds account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlays, including the acquisition or construction of capital facilities and other capital assets. The Library had the following significant capital project funds:

Capital Projects Fund Professional Services of \$207,265 paid for space planning, the renovation of the Eastlake Public Library and the Willowick Library HVAC replacement. Building Improvements of \$616,962 paid for roof replacement, renovation of the Eastlake Public Library and HVAC replacement at the Willowick Public Library.

Lake County
Notes to the Financial Statements
For the Year Ended December 31, 2024

Note 2 – Summary of Significant Accounting Policies (continued)

Computer Information Fund Public Computer Lease payment- \$30,719 and \$12,361 for the purchase and installation of camera server and cameras at the Willoughby and Willowick Public Libraries.

Permanent Funds These funds account for and report resources that are restricted to the extent that only earnings, and not principal, may be used for purposes that support the Library's programs (for the benefit of the government or its citizenry). The Library had the following significant permanent fund:

The Francelia M. Worrallo Fund The Library endowment fund accounts for and reports interest earned on the nonexpendable corpus from a trust agreement restricted for the purchase of books at the Willoughby Public Library.

Fiduciary Funds Fiduciary funds include private purpose trust funds, investment trust funds, and custodial funds. Trust funds account for assets held under a trust agreement meeting certain criteria.

Custodial funds are purely custodial in nature and are used to report fiduciary activity that is not required to be reported in a trust fund. The Library's custodial fund account is a payroll clearing fund for employee deductions the Library collects then submits to the appropriate company.

Basis of Accounting

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (C). This basis is similar to the cash receipts and disbursements accounting basis. The Library recognizes receipts when received in cash rather than when earned and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (C) permit.

Budgetary Process

The Board must annually approve appropriation measures and subsequent amendments. Unencumbered appropriations lapse at year end. Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function, and object level of control.

A summary of 2024 budgetary activity appears in Note 3.

Deposits and Investments

The Library's accounting basis includes investments as assets. This basis does not record disbursements for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

Lake County
Notes to the Financial Statements
For the Year Ended December 31, 2024

Note 2 – Summary of Significant Accounting Policies (continued)

Money market mutual funds are recorded at share values the mutual funds report. Investment in STAR Ohio is measured at the net asset value (NAV) per share provided by STAR Ohio. The NAV per share is calculated on an amortized cost basis that provides an NAV per share that approximates fair value.

Capital Assets

The Library records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

Accumulated Leave

Library employees earn sick and vacation time that can be used for time off. In certain circumstances, such as upon leaving employment or retirement, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

Leases and SBITAs

The Library is the lessee in various leases (as defined by GASB 87) related to buildings, vehicles, and other equipment under noncancelable leases. Lease disbursements are recognized when they are paid. The Library disbursed \$59,583 to pay lease costs for the year ended December 31, 2024.

The Library has entered into noncancelable Subscription-Based Information Technology Arrangements (SBITA) contracts (as defined by GASB 96) for several types of software including contracts related to financial systems and various other software. Subscription disbursements are recognized when they are paid.

Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the Library must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

Nonspendable The Library classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact. For regulatory purposes, nonspendable fund balance includes unclaimed monies that are required to be held for five years before they may be utilized by the Library and the nonspendable portion of the corpus in permanent funds.

Restricted Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

Committed The Board of Trustees can *commit* amounts via formal action (resolution). The Library must adhere to these commitments unless the Board amends the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

Lake County
Notes to the Financial Statements
For the Year Ended December 31, 2024

Note 2 – Summary of Significant Accounting Policies (continued)

Assigned Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. For regulatory purposes, assigned fund balance in the general fund is limited to encumbrances outstanding at year end.

Unassigned Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Library applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

For regulatory purposes, limited disclosure related to fund balance is included in Note 10.

Note 3 – Budgetary Activity

Budgetary activity for the year ending December 31, 2024 follows:

2024 Budgeted vs. Actual Receipts

2021 Buagetta 1811 Tetaan Teetenpis					
Fund Type	Budgeted Receipts	Actual Receipts	Variance		
General	\$ 7,624,154	\$ 8,020,072	\$ 395,918		
Special Revenue	-	-	-		
Capital Projects	100,000	1,387,719	1,287,719		
Permanent	1	1	-		

2024 Budgeted vs. Actual Budgetary Basis Disbursements

	Appropriation	Budgetary	
Fund Type	Authority	Disbursements	Variance
General	\$ 8,933,316	\$ 8,117,525	\$ 815,791
Special Revenue	1,000	1,000	-
Capital Projects	3,092,701	1,197,500	1,895,201
Permanent	1,000	149	851

Note 4 – Deposits and Investments

To improve cash management, cash received by the Library is pooled. Monies for all funds are maintained in this pool. The Ohio Revised Code prescribes allowable deposits and investments. The Library also has segregated accounts, which include clearing accounts that are not part of this pool. A summary of the Library's deposit and investment accounts are as follows:

Lake County Notes to the Financial Statements For the Year Ended December 31, 2024

Note 4 – Deposits and Investments (continued)

	2024
Cash Management Pool:	
Demand deposits	\$ 611,820
Certificate of deposit	598,285
Certificate of deposit (Worrallo Fund)	12,965
Total deposits	1,223,070
STAR Ohio	3,872,438
Total investments	3,872,438
Total deposits and investments	\$ 5,095,508
Segregated Accounts - Not held in the Pool:	
Payroll Clearing Account (Not held in the Pool)	\$ 13,963
Total Outside Accounts	\$ 13,963

The Library has a payroll clearing account that is held outside of the deposit pool where gross payroll is held for distribution. The expenditures included in the accompanying financial statements reflect gross payroll. The balance in the Library's payroll clearing account represents unremitted employee payroll withholdings.

Deposits

Deposits are insured by the Federal Deposit Insurance Corporation; and collateralized through the Ohio Pooled Collateral System (OPCS), a collateral pool of eligible securities deposited with a qualified trustee and pledged to the Treasurer of State to secure the repayment of all public monies deposited in the financial institution.

Investments

As of December 31, 2024, the Library had investments in Star Ohio totaling \$3,872,438.

Investments in STAR Ohio and mutual funds are not evidenced by securities that exist in physical or bookentry form.

Note 5 – Grants in Aid and Taxes

Grants in Aid

The primary source of revenue for Ohio public libraries is the Public Library Fund (PLF). The State allocates PLF to each county based on the total tax revenue credited to the State's general revenue fund during the preceding month using the statutory allocation method. Estimated entitlement figures were issued to County Auditors. The actual current year entitlements were computed in December of the current year. The difference between the estimate and actual will be adjusted evenly in the PLF distributions made from January-June of the subsequent year.

Lake County
Notes to the Financial Statements
For the Year Ended December 31, 2024

Note 5 – Grants in Aid and Taxes (continued)

Property Taxes

Real property taxes become a lien on January 1 preceding the October 1 date for which the taxing authority of the subdivision to whose jurisdiction the Library is subject adopts rates. The State Department of Taxation, Division of Tax Equalization, adjusts these rates for inflation. Property taxes are also reduced for applicable non-business, owner occupancy, and homestead exemption credits and/or homestead and rollback deductions. The financial statements include these credits and/or deduction amounts the State pays as Other Governments' Grants In Aid. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the taxing district.

The County is responsible for assessing property and for billing, collecting, and distributing all property taxes on behalf of the Library.

Note 6 – Risk Management

Workers' Compensation

Workers' Compensation coverage is provided by the State of Ohio. The Library pays the State Workers' Compensation System a premium based on a rate per \$100 of salaries. This rate is calculated based on accident history and administrative costs.

Commercial Insurance

The Library has obtained commercial insurance for the following risks:

- Comprehensive property and general liability.
- Vehicles; and
- Errors and omissions.

Note 7 – Defined Benefit Pension Plans

Ohio Public Employees Retirement System

The Library employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement health care and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. OPERS members contributed 10% of their gross salaries, and the Library contributed an amount equaling 14% of participants' gross salaries. The Library has paid all contributions required through December 31, 2024.

Lake County
Notes to the Financial Statements
For the Year Ended December 31, 2024

Note 8 – Postemployment Benefits

OPERS offers a cost-sharing, multiple-employer defined benefit postemployment plan. OPERS offers a health reimbursement arrangement (HRA) allowance to benefit recipients meeting certain age and service credit requirements. The HRA is an account funded by OPERS that provides tax-free reimbursement for qualified medical expenses such as monthly post-tax insurance premiums, deductibles, co-insurance, and co-pays incurred by eligible benefit recipients and their dependents. For calendar year 2024, the portion of employer contributions allocated to health care was 0% for members in the traditional pension plan and 2% for members in the combined plan. For 2024, the portion of employer contributions allocated to health care for members in the member-directed plan was 4.0%; however, a portion of the health care rate was funded with reserves.

Note 9 – Construction and Contractual Commitments

At year end 2024, the following were open purchase orders in the Capital Projects Fund for renovation projects. \$78,880 to GPD Group for architectural services for the renovation of the new Administration building, \$94,340 to S.A. Communale for the Willowick Library HVAC replacement and \$149,780 to Garland/DBS, Inc. for the flat roof replacement project at the new Administration building.

Note 10 – Fund Balances

Included in fund balance are amounts the Library cannot spend, including the balance of unclaimed monies, which cannot be spent for five years and the unexpendable corpus of the permanent funds. Encumbrances are commitments related to unperformed contracts for goods or services. Encumbrance accounting is utilized to the extent necessary to assure effective budgetary control and accountability and to facilitate effective cash planning and control. At year end, the balances of these amounts were as follows:

			Capital			
Fund Balances	General]	Projects	Pe	rmanent	 Total
Nonspendable:						
Corpus	\$ -	\$	-	\$	4,335	\$ 4,335
Outstanding Encumbrances	48,472		328,342		-	376,814
Total	\$ 48,472	\$	328,342	\$	4,335	\$ 381,149

The fund balance of special revenue funds is either restricted or committed. The fund balance of capital projects funds are restricted, committed, or assigned. The fund balance of permanent funds that is not part of the nonspendable corpus is either restricted or committed. These restricted, committed, and assigned amounts in the special revenue, capital projects, and permanent funds include the outstanding encumbrances. In the general fund, outstanding encumbrances are considered assigned.

Lake County
Notes to the Financial Statements
For the Year Ended December 31, 2023

Note 1 – Reporting Entity

The Willoughby-Eastlake Public Library (the Library), Lake County, is a body politic and corporate established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Board appoints a 7-member Board of Trustees to govern the Library. The Library provides the community with various educational and literary resources. The Library provides the community with various educational and literary resources. The Library serves the seven communities of Eastlake, Lakeline, Timberlake, Waite Hill, Willowick, Willoughby, and Willoughby Hills by providing convenient access to traditional reading materials and modern technological resources.

The Library's management believes these financial statements present all the activities for which the Library is financially accountable.

Note 2 – Summary of Significant Accounting Policies

Basis of Presentation

The Library's financial statements consist of a combined statement of receipts, disbursements, and changes in fund balances (regulatory cash basis) for all governmental fund types and a statement of additions, deductions and changes in fund balances (regulatory cash basis) for the fiduciary fund type which are organized on a fund type basis.

Fund Accounting

The Library uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Library are presented below:

General Fund The general fund accounts for and reports all financial resources not accounted for and reported in another fund. The general fund balance is available to the Library for any purpose provided it is expended or transferred according to the general laws of Ohio.

Special Revenue Funds These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Library had the following significant Special Revenue Fund:

Eclipse Ambassador Grant The Eclipse Ambassador Grant was awarded to promote eclipse awareness, provide public viewing opportunities, and increase science engagement. The Library received \$1,000 from the Great Lakes Science Center to be used to host fun, safe and educational eclipse viewing celebrations.

Capital Project Funds These funds account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlays, including the acquisition or construction of capital facilities and other capital assets. The Library had the following significant capital project funds:

Capital Projects Fund The Eastlake Public Library was refreshed at a cost totaling \$2,023,845.

Lake County
Notes to the Financial Statements
For the Year Ended December 31, 2023

Note 2 – Summary of Significant Accounting Policies (continued)

Computer Information Fund Installed Fax and scan system at all buildings \$25,955 and installed new camera server at Eastlake Public Library-\$13,357.

Permanent Funds These funds account for and report resources that are restricted to the extent that only earnings, and not principal, may be used for purposes that support the Library's programs (for the benefit of the government or its citizenry). The Library had the following significant permanent fund:

The Francelia M Worrallo Fund The Library endowment fund accounts for and reports interest earned on the nonexpendable corpus from a trust agreement restricted for the purchase of books at the Willoughby Public Library.

Fiduciary Funds Fiduciary funds include private purpose trust funds, investment trust funds, and custodial funds. Trust funds account for assets held under a trust agreement meeting certain criteria.

Custodial funds are purely custodial in nature and are used to report fiduciary activity that is not required to be reported in a trust fund. The Library's custodial fund account is a payroll clearing fund for employee deductions the Library collects then submits to the appropriate company.

Basis of Accounting

These financial statements follow the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (C). This basis is similar to the cash receipts and disbursements accounting basis. The Library recognizes receipts when received in cash rather than when earned and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

These statements include adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03 (C) permit.

Budgetary Process

The Board must annually approve appropriation measures and subsequent amendments. Unencumbered appropriations lapse at year end. Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, function, and object level of control.

A summary of 2023 budgetary activity appears in Note 3.

Deposits and Investments

The Library's accounting basis includes investments as assets. This basis does not record disbursements for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

Lake County
Notes to the Financial Statements
For the Year Ended December 31, 2023

Note 2 – Summary of Significant Accounting Policies (continued)

Money market mutual funds are recorded at share values the mutual funds report. Investment in STAR Ohio is measured at the net asset value (NAV) per share provided by STAR Ohio. The NAV per share is calculated on an amortized cost basis that provides an NAV per share that approximates fair value.

Capital Assets

The Library records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statements do not report these items as assets.

Accumulated Leave

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The financial statements do not include a liability for unpaid leave.

Leases and SBITAs

The Library is the lessee in various leases (as defined by GASB 87) related to buildings, vehicles, and other equipment under noncancelable leases. Lease disbursements are recognized when they are paid. The Library disbursed \$59,148 to pay lease costs for the year ended December 31, 2023.

The Library has entered into noncancelable Subscription-Based Information Technology Arrangements (SBITA) contracts (as defined by GASB 96) for several types of software including contracts related to financial systems and various other software. Subscription disbursements are recognized when they are paid.

Fund Balance

Fund balance is divided into five classifications based primarily on the extent to which the Library must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

Nonspendable The Library classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact. For regulatory purposes, nonspendable fund balance includes unclaimed monies that are required to be held for five years before they may be utilized by the Library and the nonspendable portion of the corpus in permanent funds.

Restricted Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

Committed The Board of Trustees can *commit* amounts via formal action (resolution). The Library must adhere to these commitments unless the Board amends the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

Lake County
Notes to the Financial Statements
For the Year Ended December 31, 2023

Note 2 – Summary of Significant Accounting Policies (continued)

Assigned Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. For regulatory purposes, assigned fund balance in the general fund is limited to encumbrances outstanding at year end.

Unassigned Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Library applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

For regulatory purposes, limited disclosure related to fund balance is included in Note 9.

Note 3 – Budgetary Activity

Budgetary activity for the year ending December 31, 2023 follows:

2023 Budgeted vs. Actual Receipts

2023 Budgeted vs. Hetdai Receipts				
Fund Type	Budgeted Receipts	Actual Receipts	Variance	
General	\$ 7,556,542	\$ 8,071,645	\$ 515,103	
Special Revenue	-	1,000	1,000	
Capital Projects	20,000	1,659,767	1,639,767	
Permanent	1	2	1	

2023 Budgeted vs. Actual Budgetary Basis Disbursements

Fund Type	Appropriation Authority	Budgetary Disbursements	Variance
General	\$ 8,709,755	\$ 7,844,566	\$ 865,189
Special Revenue	-	-	-
Capital Projects	3,523,816	2,577,971	945,845
Permanent	1,000	835	165

Note 4 – Deposits and Investments

To improve cash management, cash received by the Library is pooled. Monies for all fund are maintained in this pool. The Ohio Revised Code prescribes allowable deposits and investments. The Library also has segregated accounts, which include clearing accounts and amounts with fiscal and escrow agents that are not part of this pool. A summary of the Library's deposit and investment accounts are as follows:

Lake County
Notes to the Financial Statements
For the Year Ended December 31, 2023

Note 4 – Deposits and Investments (continued)		
•	2023	
Cash Management Pool:		
Demand deposits	\$ 359,364	
Certificate of deposit	595,743	
Certificate of deposit (Worrallo Fund)	 13,113	
Total deposits	968,220	
STAR Ohio	 3,658,856	
Total investments	 3,658,856	
Total deposits and investments	\$ 4,627,076	
Segregated Accounts - Not held in the Pool:		
Payroll Clearing Account (Not held in the Pool)	\$ 26,025	
Total Outside Accounts	\$ 26,025	

The Library has a payroll clearing account that is held outside of the deposit pool where gross payroll is held for distribution. The expenditures included in the accompanying financial statements reflect gross payroll. The balance in the Library's payroll clearing account represents unremitted employee payroll withholdings.

Deposits

Deposits are insured by the Federal Deposit Insurance Corporation; and collateralized through the Ohio Pooled Collateral System (OPCS), a collateral pool of eligible securities deposited with a qualified trustee and pledged to the Treasurer of State to secure the repayment of all public monies deposited in the financial institution.

Investments

As of December 31, 2023, the Library had investments in Star Ohio totaling \$3,658,856.

Investments in STAR Ohio and mutual funds are not evidenced by securities that exist in physical or bookentry form.

Note 5 – Grants in Aid and Taxes

Grants in Aid

The primary source of revenue for Ohio public libraries is the Public Library Fund (PLF). The State allocates PLF to each county based on the total tax revenue credited to the State's general revenue fund during the preceding month using the statutory allocation method. Estimated entitlement figures were issued to County Auditors. The actual current year entitlements were computed in December of the current year. The difference between the estimate and actual will be adjusted evenly in the PLF distributions made from January-June of the subsequent year.

Lake County
Notes to the Financial Statements
For the Year Ended December 31, 2023

Note 5 – Grants in Aid and Taxes (continued)

Property Taxes

Real property taxes become a lien on January 1 preceding the October 1 date for which the taxing authority of the subdivision to whose jurisdiction the Library is subject adopts rates. The State Department of Taxation, Division of Tax Equalization, adjusts these rates for inflation. Property taxes are also reduced for applicable non-business, owner occupancy, and homestead exemption credits and/or homestead and rollback deductions. The financial statements include these credits and/or deduction amounts the State pays as Other Governments' Grants In Aid. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

Public utilities are also taxed on personal and real property located within the taxing district.

The County is responsible for assessing property and for billing, collecting, and distributing all property taxes on behalf of the Library.

Note 6 – Risk Management

Workers' Compensation

Workers' Compensation coverage is provided by the State of Ohio. The Library pays the State Workers' Compensation System a premium based on a rate per \$100 of salaries. This rate is calculated based on accident history and administrative costs.

Commercial Insurance

The Library has obtained commercial insurance for the following risks:

- Comprehensive property and general liability;
- Vehicles; and
- Errors and omissions.

Settled claims have not exceeded this coverage in any of the last year years and there was no significant reduction in coverage from the prior year.

Note 7 - Defined Benefit Pension Plans

Ohio Public Employees Retirement System

The Library employees belong to the Ohio Public Employees Retirement System (OPERS). OPERS is a cost-sharing, multiple-employer plan. The Ohio Revised Code prescribes this plan's benefits, which include postretirement health care and survivor and disability benefits.

The Ohio Revised Code also prescribes contribution rates. OPERS members contributed 10% of their gross salaries, and the Library contributed an amount equaling 14% of participants' gross salaries. The Library has paid all contributions required through December 31, 2023.

Lake County
Notes to the Financial Statements
For the Year Ended December 31, 2023

Note 8 – Postemployment Benefits

OPERS offers a cost-sharing, multiple-employer defined benefit postemployment plan. OPERS offers a health reimbursement arrangement (HRA) allowance to benefit recipients meeting certain age and service credit requirements. The HRA is an account funded by OPERS that provides tax-free reimbursement for qualified medical expenses such as monthly post-tax insurance premiums, deductibles, co-insurance, and co-pays incurred by eligible benefit recipients and their dependents. For calendar year 2023, the portion of employer contributions allocated to health care was 0% for members in the Traditional Pension Plan and 2% for members in the Combined Plan. For 2023, the portion of employer contributions allocated to health care for members in the Member-Directed Plan was 4.0%; however, a portion of the health care rate was funded with reserves.

Note 9 – Fund Balances

Included in fund balance are amounts the Library cannot spend, including the balance of unclaimed monies, which cannot be spent for five years and the unexpendable corpus of the permanent funds. Encumbrances are commitments related to unperformed contracts for goods or services. Encumbrance accounting is utilized to the extent necessary to assure effective budgetary control and accountability and to facilitate effective cash planning and control. At year end, the balances of these amounts were as follows:

				Capital				
Fund Balances	General		Projects		Permanent		Total	
Nonspendable:								
Corpus	\$	-	\$	-	\$	4,335	\$	4,335
Outstanding Encumbrances		30,850		487,088		-		517,938
Total	\$	30,850	\$	487,088	\$	4,335	\$	522,273

The fund balance of special revenue funds is either restricted or committed. The fund balance of capital projects funds are restricted, committed, or assigned. The fund balance of permanent funds that is not part of the nonspendable corpus is either restricted or committed. These restricted, committed, and assigned amounts in the special revenue, capital projects, and permanent funds include the outstanding encumbrances. In the general fund, outstanding encumbrances are considered assigned.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS REQUIRED BY GOVERNMENT AUDITING STANDARDS

Willoughby-Eastlake Public Library Lake County 35150 Lakeshore Blvd. Eastlake, Ohio 44095

To the Board of Trustees:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued the Comptroller General of the United States, the financial statements of the cash balances, receipts, and disbursements for each governmental and fiduciary fund type as of and for the years ended December 31, 2024 and 2023 and the related notes to the financial statements of the Willoughby-Eastlake Public Library, Lake County, (the Library) and have issued our report thereon dated June 23, 2025, wherein we noted the Library followed financial reporting provisions Ohio Rev. Code § 117.38 and Ohio Admin. Code 117-2-03(C) permit.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Library's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purposes of expressing our opinions the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Library's internal control. Accordingly, we do not express an opinion on the effectiveness of the Library's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Library's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all internal control deficiencies that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Willoughby-Eastlake Public Library
Lake County
Independent Auditor's Report on Internal Control Over
Financial Reporting and on Compliance and Other Matters
Required by *Government Auditing Standards*Page 2

Report on Compliance and Other Matters

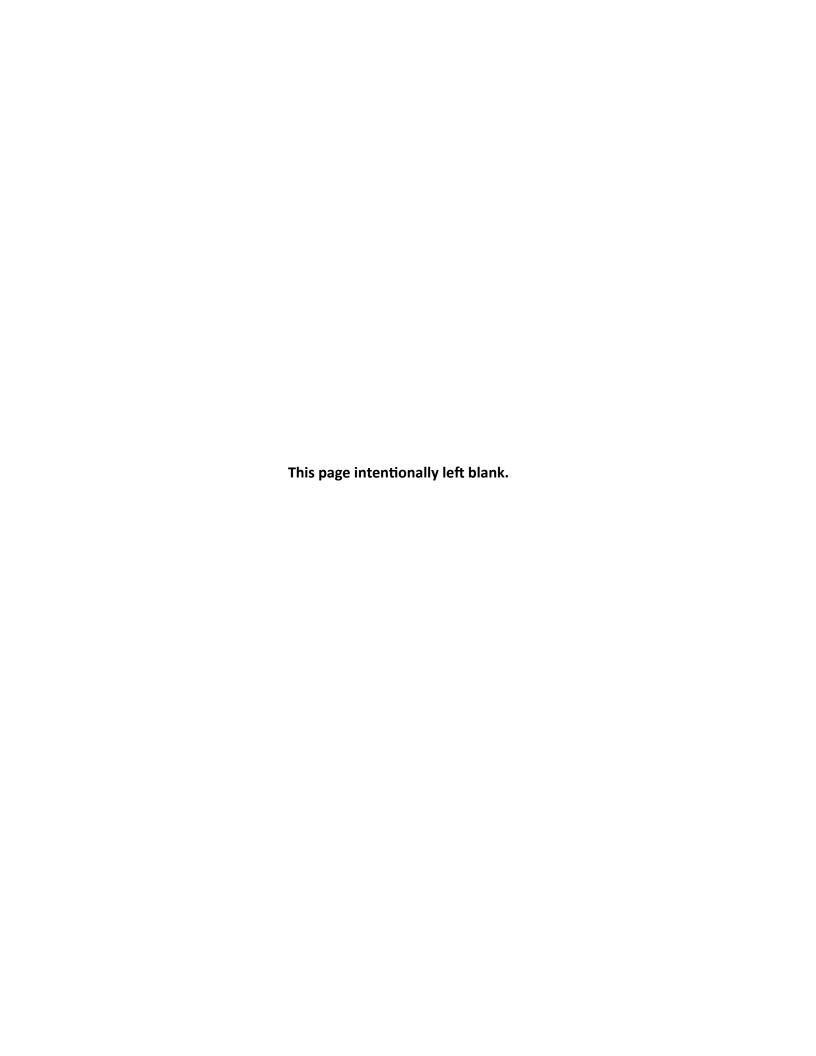

As part of obtaining reasonable assurance about whether the Library's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Library's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Library's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
