To the Members of the Board of Trustees:

### Report on the Audit of the Financial Statements

#### *Opinions*

We have audited the accompanying financial statement of Scioto Township, Pickaway County, Ohio, which comprises the cash balances, receipts, and disbursements for each governmental fund type as of and for the year ended December 31, 2024, and the related notes to the financial statement.

#### *Unmodified Opinions on Regulatory Basis of Accounting*

In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the cash balances, receipts, and disbursements for each governmental fund type of Scioto Township, as of and for the year ended December 31, 2024, and the related notes to the financial statement, in accordance with the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C), as described in Note 2.

#### *Adverse Opinion on U.S. Generally Accepted Accounting Principles*

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" section of our report, the accompanying financial statement referred to above does not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of Scioto Township, as of December 31, 2024, or changes in financial position thereof for the year then ended.

#### *Basis for Opinions*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report. We are required to be independent of Scioto Township and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### *Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles*

As described in Note 2 of the financial statement, the financial statement is prepared by Scioto Township on the basis of the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C), which is a basis of accounting other than accounting principles generally accepted in the United States of America (GAAP), to satisfy these requirements. The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 2 and GAAP, although not reasonably determinable, are presumed to be material and pervasive.

***Emphasis of Matter***

As described in Note 13 of the financial statement, in 2023, the Township reported their financial statements on a cash basis of accounting comparable with the requirements of GASB Statement No. 34. Starting in 2024, the Township reported on a regulatory cash basis. Our opinion is not modified with respect to this matter.

***Responsibilities of Management for the Financial Statement***

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C). Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error.

In preparing the financial statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Scioto Township's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

***Auditor's Responsibilities for the Audit of the Financial Statement***

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Scioto Township's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Scioto Township's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Supplementary Information***

Our audit was conducted for the purpose of forming opinion on the financial statement that collectively comprise Scioto Township's financial statement. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statement. The information has been subjected to the auditing procedures applied in the audit of the financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statement or to the financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statement as a whole.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated July 23, 2025 on our consideration of Scioto Township's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Scioto Township's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Scioto Township's internal control over financial reporting and compliance.

**Note 1 - Reporting Entity**

Scioto Township, Pickaway County, Ohio (the “Township”), is a body politic and corporate established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The Township is directed by a publicly elected three-member Board of Trustees. The Township also has an elected Township Fiscal Officer.

***Primary Government***

The primary government consists of all funds, departments, boards and agencies that are not legally separate from the Township. The primary government of the Township provides the following services to its citizens: general government services, maintenance of Township roads and bridges, cemetery maintenance, fire protection, emergency medical services and contracted police services.

***Jointly Governed Organization and Public Entity Risk Pool***

The Township participates in a jointly governed organization and a public entity risk pool.

The Township participates in a jointly governed organization, the Scioto Township Joint Economic Development District (the “JEDD”). Note 11 to the financial statement provides additional information for this entity.

The Township participates in a Public Entity Risk Pool, the Ohio Township Association Risk Management Authority (OTARMA). Note 6 to the financial statement provides additional information for this entity.

The Township’s management believes this financial statement presents all activities for which the Township is financially accountable.

**Note 2 - Summary of Significant Accounting Policies**

***Basis of Presentation***

The Township’s financial statement consists of a combined statement of receipts, disbursements and changes in fund balances (regulatory cash basis) for all governmental fund types which are organized on a fund type basis.

***Fund Accounting***

The Township uses funds to maintain its financial records during the year. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts. The funds of the Township are presented below:

***General Fund*** The general fund accounts for and reports all financial resources not accounted for and reported in another fund. The general fund balance is available to the Township for any purpose provided it is expended or transferred according to the general laws of Ohio.

***Special Revenue Funds*** These funds account for and report the proceeds of specific revenue sources that are restricted or committed to expenditure for specified purposes other than debt service or capital projects. The Township had the following significant Special Revenue Funds:

**Note 2 - Summary of Significant Accounting Policies - (Continued)**

***Gasoline Tax Fund*** - This fund accounts for and reports that portion of the State gasoline tax restricted for maintenance and repair of roads within the Township.

***Road and Bridge Fund*** - This fund accounts for and reports property taxes (inside millage), and intergovernmental receipts from JEDD distributions, restricted and committed for the construction, reconstruction, resurfacing and repair of Township roads and bridges.

***Fire and Emergency Levy Fund*** - This fund accounts for and reports property taxes, intergovernmental revenues from JEDD distributions, and contracted services restricted for the purpose of providing residents with fire and emergency services.

***Capital Project Funds*** These funds account for and report financial resources that are restricted, committed, or assigned to expenditure for capital outlays, including the acquisition or construction of capital facilities and other capital assets. The Township had the following significant Capital Project funds:

***Permanent Improvement Fund*** - This fund is used to account for intergovernmental revenues from JEDD distributions which are restricted for capital purposes.

***Ohio Public Works Commission Fund*** - This fund accounts for and reports grants and loans from the Ohio Public Works Commission (OPWC) restricted for capital improvements.

***Basis of Accounting***

This financial statement follows the accounting basis permitted by the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C). This basis is similar to the cash receipts and disbursements accounting basis. The Township recognizes receipts when received in cash rather than when earned, and recognizes disbursements when paid rather than when a liability is incurred. Budgetary presentations report budgetary expenditures when a commitment is made (i.e., when an encumbrance is approved).

This statement includes adequate disclosure of material matters, as the financial reporting provisions of Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit.

***Budgetary Process***

The Ohio Revised Code requires that each fund be budgeted annually.

***Appropriations*** Budgetary expenditures (that is, disbursements and encumbrances) may not exceed appropriations at the fund, department and object level of control, and appropriations may not exceed estimated resources. The Board of Trustees must annually approve appropriation measures and subsequent amendments. Unencumbered appropriations lapse at year end.

***Estimated Resources*** Estimated resources include estimates of cash to be received (budgeted receipts) plus unencumbered cash as of January 1. The County Budget Commission must approve estimated resources.

**Note 2 - Summary of Significant Accounting Policies - (Continued)**

***Encumbrances*** The Ohio Revised Code requires the Township to reserve (encumber) appropriations when individual commitments are made. Encumbrances outstanding at year end are carried over, and need not be reappropriated.

A summary of 2024 budgetary activity appears in Note 3.

***Deposits and Investments***

The Township's accounting basis includes investments as assets. This basis does not record disbursements for investment purchases or receipts for investment sales. This basis records gains or losses at the time of sale as receipts or disbursements, respectively.

Investment in STAR Ohio is measured at the net asset value (NAV) per share provided by STAR Ohio. The NAV per share is calculated on an amortized cost basis that provides an NAV per share that approximates fair value.

***Capital Assets***

The Township records disbursements for acquisitions of property, plant, and equipment when paid. The accompanying financial statement does not report these items as assets.

***Accumulated Leave***

In certain circumstances, such as upon leaving employment, employees are entitled to cash payments for unused leave. The accompanying financial statement does not include a liability for unpaid leave.

***Settlement Monies***

Ohio has reached settlement agreements with various distributors of opioids which are subject to the OneOhio memorandum of understanding. The original settlement was reached in 2021 with annual payments anticipated through 2038. For 2024, the Township received distributions totaling \$2,445, which are reflected in the Opioid Settlement Fund (Special Revenue Fund Type) in the accompanying financial statement.

***Fund Balance***

Fund balance is divided into five classifications based primarily on the extent to which the Township must observe constraints imposed upon the use of its governmental-fund resources. The classifications are as follows:

***Nonspendable*** - The Township classifies assets as *nonspendable* when legally or contractually required to maintain the amounts intact.

**Scioto Township**  
*Pickaway County, Ohio*  
*Notes to the Financial Statement*  
*For the Year Ended December 31, 2024*

---

**Note 2 - Summary of Significant Accounting Policies - (Continued)**

***Restricted*** - Fund balance is *restricted* when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments; or is imposed by law through constitutional provisions.

***Committed*** - Trustees can *commit* amounts via formal action (resolution). The Township must adhere to these commitments unless the Trustees amend the resolution. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed to satisfy contractual requirements.

***Assigned*** - Assigned fund balances are intended for specific purposes but do not meet the criteria to be classified as *restricted* or *committed*. For regulatory purposes, assigned fund balance in the General Fund is limited to encumbrances outstanding at year end.

***Unassigned*** - Unassigned fund balance is the residual classification for the general fund and includes amounts not included in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance.

The Township applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

For regulatory purposes, limited disclosure related to fund balance is included in Note 12.

**Note 3 - Budgetary Activity**

Budgetary activity for the year ending December 31, 2024 follows:

2024 Budgeted vs. Actual Receipts

***Deposits***

Deposits are insured by the Federal Deposit Insurance Corporation; or collateralized through the Ohio Pooled Collateral System (OPCS), a collateral pool of eligible securities deposited with a qualified trustee and pledged to the Treasurer of State to secure the repayment of all public monies deposited in the financial institution.

***Investments***

Investments in STAR Ohio are not evidenced by securities that exist in physical or book-entry form.

**Note 5- Property Taxes**

Real property taxes become a lien on January 1 preceding the October 1 date for which the Trustees adopted tax rates. The State Board of Tax Equalization adjusts these rates for inflation. Property taxes are also reduced for applicable non-business, owner occupancy, and homestead exemption credits and/or homestead and rollback deductions. The financial statement includes these credits and/or deduction amounts the State pays as Intergovernmental Receipts. Payments are due to the County by December 31. If the property owner elects to pay semiannually, the first half is due December 31. The second half payment is due the following June 20.

The County is responsible for assessing property and for billing, collecting, and distributing all property taxes on behalf of the Township.

**Note 6 - Risk Management**

***Workers' Compensation***

Workers' Compensation coverage is provided by the State of Ohio. The Township pays the State Workers' Compensation System a premium based on a rate per \$100 of salaries. This rate is calculated based on accident history and administrative costs.

***Risk Pool Membership***

**Note 7 - Defined Benefit Pension Plans**

***Ohio Public Employees Retirement System***

The Ohio Revised Code also prescribes contribution rates. OPERS members contributed 10 percent of their gross salaries, and the Township contributed an amount equaling 14 percent of participants' gross salaries. The Township has paid all contributions required through December 31, 2024.

***Ohio Police and Fire Retirement System***

**Note 8 - Postemployment Benefits**

Both OPERS and OP&F offer cost-sharing, multiple-employer defined benefit postemployment plans. OPERS offers a health reimbursement arrangement (HRA) allowance to benefit recipients meeting certain age and service credit requirements. The HRA is an account funded by OPERS that provides tax-free reimbursement for qualified medical expenses such as monthly post-tax insurance premiums, deductibles, co-insurance, and co-pays incurred by eligible benefit recipients and their dependents. OP&F uses a stipend-based health care model. A stipend funded by OP&F is placed in individual Health Reimbursement Accounts that retirees use to be reimbursed for health care expenses. For calendar year 2024, the portion of OPERS employer contributions allocated to health care was 0 percent for members in the traditional pension plan and 2 percent for members in the combined plan. For 2024, the portion of employer contributions OPERS allocated to health care for members in the member-directed plan was 4 percent; however, a portion of the health care rate was funded with reserves. **Note 10 - Contingent Liabilities**

The Township was not involved in any lawsuits that would have a material adverse effect on the Township's financial position.

Amounts grantor agencies pay to the Township are subject to audit and adjustment by the grantor, principally the federal government. Grantors may require refunding any disallowed costs. Management cannot presently determine amounts grantors may disallow. However, based on prior experience, management believes any refunds would be immaterial.

**Note 11 - Jointly Governed Organization**

Beginning in 2014, the Township has participated in and received income tax sharing compensation through one Joint Economic Development District (the JEDD), formed in accordance with Ohio Revised Code (ORC) Sections 715.72 through 715.81 as a result of an agreement between the City of Grove City (the City), the Village of Commercial Point (the Village), and the Township. The JEDD is a body corporate and politic established to exercise the rights and privileges conveyed to it by the constitution and laws of the State of Ohio. The JEDD's purpose is to promote and facilitate economic development, to create or preserve jobs and employment opportunities and to improve the economic welfare of the JEDD, the City, the Village, and the Township. The JEDD levies a 2.00 percent income tax.

The JEDD Board of Directors consists of three members, one member representing the City and the Village to serve a term of one year (Board Member No. 1), one member representing the Township to serve a term of two years (Board Member No. 2), and one member selected by the other members to serve a term of four years as chairperson of the Board (Board Member No. 3). After service of an initial term, terms for each member shall be four years. A member may be reappointed to the Board, but no member shall serve more than two consecutive terms on the Board. The JEDD operates on a calendar year basis. The term of the contract shall be for fifty (50) years, provided however, that if all parties agree in writing, the contract may be terminated at any time. Any renewals of this contract shall only occur upon the written mutual agreement of the JEDD Parties.

As part of the contract forming the JEDD, the Township, the City, and the Village provide certain services to the JEDD. The Township will provide the same services that the Township provides for similarly situated properties included in the Township outside of the JEDD. The Township will also provide accommodation for meetings of the Board, maintenance of the records of the JEDD and any necessary staffing for the Board. The City shall provide all services necessary for the administration, collection and enforcement of the JEDD Income Tax pursuant to the Tax Agreement. The City will also engage in economic development activities which serve to complement and benefit potential economic development areas located in, adjacent to and/or around the JEDD as determined in the sole discretion of the City. The City is not expected or required to undertake any promotional activity to the detriment of development areas located within the boundaries of the City. The Village shall provide supplemental police response to the JEDD upon the request of the Pickaway County Sheriff; subject, however, to availability and manpower as determined in the sole discretion of the Village. The Village will also engage in economic development activities which serve to complement and benefit potential economic development areas located in, adjacent to and/or around the JEDD as determined in the sole discretion of the Village. The Village is not expected or required to undertake any promotional activity to the detriment of development areas located within the boundaries of the Village.

**Note 11 - Jointly Governed Organization - Continued**

On the tenth day of each quarter, the Administrator shall allocate the remaining amount of the JEDD Income Tax then on deposit with the Administrator into three parts to be distributed to the JEDD Parties as follows:

1. To the City, an amount equal to 10 percent (10%) of the remaining amount. That amount may be used by the City for any lawful purpose.
2. To the Township, an amount equal to eighty-eight percent (88%) of the remaining amount. That amount may be used by the Township for any lawful purpose.
3. To the Village, an amount equal to two percent (2%) of the remaining amount. That amount may be used by the Village for any lawful purpose.

During 2024, the Township received \$1,243,429 under the JEDD contract, which is distributed as Intergovernmental revenue in the General Fund, the Road and Bridge Special Revenue Fund, the Fire and Emergency Levy Special Revenue Fund, and the Permanent Improvement Capital Projects Fund.

**Note 12 - Fund Balances**

Encumbrances are commitments related to unperformed contracts for goods or services. Encumbrance accounting is utilized to the extent necessary to assure effective budgetary control and accountability and to facilitate effective cash planning and control. At year end the balances of these amounts were as follows:

<u>Fund Balances</u>	<u>General</u>	<u>Special Revenue</u>	<u>Total</u>
Outstanding Encumbrances	\$ 44,375	\$ 7,500	\$ 51,875

The fund balance of special revenue funds is either restricted or committed. The fund balance of capital projects funds are restricted, committed, or assigned. These restricted, committed, and assigned amounts in the special revenue and capital projects would include the outstanding encumbrances. In the general fund, outstanding encumbrances are considered assigned.

**Note 13 - Change in Financial Statement Presentation/Error Correction**

- (1) In 2023, the Township reported its financial statements on a cash basis of accounting comparable with the requirements of GASB Statement No. 34. Starting in 2024, the Township reported on a regulatory cash basis.
- (2) The Township increased their beginning fund cash position at January 1, 2024 in the General Fund and Special Revenue Funds due to \$32,756, in lost and uncashed checks from prior years.

**NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS  
2 CFR 200.510(b)(6)  
FOR THE YEAR ENDED DECEMBER 31, 2024**

**NOTE 1 – BASIS OF PRESENTATION & SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The accompanying Schedule of Expenditures of Federal Awards (the Schedule) includes the federal award activity of Scioto Township (the “Township”) under programs of the federal government for the year ended December 31, 2024. The information on this Schedule is prepared in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Township, it is not intended to and does not present the financial position, or changes in net position of the Township. Expenditures reported on the Schedule are reported on the cash basis of accounting. Such expenditures are recognized following cost principles contained in Uniform Guidance wherein certain types of expenditures may or may not be limited as to reimbursement.

**NOTE 2 – DE MINIMIS INDIRECT COST RATE**

The Township has not elected to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

**NOTE 3 – MATCHING REQUIREMENTS**

Certain Federal programs require the Township to contribute non-Federal funds (matching funds) to support the Federally-funded programs. The Township has met its matching requirements. The Schedule does not include the expenditure of non-Federal matching funds.

Matters Based on an Audit of Financial Statements Performed in Accordance With  
*Government Auditing Standards***

Scioto Township

Commercial Point, Ohio 43116

To the Members of the Board of Trustees:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statement of the cash balances, receipts, and disbursements for each governmental fund type as of and for the year ended December 31, 2024 and the related notes to the financial statement of Scioto Township, Pickaway County, Ohio, and have issued our report thereon dated July 23, 2025, wherein we noted Scioto Township followed financial reporting provisions Ohio Revised Code Section 117.38 and Ohio Administrative Code Section 117-2-03(C) permit. Additionally, as described in Note 13 to the financial statement, Scioto Township has changed the presentation of their financial statements from the cash basis of accounting to the regulatory cash basis of accounting.

**Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statement, we considered Scioto Township's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of Scioto Township's internal control. Accordingly, we do not express an opinion on the effectiveness of Scioto Township's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of Scioto Township's financial statement will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters  
Based on an Audit of Financial Statements Performed in Accordance With *Government Auditing Standards*

**Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Scioto Township's financial statement is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statement. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Scioto Township's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Scioto Township's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Independent Auditor's Report on Compliance for Each Major Federal Program  
and on Internal Control Over Compliance Required by the Uniform Guidance**

Scioto Township  
Pickaway County  
6752 State Route 762  
PO Box 40  
Commercial Point, Ohio 43116

To the Members of the Board of Trustees:

**Report on Compliance for Each Major Federal Program**

***Opinion on Each Major Federal Program***

We have audited Scioto Township's compliance with the types of compliance requirements identified as subject to audit in the U.S. Office of Management and Budget (OMB) *Compliance Supplement* that could have a direct and material effect on each of Scioto Township's major federal programs for the year ended December 31, 2024. Scioto Township's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings.

In our opinion, Scioto Township complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2024.

***Basis for Opinion on Each Major Federal Program***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the "Auditor's Responsibilities for the Audit of Compliance" section of our report.

We are required to be independent of Scioto Township and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Scioto Township's compliance with the compliance requirements referred to above.

***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Scioto Township's federal programs.

***Auditor's Responsibilities for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Scioto Township's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Scioto Township's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Scioto Township's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Scioto Township's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Scioto Township's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

**Report on Internal Control over Compliance**

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the "Auditor's Responsibilities for the Audit of Compliance" section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

and on Internal Control Over Compliance Required by the Uniform Guidance

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
